CARRIED

All/Weighted

The Board thanked staff for their efforts in negotiating the best possible pricing for this contract.

11. OTHER MATTERS

11.1 2018 Regional Growth Strategy Monitoring Report

The report of Alison Stewart, Manager of Strategic Planning dated January 23, 2019 was provided for information. Ms. Stewart provided a PowerPoint Presenting regarding the Regional Growth Strategy ("RGS") Monitoring Report highlighting the following:

- Historical review of the evolution of the FVRD RGS;
- Data challenges;
- Key metrics around labour force, agriculture, tourism, household income, education levels, housing affordability, seniors housing, homelessness, transit, waste reduction, and electric vehicles; and
- A timeline for the RGS update.

Discussion ensued regarding the informative value of the report from a regional level and the benefits of working together as a region to address collective issues and draw more funds from higher levels of government. There was discussion regarding further information that would be of value to include in the report.

Mr. Gipps commented on how the Regional Growth Strategy (RGS) integrates with the Strategic Planning Sessions as the Board identifies regional goals and builds action plans. The importance of bringing issues to senior levels of government was highlighted, and it was noted that the FVRD will work with school districts and University of the Fraser Valley regionally on a number of different issues.

11.2 <u>Investing in Canada Infrastructure Program – Rural and Northern</u> <u>Communities Infrastructure</u>

Moved By RAYMOND Seconded By BALES

THAT the Fraser Valley Regional District Board direct staff to submit grant applications under the Investing in Canada Infrastructure Program – Rural and

Northern Communities Infrastructure Sub-Stream intake for the following projects:

- Electoral Area B: Dogwood Valley Watermain Extension
- Electoral Area C: Harrison Mills Transfer Station Relocation
- Electoral Area D: Integrated Water System Watermain Extension
- Electoral Area H: Cultus Lake Wastewater Collection System Upgrades

CARRIED

All/Unweighted

Mr. Gipps noted that Electoral Area F will be pursuing alternate grant funding opportunities.

12. CONSENT AGENDA

12.1 CONSENT AGENDA - FULL BOARD

Moved By ROSS Seconded By LOEWEN

THAT the following Consent Agenda items 12.1.1 to 12.1.4 be endorsed:

- 12.1.1 THAT the Fraser Valley Regional District Board authorize the Board Chair, Board Vice Chair and Chief Administrative Officer to attend the 2019 Lower Mainland Local Government Association AGM and Conference to be held in Harrison Hot Springs, BC between May 8 and 10, 2019;
 - **AND THAT** registration fees, accommodation and travel costs be approved from Budget 101.
- **12.1.2 THAT** the Fraser Valley Regional District Board authorize the Board Chair, Board Vice Chair and the Chief Administrative Officer to attend the FCM Annual Conference and Trade Show to be held in Quebec City from May 30 to June 2, 2019;
 - **AND THAT** registration fees, accommodation and travel costs be approved from Budget 101.
- **12.1.3 THAT** the Fraser Valley Regional District Board accept a \$25,000 grant from Solar Now and proceed with the installation of a rooftop solar panel system at the Cheam Avenue office building.
- **12.1.4 THAT** the Fraser Valley Regional District provide a letter of support to the Village of Harrison Hot Spring for their grant application under the *'Investing in Canada Infrastructure Program'* for the creation of a public building to serve as a Culture Hub;

Page | 7

AND THAT the Fraser Valley Regional District Board also provide a letter of support to the District of Kent for their grant application under the *'Investing in Canada Infrastructure Program'* for the development of an Indoor Aquatic Facility.

CARRIED

All/Unweighted

12.2 CONSENT AGENDA - ELECTORAL AREAS

Moved By STOBBART Seconded By DAVIDSON

THAT the following Consent Agenda items 12.2.1 and 12.2.2 be endorsed:

12.2.1 THAT the Fraser Valley Regional District authorize Electoral Area Directors to attend the 2019 Lower Mainland Local Government Association AGM and Conference to be held in Harrison Hot Springs, BC between May 8 and 10, 2019;

AND THAT registration fees, accommodation and travel costs be approved from Budget 102.

12.2.2 THAT the Fraser Valley Regional District Board authorize Electoral Area Service Directors to attend the FCM Annual Conference and Trade Show to be held in Quebec City from May 30 to June 2, 2019;

AND THAT registration fees, accommodation and travel costs be approved from Budget 102.

CARRIED

EAs/Unweighted

13. ADDENDA ITEMS/LATE ITEMS

13.1 <u>Grant-in-Aid Request – Boston Bar North Bend Bowling Association,</u> Electoral Area "A"

Moved By RAYMOND Seconded By ENGAR

THAT the Fraser Valley Regional District Board authorize a grant-in-aid in the amount of \$1,500 to the Boston Bar North Bend Bowling Association, funded form the Electoral Area "A" grant-in-aid budget, to help offset the costs of hosting a free all day open house event on Family Day at the Canyon Lanes Bowling Alley.

CARRIED

All/Unweighted

14. REPORTS FROM COMMITTEE MEETINGS - FOR INFORMATION (Items 14.1 to 14.3)

- **14.1** Corporate report dated January 9, 2019 from Environmental Planner regarding 'Nuisance Mosquito Control Pest Management Plan' [Jan 2019 RACS]
- **14.2** Corporate report dated January 9, 2019 from Environmental Services Coordinator regarding 'The BC Organics Infrastructure Program' [Jan 2019 RACS].
- 14.3 Corporate report dated January 9, 2019 from Manager of Outdoor Recreation Planning regarding FVRD Outdoor Recreation Economic Impact Analysis Update' - [Jan 2019 RACS]

Discussion ensued regarding the importance of the 'BC Organics Infrastructure Program' and that the program be included on the agenda of the Strategic Planning session. Further discussion is required with the Board, Ministries and the Province to provide direction for the FVRD to identify the process of lobbying the government on solid waste planning. There is a need for continued monitoring at the regional level.

15. ITEMS FOR INFORMATION AND CORRESPONDENCE (Items 15.1 and 15.2)

- 15.1 Fraser Basin Council Fraser Valley Update January, 2019
- **15.2** Squamish-Lillooet Regional District Update December 2018

16. REPORTS BY STAFF

Mr. Gipps welcomed Sam Makkar, a grade 11 student shadowing Abbotsford Councillor Banman through the Abbotsford Youth Commission Council's Shadow Project. Sam was invited to speak about his experience. Sam commented that the Youth Commission is an organization that enables youth to get involved in the community and shadow under city councillors to get a better understanding of how municipal government works.

It was commented that Abbotsford has been running this program for 13 years with the objective of connecting the city council with youth in order to make better informed decisions for the next generation and develop future leaders. The importance of youth engagement for municipalities was discussed. Other municipalities can choose to pursue a delegation request from the Abbotsford Youth Commission Council to learn more about this program.

17. REPORTS BY BOARD DIRECTORS

<u>Chair Lum</u> reported on amendments made to the FVRD Committee Appointments following discussion with Board members, resulting in the following motion:

Page 9

Moved by LUM Seconded by MERCER

THAT the Committee Appointment report be adopted with changes.

CARRIED

All/Unweighted

<u>Chair Lum</u> also noted high participation of FVRD Directors at the Local Government Leadership Academy conference.

18. PUBLIC QUESTION PERIOD FOR ITEMS RELEVANT TO AGENDA

Christopher Bush of Abbotsford requested funding support from the FVRD in developing the application for the Clean BC Communities Fund. It was noted that staff would follow up with Mr. Bush.

19. ADJOURNMENT

Moved By POPOVE Seconded By SIEMENS

THAT the Fraser Valley Regional District Board Open Meeting of January 23, 2019 be adjourned.

CARRIED

All/Unweighted

The Fraser Valley Regional District Board Meeting adjourned at 8:04 p.m.

MINUTES CERTIFIED CORRECT:	
Director Jason Lum, Chair	Corporate Officer/Deputy

FRASER VALLEY REGIONAL DISTRICT

BOARD OF DIRECTORS

SPECIAL MINUTE

by special vote pursuant to B.C. Reg. 41/91 as amended by B.C. Reg. 17/98

MOTION FOR CONSIDERATION:

[EASC-FEB 2019] THAT the Fraser Valley Regional District Board direct staff to submit a grant application under the Community Emergency Preparedness Fund (CEPF) administered by the Union of BC Municipalities (UBCM) for the Fraser River Flood Risk Assessment, Mapping & Mitigation Planning project.

CARRIED ALL/UNWEIGHTED

- I, Paul Gipps, Chief Administrative Officer, declare as follows:
- 1. Chair Lum and Director Dickey have informed me that they consider the submission of the Community Emergency Preparedness Fund (CEPF) application to be urgent as the deadline for submission is February 22, 2019, and that calling a regular or special meeting to conduct the voting is impractical.
- 2. I have made all reasonable attempts to communicate the matter to be voted on, by telephone, email or in person, to each Director entitled to vote and have recorded each Director's vote.
- Dated: February 13, 2019

Paul Gipps
Chief Administrative Officer

I, Jason Lum, Chair, declare that the vote has passed.

3. I have informed the Chair of the results of the voting.

Dated: February 13, 2019

FRASER VALLEY REGIONAL DISTRICT REGIONAL AND CORPORATE SERVICES COMMITTEE OPEN MEETING MINUTES

Tuesday, February 12, 2019 9:00 am FVRD Boardroom, 45950 Cheam Avenue, Chilliwack, BC

Members Present: Director Jason Lum, City of Chilliwack, Chair

Director Patricia Ross, City of Abbotsford, Vice Chair (by teleconference)

Director Pam Alexis, District of Mission (by teleconference)

Director Leo Facio, Village of Harrison Hot Springs (by teleconference)

Alt. Director Chris Kloot, City of Chilliwack Director Sylvia Pranger, District of Kent Director Terry Raymond, Electoral Area A

Director Peter Robb, District of Hope (by teleconference)

Director Al Stobbart, Electoral Area G

Director Orion Engar, Electoral Area E (arrived 9:09 a.m.)

Regrets: Director Henry Braun, City of Abbotsford

Director Ken Popove, City of Chilliwack Director Bill Dickey, Electoral Area D

Staff Present: Paul Gipps, Chief Administrative Officer

Mike Veenbaas, Director of Financial Services
Barclay Pitkethly, Director of Regional Programs
Stacey Barker, Deputy Director of Regional Programs
Jennifer Kinneman, Director of Corporate Affairs

Christina Vugteveen, Manager of Parks

Kristy Hodson, Manager of Financial Operations Jamie Benton, Environmental Services Coordinator

Beth Klein, Accountant

Janice Mikuska, Human Resources Manager (part)

Matthew Fang, Network Analyst I

Maggie Mazurkewich, Executive Assistant to CAO Chris Lee, Executive Assistant (Recording Secretary)

1. CALL TO ORDER

Chair Lum called the meeting to order at 9:01 a.m.

CAO Paul Gipps advised that as part of the Strategic Planning process a form from the consultant will be emailed out shortly to Directors for their response.

2. APPROVAL OF AGENDA, ADDENDA AND LATE ITEMS

Moved By RAYMOND Seconded By PRANGER

THAT the Agenda, Addenda and Late Items for the Regional and Corporate Services Committee Open Meeting of February 12, 2019 be approved;

AND THAT all delegations, reports, correspondence and other information set to the Agenda be received for information.

CARRIED

3. DELEGATIONS AND PRESENTATIONS

None

4. MINUTES/MATTERS ARISING

4.1 <u>Minutes of the Regional and Corporate Services Committee Open Meeting -</u> January 9, 2019

Moved By FACIO Seconded By KLOOT

THAT the Minutes of the Regional and Corporate Services Committee Open Meeting of January 9, 2019 be adopted.

CARRIED

5. CORPORATE ADMINISTRATION

5.1 UBCM Annual Convention: Vancouver, BC: September 23 to 27, 2019

Moved By STOBBART Seconded By PRANGER

THAT the Fraser Valley Regional District Board authorize the Board Chair, Board Vice Chair and Chief Administrative Officer to attend the 2019 Union of British Columbia Municipalities Convention to be held in Vancouver, BC between September 23 and 27, 2019;

AND THAT registration fees, accommodations and travel costs be approved from Budget 101.

CARRIED

5.2 2019 Christmas Closure of FVRD Corporate Offices

Mr. Gipps reported that for the past few years the FVRD office has been closed to the public between Christmas and New Year's Day. Under the Collective Agreement

sufficient notice is required to be given to staff. Staff are permitted to take vacation, earned days off and/or unpaid leaves of absence during these three days (December 27, 30 and 31, 2019).

Moved By PRANGER Seconded By FACIO

THAT the Fraser Valley Regional District Board approve the closure of the FVRD Corporate Offices to the public on December 27, 30 and 31, 2019.

CARRIED

6. FINANCE

6.1 <u>Board Remuneration - Impact of Municipal Officer's Expense Allowance Exemption</u>

Mike Veenbaas, Director of Financial Services spoke to the recent changes made by the Federal Government to the *Income Tax Act*, resulting in the removal of a tax free allowance for up to 1/3 of a Board Director's stipend. He noted that the actual impact per Director will vary depending on the Director's total overall income level from all sources and any applicable income tax deductions/exemptions.

Members provided comments as to how their municipalities were dealing with this matter. It was noted that this subject will be discussed further at the upcoming Board meeting.

Director Engar arrived at the meeting.

7. REGIONAL PROGRAMS AND SERVICES

7.1 ENVIRONMENTAL SERVICES

7.1.1 Geothermal Heat Pump Project at Hope and Area Recreation Centre Update

Stacey Barker, Deputy Director of Regional Programs reported that an opportunity has come up for staff to submit an application under the *Investing in Canada Infrastructure program* for the Hope and Area Recreation Centre Geothermal Heat Recovery Project. Ms. Barker provided a brief update on the proposed geothermal heat pump system, noting that such a system at the Centre would decrease its carbon footprint, help realize long-term financial savings and ensure continued safe working conditions.

It was noted that staff are proposing to visit a facility in 100 Mile House which has this geothermal heat pump installed to check out the system.

Moved By RAYMOND Seconded By ROSS

THAT the Fraser Valley Regional District Board direct staff to submit a grant application of up to \$2 million to the Investing in Canada Infrastructure Program for the Hope and Area Recreation Centre Geothermal Heat Recovery Project;

AND THAT the Fraser Valley Regional District Board commit up to \$1.5 million in funding towards the project from Hope and Area Recreation Centre Service Area reserves.

CARRIED

7.1.2 Electric Vehicle Chargers at the FVRD Main Office Building

The report from the Environmental Services Coordinator providing information of an expansion to the electric vehicle charging infrastructure in the parking lot of the main FVRD office building was provided for information.

Staff noted that Level 2 charges will be provided for free. In response to a question regarding cost recovery, staff responded that by setting up the Level 2 chargers with their own electrical system, it will allow FVRD to analyze usage and this will provide the ability to provide for a cost recovery structure that would allow the chargers to cover the cost of the electrical supply.

7.2 <u>REGIONAL PARKS</u>

No items.

7.3 STRATEGIC PLANNING AND INITIATIVES

No items.

7.4 OUTDOOR RECREATION AND PLANNING

No items.

8. ADDENDA ITEMS/LATE ITEMS

None

9. REPORTS BY STAFF

Mr. Gipps acknowledged Barclay Pitkethly, who will be taking up a position with the District of Mission and thanked him for his contribution to the FVRD. Chair Lum also recognized Barclay

Pitkethly and thanked him on the significant projects undertaken by him during his tenure at the FVRD.

10. REPORTS BY DIRECTORS

Committee members offered congratulations to Barclay Pitkethly on his new undertaking.

Improvement to the teleconferencing system was also acknowledged.

11. PUBLIC QUESTION PERIOD FOR ITEMS RELEVANT TO AGENDA

None

12. RESOLUTION TO CLOSE MEETING

Moved By STOBBART Seconded By PRANGER

THAT the meeting be closed to the public, except for Senior Staff and the Executive Assistant, for the purpose of receiving and adopting Closed Meeting Minutes convened in accordance with Section 90 of the *Community Charter* and to consider matters pursuant to:

Section 90(1)(g) of the *Community Charter* - litigation or potential litigation affecting the regional district.

CARRIED

The Open Meeting recessed at 9:24 a.m.

13. RECONVENE OPEN MEETING

The Open Meeting reconvened at 9:42 a.m.

14. RISE AND REPORT OUT OF CLOSED MEETING

None

15. ADJOURNMENT

Moved By FACIO Seconded By KLOOT **THAT** the Regional and Corporate Services Committee Open Meeting of February 12, 2019 be adjourned.

CARRIED

The Regional and Corporate Services Committee Open Meeting adjourned at 9:43 a.m.

MINUTES CERTIFIED CORRECT:

1. CALL TO ORDER

Chair Dickey called the meeting to order at 1:30 p.m. and acknowledged that Chair Lum was present at the meeting.

2. APPROVAL OF AGENDA, ADDENDA AND LATE ITEMS

Moved By RAYMOND Seconded By STOBBART

THAT the Agenda, Addenda and Late Items for the Electoral Area Services Committee Open Meeting of February 12, 2019 be amended as follows:

- Addition of on-table item for item 9.2 Petition received in favour of DVP 2019-01
- Addition of item 12.1 Building Covenant for Stonewood Place Subdivision (Thompson Road), Electoral Area D
- That the agenda be varied to consider item 9.1 after item 3.2
- That item 4.1 Delegation from the Fraser Valley Regional Library be postponed to the March EASC Meeting

AND THAT all delegations, reports, correspondence and other information set to the Agenda be received for information;

AND THAT the Agenda, as amended, be approved.

CARRIED

3. SHOW CAUSE HEARING(S)

3.1 <u>Building Bylaw and BC Building Code Contraventions at 31260 Mary Street, Electoral Area B, legally described as Lot 1 Section 14 Township 7 Range 26 West of the 6th Meridian Yale Division Yale District Plan KAP45931 PID 017-499-020.</u>

Louise Hinton, Bylaw Compliance and Enforcement Officer reported that Section 57 of the *Community Charter* provides a tool to local governments to deal with complex bylaw enforcement files and allows a building inspector to recommend that a notice on title be placed on a property.

Louise Hinton provided a PowerPoint presentation outlining the historic and current property bylaw infractions with respect to the property located at 31260 Mary Street, Electoral Area B, and the efforts of staff to encourage voluntary compliance by the property owner.

No comments were offered from the public.

Moved By ADAMSON Seconded By ENGAR

THAT the Fraser Valley Regional District Board direct staff to file a Notice in the Land Title Office in accordance with Section 57 of the *Community Charter* due to the contraventions of the *Fraser Valley Regional District Building Bylaw No.* 1188, 2013 and the BC Building Code, at 31260 Mary Street, Electoral Area B, Fraser Valley Regional District, British Columbia (legally described as Lot 1 Section 14 Township 7 Range 26 West of the 6th Meridian Yale Division Yale District Plan KAP45931). Parcel Identifier: 017-499-020.

CARRIED

3.2 <u>Building Bylaw and BC Building Code Contraventions at 48752 Chilliwack Lake Road, Electoral Area E, FVRD, British Columbia (legally described as Lot 3 District Lot 500 Group 2 Section 34 Township 25 NW District Plan 34285) PID 006-990-291</u>

Louise Hinton, Bylaw Compliance and Enforcement Officer provided a PowerPoint presentation outlining the historic and current property bylaw infractions with respect to the property located at 48752 Chilliwack Lake Road, Electoral Area E, and the efforts of staff to encourage voluntary compliance by the property owner.

No comments were offered from the public.

Moved By ENGAR Seconded By ADAMSON

THAT the Fraser Valley Regional District Board direct staff to file a Notice in the Land Title Office in accordance with Section 57 of the *Community Charter* due to the contraventions of the Fraser Valley Regional District Building Bylaw No. 1188, 2013, at 48752 Chilliwack Lake Road Electoral Area E, Fraser Valley Regional District, British Columbia (legally described as Lot 3 District Lot 500 Group 2 Section 34 Township 25 New Westminster District Plan 34285; and Parcel Identifier 006-990-291).

CARRIED

Item 9.1 was considered at this time.

9.1 Non-Farm Use Application for a Cannabis Facility at 59710 Lougheed Hwy, Electoral Area "B"

Graham Daneluz, Deputy Director of Planning and Development reported that the non-farm use application is for the construction of a facility in the agricultural land reserve for the growing and production of medical marihuana (cannabis) at 59710 Lougheed Highway in Electoral Area "B".

In response to a question regarding the proposed development of a regional district policy to provide guidance around Board and Committee decisions with respect to the production of cannabis, staff reported that a policy will be brought forward to EASC meeting in March for consideration.

Moved By ADAMSON Seconded By STOBBART

THAT the Fraser Valley Regional District Board forward the Non-Farm Use application for a cannabis production facility at 59710 Lougheed Highway, Electoral Area "B" to the Agricultural Land Commission with support subject to: 1) the two storey 25,000 square foot facility being located entirely within the portion of the parcel zoned Industrial (I-1); and 2) an offer and commitment from the landowner to register a covenant in favour of FVRD regarding outdoor lighting and odours controls as described in the Report dated 2019-02-12;

AND THAT the Agricultural Land Commission refer the application to the Skawahlook and Chawathil First Nations prior to making a decision.

CARRIED

4. DELEGATIONS AND PRESENTATIONS

4.1 <u>Scott Hargrove, Nancy Gomerich, Heather Scoular and Nicole Glentworth - Fraser Valley Regional Library</u>

Due to inclement weather, Item 4.1 was postponed to the March EASC Meeting.

5. MINUTES/MATTERS ARISING

5.1 <u>Draft Amended Minutes of the Electoral Area Services Committee - December 11, 2018</u>

Moved By RAYMOND Seconded By BALES

THAT the Minutes of the Electoral Area Services Committee Meeting of December 11, 2018, as amended, be adopted.

CARRIED

5.2 <u>Draft Minutes of the Electoral Area Services Committee Meeting - January 9, 2019</u>

Moved By STOBBART Seconded By ENGAR

THAT the Minutes of the Electoral Area Services Committee Open Meeting of January 9, 2019 be adopted.

CARRIED

6. CORPORATE ADMINISTRATION

6.1 <u>Electoral Area Director Attendance at UBCM Annual Convention:</u> Vancouver, BC: September 23 to 27, 2019

Moved By RAYMOND Seconded By CLYNE

THAT the Fraser Valley Regional District Board authorize Electoral Area Directors to attend the 2019 Union of British Columbia Municipalities Annual Convention to be held in Vancouver, BC between September 23 and 27, 2019,

AND THAT registration fees, accommodations and travel costs be approved from Budget 102.

CARRIED

7. FINANCE

7.1 EA Area Wide Services Proposed Financial Plans for 2019-2023

Mike Veenbaas, Director of Financial Services provided a presentation on the EA Wide Services Financial Plans, covering the following services:

- Electoral Area Administration
- Regional Library
- Electoral Area Utility Management
- Emergency Management
- o Animal Control (Electoral Areas D, E, G and H)
- o Building Inspection
- Bylaw Enforcement
- Planning Services
- Soil Deposit and Removal

Some highlights of the presentation were:

- Proposal for a 3% increase for all area wide services:
- Tax Increase cost drivers: Employer Health Tax 2% benefits increase and increasing cost for administrative support function required to support each service;
- \$33,300 increase on \$3.12 million total EA Wide Services budget = 1%;
- Residential impact of \$0.68 per \$100,000 of assessment;
- Proposal for a new position Emergency Management Specialist;
- Soil Deposit and Removal proposal to reduce tax requisition by 100% (\$60,000); it was noted that fees collected annually will be utilized to cover overall costs of the service.

Staff members from various services also provided brief updates on the services.

It was noted that members from the Auditor General for Local Government, who are presently carrying out an audit of the Regional District's Emergency Management Plan, were present at the meeting, Staff are proposing a new position, Emergency Management Specialist, to address the workload challenges being faced in Emergency Management.

Discussion ensued regarding the Electoral Area Wide Services proposed Financial Plans for 2019-2023 and staff responded to questions/comments raised by Committee members regarding animal control, building permit costs and revenue, bylaw enforcement staffing and revenue from gravel.

Moved By STOBBART Seconded By RAYMOND

THAT the Electoral Area Services Committee direct Staff to include the presented EA Area Wide Services Financial Plans, along with feedback received

by EASC, in the 2019-2023 Financial Plan Bylaw that the Regional Board will consider at its March 2019 meeting.

CARRIED Director Bales Opposed

Staff was commended on the work done on the proposed Electoral Area Wide Services proposed Financial Plans for 2019-2013.

7.2 Impact of Municipal Officer's Expense Allowance Exemption Elimination

A brief discussion ensued regarding the impact of the elimination of the Municipal Officer's Expense Allowance Exemption. A proposal for a modest or fair increase to offset the loss was raised. It was noted that the impact of this exemption on individuals will vary.

It was noted that this matter will be discussed further at the February Board meeting.

7.3 Grant-In-Aid Summary Report – 2018

The Grant-in-Aid Summary report for 2018 was provided for information. In response to a question regarding a wider coverage on our website on projects or events undertaken in Electoral Areas, it was noted that this is in the work plan.

8. ENGINEERING & UTILITIES

No Items.

9. PLANNING, BUILDING INSPECTION AND BYLAW ENFORCEMENT

9.2 Application for Development Variance Permit 2019-01 to vary the maximum height requirement for a garage at 45703 Elizabeth Drive, Electoral Area "H"

Moved By CLYNE Seconded By RAYMOND

THAT the Fraser Valley Regional District issue Development Variance Permit 2019-01 to increase the maximum permitted height of an accessory building from

5.0 metres to 6.4 metres, for 45703 Elizabeth Drive in Electoral Area H, subject to consideration of any comment or concerns raised by the public.

CARRIED

9.3 Application for Development Variance Permit 2019-02 to vary the rear setback requirement for an accessory structure at 47052 Snowmist Place, Electoral Area "C"

Moved By BALES Seconded By STOBBART

THAT the Fraser Valley Regional District issue Development Variance Permit 2019-02 to vary the rear setback for an accessory building at 47502 Snowmist Place in Electoral Area C from 5.0 metres to 1.5 metres, subject to consideration of any comments or concerns raised by the public.

CARRIED

9.4 Comprehensive Zoning Bylaw Consolidation for the Electoral Areas

The report dated February 12, 2019 pertaining to the project to consolidate the nine existing Electoral Area Zoning Bylaws into one comprehensive and streamlined Zoning Bylaw was provided for information.

9.5 <u>Development Permits Issued in 2018 by the Director of Planning & Development</u>

The report dated February 12, 2019 regarding the Development Permits issued in 2018 was provided for information.

9.6 Electoral Area Planning and Development: 2018 Year End Report

The Electoral Area Planning and Department 2018 Year End Report was circulated for information.

Planning staff was commended for the great work.

10. ELECTORAL AREA EMERGENCY SERVICES

10.1 <u>Fraser River Flood Risk Assessment, Mapping and Mitigation Planning -</u> Community Emergency Preparedness Fund (CEPF) Application

CAO Paul Gipps advised that due to this item being time sensitive, a Board Special Vote will be conducted soon if there is support for this.

Moved By STOBBART Seconded By CLYNE

THAT the Fraser Valley Regional District Board direct staff to submit a grant application under the Community Emergency Preparedness Fund (CEPF) administered by the Union of BC Municipalities (UBCM) for the Fraser River Flood Risk Assessment, Mapping & Mitigation Planning project.

CARRIED

11. OTHER MATTERS

11.1 Community Living BC Client Management Process and Protocols

Mr. Gipps reported that as a result of a recent incident that occurred in the North Shore, staff are recommending that Community Living BC be invited to an EASC meeting to discuss about their process and protocols for the care and management of clients in their supervision.

Moved By RAYMOND Seconded By ENGAR

THAT the Electoral Area Services Committee formally request Community Living BC participate in a discussion with EASC about their process and protocols for the care and management of clients in their care.

CARRIED

12. ADDENDA ITEMS/LATE ITEMS

12.1 <u>Building Covenant for Stonewood Place Subdivision (Thompson Road), Electoral Area D</u>

Mr. Gipps reported that additional building permits are required to ensure that the minimum number of homes are built and occupied in order to commence operation of the sewage treatment plant.

Moved by RAYMOND Seconded by CLYNE

THAT, in accordance with Covenants CA6199207 and CA5744615, the Fraser Valley Regional District Board authorize staff to issue additional building permits for new single family homes between subdivision files 3320-20-2016-04061 and 3320-20-2015-04298 to support the operation of the Waste Water Treatment Plant at 9980 Llanberis Way. The total number of additional building permits to be issued shall be determined by the Director of Engineering and Community Services.

13. REPORTS BY STAFF

Mr. Gipps reported that he will be bringing a report and presentation to EASC in the near future regarding rural policing levels.

14. REPORTS BY ELECTORAL AREA DIRECTORS

<u>Director Engar</u> reported on the homeless issues in his area and on his attendance at the Residents' Association AGM.

<u>Director Clyne</u> reported on the public consultation on the new driveway at the Cultus Lake Golf Club, the results of milfoil mass experiments done in conjunction with the DFO and aquatic stewards and the two phase economic environmental evaluation of Cultus Lake. Also, working with a consultant to manage the geese population at Cultus Lake.

<u>Director Adamson</u> reported a few meetings that were recently held on the topic of crime, as well as a public skating organized by the Sunshine Valley Ratepayers, and also noted that a Lego show fundraiser at Silver Creek School will be held this weekend.

<u>Director Stobbart</u> thanked the North Fraser Fire Department volunteers for attending to calls during the cold snap.

<u>Director Raymond</u> reported on his attendance at the Boston Bar Fire Department annual dinner which was well attended and Family Day at the Bowling Centre. He thanked BC Hydro crews for working in cold weather conditions to restore power to the community.

<u>Director Bales</u> reported on the cold snap, and noted she lost power and that there were calls made to emergency services. People in the area were without power or water, and it was a good reminder for people in the community, including seniors, to be better prepared. She thanked emergency services.

<u>Director Dickey</u> reported on the Popkum-Bridal Falls Ratepayers Association AGM meeting and the OCP process.

15. PUBLIC QUESTION PERIOD FOR ITEMS RELEVANT TO AGENDA

None

16. RESOLUTION TO CLOSE MEETING

Moved By RAYMOND Seconded By ADAMSON

THAT the meeting be closed to the public, except for Senior Staff and the Executive Assistant, for the purpose of receiving and adopting Closed Meeting minutes convened in accordance with Section 90 of the *Community Charter* and to consider matters pursuant to:

- Section 90(1)(k) of the Community Charter negotiations and related discussions respecting the proposed provision of a regional district service that are at their preliminary stages and that, in the view of the Committee, could reasonably be expected to harm the interests of the regional district if they were held in public; and
- Section 90(2)(b) of the Community Charter the consideration of information received and held in confidence relating to negotiations between the regional district and a provincial government or the federal government or both, or between the provincial government or the federal government or both and a third party.

CARRIED

The Open Meeting recessed at 3:26 p.m.

17. RECONVENE OPEN MEETING

The Open Meeting reconvened at 3:40 p.m.

18. RISE AND REPORT OUT OF CLOSED MEETING

None

19. ADJOURNMENT

Moved By RAYMOND Seconded By STOBBART

THAT the Electoral Area Services Committee Open Meeting of February 12, 2019 be adjourned.

CARRIED

The Electoral Area Services Committee Open Meeting adjourned at 3:40 p.m.
MINUTES CERTIFIED CORRECT:
Director Bill Dickey, Chair

AND THAT the Agenda, Addenda and Late Items for the Electoral Area Services Committee Open Meeting of December 11, 2018 be approved, as amended;

AND FURTHER THAT all delegations, reports, correspondence and other information set to the Agenda be received for information.

CARRIED

6. DELEGATIONS AND PRESENTATIONS

6.1 <u>Discussion on a Policy for Non-Farm Use Cannabis Production Facilities</u>

Margaret-Ann Thornton, Director of Planning and Development acknowledged Graham Daneluz, Deputy Director of Planning and Development for his work putting together the presentation.

Ms. Thornton reported currently there is an application in the agenda today for a non-farm use cannabis production in the Agriculture Land Reserve (ALR) and there a number of similar applications that staff are presently working on. As such, staff thought this would be an opportune time to meet with the EA Directors and have a general discussion on cannabis production in the ALR. Ms. Thornton reported firstly, she would like to provide an overview of the legislation and Agriculture Land Commission requirement for non-farm use and secondly, to get input from the Directors in terms of how this kind of applications should be processed. Ms. Thornton noted that a detailed report will be brought forward in the new year and a workshop will be conducted to gain input in terms of how we should be addressing retail sales as well as zoning.

The following points were noted in the presentation:

- Terminology: marihuana now known as 'cannabis'. Cannabis production facility (CPF) includes the growing, rearing, harvesting, storing, processing, testing, shipping, research and development - both recreational and medical;
- ALR Regulation changed July 13, 2018 now cannabis production in ALR is considered a farm use only if grown in soil, or structure with soil base or crop growing structure built or started before July 13, 2018 ('grandfathered');

- Cannabis production facilities (CPF) in new buildings will be Non-Farm Use in the ALR;
- Local government has broader authority to prohibit and regulate CPFs within ALR;
- Currently there are 3 Non-Farm Use applications 1) Farm Road Area
 F, 2) Seux Road Area F and 3) Dent Road Area B;
- Health Canada licensing requirements: security fencing, exterior lighting, cameras and security and ventilation;
- Is a policy needed? Currently decisions on Non-Farm Use applications are discretionary;
- Community concerns light spill, odour, aesthetics;
- Policy won't affect CPFs outside ALR;
- FVRD zoning allows medical marihuana grow operation in agricultural zones.

A poll was conducted on the following questions:

- Is a policy needed to guide Non-Farm use applications for CPFs in the ALR?
- Should the policy require a public information meeting, where the Board deems it appropriate?
- Should the policy address light spill to sky and/or neighbours?
- Should the policy require professional design of an odour control system for the building?
- Should the policy address setback distances from lot lines, residential zones, schools, parks and other CPFS?
- Should the policy support a covenant limiting the use of buildings to CPF and permitted Farm Uses?
- Should the policy require architectural design for screening and 'fit' with community?

Members raised questions and provided their feedback on the above questions. Ms. Thornton thanked members for their input.

6.1.1 Non-Farm Use Application for Cannabis Production - 58551 Dent Rd, Laidlaw, Electoral Area "B"

Moved By ADAMSON Seconded By BALES **THAT** the Fraser Valley Regional District Board forward the Non-Farm Use application for a cannabis production facility at 58551 Dent Road, Electoral Area "B" to the Agricultural Land Commission with support subject to an offer and commitment from the landowner to register a covenant in favour of FVRD regarding the use of the building, lighting, and odours as described in the Report dated 2018-12-11.

CARRIED

Directors Dixon, Davidson and Raymond Opposed

7. MINUTES/MATTERS ARISING

7.1 <u>Minutes of the Electoral Area Services Committee Meeting - October 11, 2018</u>

Moved By RAYMOND Seconded By DIXON

THAT the Minutes of the Electoral Area Services Committee Open Meeting of October 11, 2018 be adopted.

CARRIED

8. CORPORATE ADMINISTRATION

THAT the Fraser Valley Regional District Board delegate the holding of the Public Hearing with respect to the proposed *Fraser Valley Regional District Electoral Area D Zoning Amendment Bylaw No. 1502, 2018 to Director Dickey or, in his absence, the Alternate Director for Area D;*

THAT Director Dickey or his alternate preside over and chair the Public Hearing with respect to proposed *Fraser Valley Regional District Electoral Area D Zoning Amendment Bylaw No. 1502, 2018;*

AND THAT the Chair of the Public Hearing be authorized to establish procedural rules for the conduct of the Public Hearing with respect to proposed *Fraser Valley Regional District Electoral Area D Zoning Amendment Bylaw No. 1502, 2018* in accordance with the Local Government Act;

AND FURTHER THAT in the absence of both Director Dickey and his alternate at the time of the Public Hearing with respect to proposed *Fraser Valley Regional District Electoral Area D Zoning Amendment Bylaw No. 1502, 2018*, the Fraser Valley Regional District Board Chair is delegated the authority to designate who shall preside over and chair the Public Hearing regarding this matter;

AND FINALLY THAT the Fraser Valley Regional District Board authorize its signatories to execute all documents relating to *Fraser Valley Regional District Electoral Area D Zoning Amendment Bylaw No. 1502, 2018.*

CARRIED

11.3 Application for Development Variance Permit 2018-32 to reduce the flanking street setback to permit the addition to a mobile home at 10435 Rutley Road, Electoral Area "D"

Moved By STOBBART Seconded By ENGAR

THAT the Fraser Valley Regional District Board issue Development Variance Permit 2018-32 to reduce the flanking street setback from 25 feet (7.6 metres) to 7.9 feet (2.4 metres), to the foundation and 6.9 feet (2.1 metres) to the eave, to facilitate an addition to a mobile home at 10435 Rutley Road, Area "D", subject to consideration of any comments or concerns raised by the public.

AND THAT Development Variance Permit 2018-32 replace and supersede Development Variance Permit 2018-20 and Development Variance Permit 2017-12 and that both Development Variance Permits be cancelled and removed from title.

CARRIED

11.4 Application for Development Variance Permit 2018-33 to reduce the interior side lot line setback to permit the construction of a dairy barn at Catherwood Road, Electoral Area "G"

Moved By STOBBART Seconded By DAVIDSON

THAT the Fraser Valley Regional District Board issue Development Variance Permit 2018-33 for the property at 9518 Catherwood Road, Electoral Area "G", to reduce the interior side lot line setback from 30.0 metres (98.4 feet) to 9.0 metres (29.5 feet), measured clear to sky, to facilitate the construction of a cattle barn, subject to consideration of any comments or concerns raised by the public.

AND THAT Development Variance Permit 2018-33 replace and supersede Development Variance Permit 2018-25 and that Development Variance Permit 2018-25 be removed from title.

CARRIED

11.5 <u>Special Event – REVEL Race Chilliwack Marathon & Half Event, Chilliwack</u> River Valley, Electoral Area "E"

Moved By ENGAR Seconded By BALES

THAT the Fraser Valley Regional District Board approve the Class III Special Event Licence No. 2019-01 for the REVEL Race Series Chilliwack Marathon & Half Event to be held on August 17, 2019, subject to the receipt of all required documentation necessary to complete the application;

AND THAT the Fraser Valley Regional District Board waive the requirement for a security fee;

AND FURTHER THAT the Fraser Valley Regional District Board authorize its signatories to execute all legal instruments associated with the Special Event Licence No. 2018-01.

CARRIED

12. ELECTORAL AREA EMERGENCY SERVICES

No Items.

13. OTHER MATTERS

13.1 Grant Application to Northern Development Initiative Trust

Moved By RAYMOND Seconded By DIXON

THAT the Fraser Valley Regional District Board authorize an application to Northern Development Initiative Trust for a grant of up to \$15,000 (75%) and up to \$5,000 (25%) from the Electoral Area Services toward the cost of completing a Connectivity Infrastructure Strategy for improving internet and cell phone service in the Electoral Areas of the FVRD;

AND THAT the Fraser Valley Regional District Board authorize staff to engage Research ICT Solutions to assist in seeking the grant.

CARRIED

It was pointed out that several Electoral Area Directors have expressed the desire to see improvement in internet and cell phone coverage in their areas. It was also noted that in order to access the \$16 million *Connecting British Columbia Program* for capital contributions, the application must be supported by a "Connectivity Infrastructure Study". Concerns were raised regarding provincial downloading, and it was noted that this study would allow the FVRD to apply for funding towards the capital costs of infrastructure improvements.

Discussion ensued and it was noted that Area C should not be included until there has been public engagement, including community discussions around the possible health risks of 5G, with respect to expanded cell network coverage within Electoral Area C.

14. ADDENDA ITEMS/LATE ITEMS

14.1 <u>Canadian Infrastructure Program BC and Northern and Rural Committees</u> <u>Infrastructure</u>

Moved By RAYMOND Seconded By ADAMSON

THAT the Electoral Area Services Committee recommend that the FVRD Board authorize the grant application of up to \$1.6 million to the Investing in Canadian Infrastructure Program BC and Northern and Rural Committees Infrastructure to develop the Station House Project in Electoral Area A;

AND THAT staff be authorized to enter into an ownership and partnering agreement with the Boston Bar North bend Enhancement Society to manage and operate the Station House.

CARRIED

15. REPORTS BY STAFF

Mr. Gipps referred to the Municipal Regional District Tax (MRDT) matter that was discussed this morning at the Regional and Corporate Services Committee meeting. It was proposed that Electoral Area Directors for Areas A, B, D and E meet with AdvantageHOPE to discuss further on this topic prior to the forthcoming Board meeting.

16. REPORTS BY ELECTORAL AREA DIRECTORS

<u>Director Engar</u> reported on his meeting with the Residents Association and the ongoing homeless camp issue. He was pleased to see the grant application for Community Emergency Preparedness Fund to create and Evacuation Route Plan for Area E and H come forward.

<u>Director Bales</u> reported concerns regarding speed of response regarding a recent flood on private property in Area C, and noted concerns that assistance did not seem to be readily available.

<u>Director Raymond</u> reported on the opportunity to meet with the Premier and his Cabinet and that the Premier had signed off on the petition to save the Alexandria Bridge.

<u>Director Adamson</u> reported on the Yale First Nation and Spuzzum First Nation dinner, the Hope Recreation staff Christmas party and that the Yale Firehall will be out to collect toys for the children.

<u>Director Dixon</u> reported on the Columbia Valley Firehall 50th anniversary, the strategic planning meeting that took place in Area H, and Cultus Lake Christmas on Nov 30 and December 1st.

<u>Director Davidson</u> thanked fellow Directors and staff for their assistance.

<u>Director Dickey</u> reported on the gondola project and thanked staff again for the work on the Popkum-Bridal Falls OCP.

17. PUBLIC QUESTION PERIOD FOR ITEMS RELEVANT TO AGENDA

Fred Eves of 52721 Parkrose Wynd, referred to agenda item 11.2. Mr. Eves spoke to safety concerns with respect to access to and from Highway 9, noise factor, light spillage and form and character. He also expressed concerns with snow removal difficulty and

street lighting on the 'panhandle' street. He also noted that during construction highway access will be cut off and requested mitigation measures to reduce impact to Parkrose Wynd. He also enquired about the park dedication process. Staff reported that they will meet with Mr. Eves after the meeting to address his concerns.

Stuart Falebrenza of 52691 Parkrose Wynd spoke to agenda item 11.2. Mr. Falebrenza hoped that if the project goes forward that the developer will adopt 'Good Neighbour Practices' and have the neighbours involved in the process. He also reported that there is another possible development down the cul de sac and expressed concerns with traffic access and water pressure. Mr. Falebriza thanked Directors and staff for the work they do. Staff reported that after the meeting they will discuss further with Mr. Falebrenza regarding concerns expressed.

18. ADJOURNMENT

Moved By STOBBART Seconded By DIXON

THAT the Electoral Area Services Committee Open Meeting of December 11, 2018 be adjourned.

CARRIED

The Electoral Area Services Committee Open Meeting adjourned at 3:10 p.m.

MINUTES CERTIFIED CORRECT:

ROBB/FISCHER

THAT the Minutes of the Recreation, Culture and Airpark Services Commission Open Meeting of November 22, 2018 be adopted.

Carried

5.2 <u>Recreation, Culture and Airpark Services Commission Open Meeting - 01</u> 11 2019

ADAMSON/ADAMO

THAT the Minutes of the Recreation, Culture and Airpark Services Commission Open Meeting of Jan 11, 2019 be adopted

Carried

6. NEW BUSINESS

6.1 Recreation, Culture and Airpark Services Commission Roles and Responsibilities

Items were provided for information.

6.2 <u>Bylaw No. 1515 2019 Hope and District Recreation Fees and Other Charges</u> <u>Amendment</u>

ADAMSON/ROBB

THAT the revised Fraser Valley Regional District Hope and District Recreation Centre Fees and Other Charges Amendment Bylaw No. 1515, 2019 be forwarded to the Fraser Valley Regional District Board for three readings and adoption.

Carried

6.3 Improving Energy Efficiency at the Hope and Area Recreation Centre

Stacey Barker, Deputy Director of Regional Programs, provided a brief overview of the scope of work for improving the Energy Efficiency of the recreation centre. Discussion ensued regarding costs and concepts for possible future expansion.

It was noted that staff will report back to the RCAS Commission after a proposed site visit to a similar geothermal project completed in 100 Mile House.

6.4 <u>Dan Sharrers Aquatic Centre Lease Update</u>

Paul Gipps, CAO, provided a brief update on the one year extension of the Dan Sharrers Aquatic Centre lease.

6.5 Green Ice Surface

DAVIES/FISCHER

THAT the arena ice surface be painted green for the period of March 13-18, 2019 in recognition of St Patrick's Day activities taking place at the recreation centre.

Carried

6.6 <u>Dan Sharrers Aquatic Centre Maintenance Shutdown Period</u>

ADAMSON/DAVIES

THAT the annual Dan Sharrers Aquatic Centre maintenance shutdown period be scheduled from August 18 through September 8, 2019.

6.7 2019 Ice Installation Date

ROBB/ADAMSON

THAT the ice be prepared for use on August 12, 2019 to accommodate a youth hockey camp with Hockey Ministries International.

Carried

6.8 Ride to Conquer Cancer Facility Booking

DAVIES/ADAMO

THAT the Dan Sharrers Aquatic Centre, Conference Centre and Arena be closed to the public on Sunday, August 25, 2019 for the purpose of hosting the Ride to Conquer Cancer Finish Line event.

Carried

6.9 Area B Volunteer Appreciation Dinner Facility Use Request

Director Adamson declared a conflict as Director of Electoral B and left the meeting at 6:50 p.m.

ROBB/ADAMO

THAT the Recreation, Culture and Airpark Services Commission authorize a grant in the amount of \$179.50 to Area B, funded from the community facility use grant program, for the purposes of hosting a volunteer recognition dinner in the Conference Centre.

Carried

Director Adamson returned to the meeting at 6:52 p.m.

6.10 RiverMonsters Swim Meet Facility Use Request

ADAMSON/DAVIES

THAT the Recreation, Culture and Airpark Services Commission authorize a grant in the amount of \$2,756.00 to the RiverMonsters Swim Club, funded from the community facility use grant program, for the purposes of renting the Dan Sharrers Aquatic Centre pool and conference centre to host a two day swim meet on June 8 and 9, 2019;

AND THAT the Recreation, Culture and Airpark Services Commission support the District of Hope special event application for the use of the 6th Avenue Park field to enable overnight camping for the swim meet.

Carried

6.11 Friends of Hope Library Facility Use Request

ROBB/ADAMO

THAT the Recreation, Culture and Airpark Services Commission authorize a grant in the amount of \$129.50 to the Friends of Hope Library, funded from the community facility use grant program, for the purposes of hosting a fundraiser in the Conference Centre.

Carried

6.12 Hope and District Skating Club Ice Show Facility Use Request

ADAMSON/FISCHER

THAT the Recreation, Culture and Airpark Services Commission authorize a grant in the amount of \$444.00 to the Hope and District Skating Club, funded from the community facility use grant program, for the purposes of hosting the annual ice show scheduled for March 9, 2019.

Carried

7. STAFF AND STANDING REPORTS

7.1 Winter and Spring Program Guide

The winter and spring program guide was distributed for information.

8. RESOLUTION TO CLOSE MEETING

ADAMSON/DAVIES

THAT the meeting be closed to the public, except for Senior Staff, for the purpose of receiving and adopting Closed Meeting Minutes convened in accordance to Section 90 of the *Community Charter* and to consider matters pursuant to:

• Section 90(1)(c) of the Community Charter - labour relations or other employee relations;

Carried

The Open meeting was recessed at 6:58 p.m.

9. RECONVENE OPEN MEETING

The Open meeting reconvened at 7:03 p.m.

10.	REPORTS BY COMMISSION MEMBERS	
	None.	
11.	RISE AND REPORT OUT OF CLOSED MEETING	
	ADAMSON/DAVIES THAT the vacant full time Head Lifeguard position be filled.

CORPORATE REPORT

To: CAO for the Electoral Area Services Committee Date: 2019-02-12

From: Louise Hinton, Bylaw Compliance and Enforcement Officer File No: B05584.000

Subject: Building Bylaw, and BC Building Code Contraventions at 31260 Mary Street, Electoral Area B, legally described as Lot 1 Section 14 Township 7 Range 26 West of the 6th Meridian Yale Division Yale District Plan KAP45931. Parcel Identifier: 017-499-020.

RECOMMENDATION

THAT the Fraser Valley Regional District Board direct staff to file a Notice in the Land Title Office in accordance with Section 57 of the *Community Charter* due to the contraventions of the *Fraser Valley Regional District Building Bylaw No.* 1188, 2013 and the BC Building Code, at 31260 Mary Street, Electoral Area B, Fraser Valley Regional District, British Columbia (legally described as Lot 1 Section 14 Township 7 Range 26 West of the 6th Meridian Yale Division Yale District Plan KAP45931). Parcel Identifier: 017-499-020.

STRATEGIC AREA(S) OF FOCUS

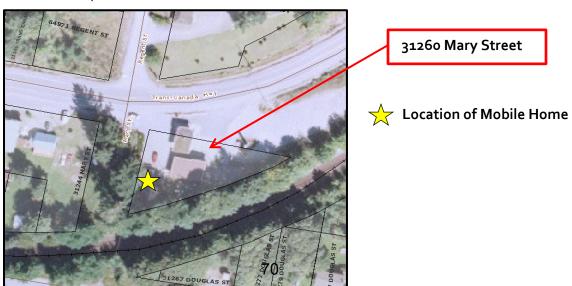

Support Healthy & Sustainable Community Provide Responsive & Effective Public Services

BACKGROUND

Sept 15, 2017

Building Inspector conducts site inspection and confirmed there is an unpermitted renovation on the attached patio structure to the mobile home underway. The Inspector gives the owner two options for compliance: (1) reduce the size of the renovation to be exempted from a building permit; or (2) make a building permit application for the construction works. Stop Work and No Occupancy Orders are posted to structure.

1

Oct. 16, 2017	Bylaw Enforcement letter mailed to property owner, deadline for response to FVRD is Nov. 16, 2017.
Dec. 6, 2017	Bylaw Officers conduct follow-up site inspection - no change.
Dec 14, 2017	Bylaw Officer phone call with owner, explained compliance options.
Dec 15, 2017	Follow-up email sent re-outlined compliance options.
Jan 3, 2018	Bylaw Officer attempts to contact owner by telephone, no response.
Jan 4, 2018	Second Bylaw letter mailed to owner, deadline for response to FVRD is February 5, 2018.
Jan 15, 2018	Building Permit <u>Application Form only</u> received – no fee, plans or drawings.
Jan 16, 2017	Building Department spoke with owner - explained the need for construction drawings and site plan to be able to accept q preliminary Permit Application.
January 17, 2018	Building Permit Application form (BPA014211) and application fee submitted to FVRD —no site plan or construction drawings — applicant promised to submit to FVRD as soon as possible.
Feb 22, 2018	Site Plan for property is received by FVRD Building Department.
March 7, 2018	Building Department mailed letter to owner listing outstanding required items to complete Building Permit Application. Construction drawings are still outstanding.
March 14, 2018	Building Inspector completes follow-up site inspection - construction has continued. The construction work is almost completed despite the posted Stop Work and No Occupancy Orders and the incomplete Building Permit Application.
March 15, 2018	Building Inspector discusses file details with property owner by telephone. Inspector informs owner of the following: (1) he will receive bylaw fines for continued works without a permit in violation of posted orders; (2) the structure will now require engineering to certify unpermitted works; and (3) he still needs to submit construction drawings for permit application.
March 28, 2018	Third Bylaw letter is mailed to the owner; with two bylaw tickets attached (No. 28605 & No. 28606) for disobeying stop work & no occupancy orders and working without an issued Building Permit. New deadline for owner to submit construction drawings to FVRD is <u>April 19, 2018</u> .
July 4, 2018	Building Inspector completes follow-up site inspection – no change. Bylaw Officer confirms previous bylaw tickets have not been disputed or paid.

71 2

Building Department confirms there has been no movement on the building permit application.

July 6, 2018 Fourth Bylaw letter to owner, with a ticket (No. 28620) attached for building without a permit.

Aug 21, 2018 Owners came into FVRD to make a <u>new Building Permit Application for a large renovation to main gas station structure (BPA014448)</u>. Bylaw Officer discusses the following relevant to the outstanding Bylaw file: (1) outstanding construction drawings for the enclosed covered patio renovation to the mobile home, and (2) the substantial overdue bylaw ticket fines.

Oct 30, 2018

Bylaw Officer does follow-up site inspection – there is no change.

Bylaw Officer confirms previous three tickets have not been disputed or paid.

Building Department confirms there has been no movement on the outstanding Building Permit Application.

Building Inspector sends follow-up email to owner outlining receipt of new

Building Permit and outstanding bylaw enforcement file.

INSPECTION PHOTOS OF SUBJECT PROPERTY:

September 15, 2017

Construction works without a building permit are first discovered by Building Inspector for the renovation works to the attached patio structure on the mobile home.

March 14, 2018
Construction works are discovered to be continuing despite posted orders and no issued building permit.

<u>July 4, 2018 / October 30, 2018</u>

Construction continued and found to be almost fully completed — no permit issued

DISCUSSION

Section 57 of the Community Charter allows a Building Inspector to recommend a resolution to place a Notice on the Title of a property if a contravention of a bylaw or another enactment that related to the construction or safety of a building is observed. A Notice on Title serves as notice to anyone searching the title that the property may be in breach of local government bylaws or other enactments; provide disclosure to future owners; and protects against potential claims with regard to the contraventions.

Staff would like you to consider the following information:

73

Building Bylaw

Staff is authorized to regulate minimum construction standards within electoral areas via the *Fraser Valley Regional District Building Bylaw No.* 1188, 2013 (Building Bylaw) for health, safety and the protection of persons and property. The bylaw provides that no person shall commence any construction, alternation, reconstruction, demolition, removal, relocation or change the occupancy of any building.

The construction works to build the attached covered patio structure on the mobile home were initially discovered in September of 2017 during the demolition stage of construction. The owner was given an option to either reduce the size of the construction, so that it qualified for a building permit exemption or to submit a Building Permit Application for the works.

A Building Permit Application was made for the construction works on the attached covered patio structure in January of 2018. The unpermitted construction works continued and is now considered substantially complete. The Building Permit Application remains incomplete due to inactivity and has therefore has never been issued.

A Building Permit is required for the construction works undertaken by the property owner.

COST

Land Titles Office filing fee of approximately \$55.

The owner will be required to pay a removal fee of \$500 in accordance with the *Fraser Valley Regional Building Bylaw 1188*, 2013, after the unauthorized construction works on the attached covered patio structure to the mobile home is either:

- 1. Demolished with a Building Permit issued by the FVRD, with a successful final inspection; or
- 2. A fully completed Building Permit for the construction works to the covered attached patio structure on the mobile home is issued by the FVRD and receives a successful final inspection.

CONCLUSION

It is the opinion of the Bylaw Compliance and Enforcement Officer/Appointed Building Inspector that the construction works on the covered attached patio structure without a Building Permit violates the Regional District Building Bylaw, and the *British Columbia Building Code*. Staff further notes that full compliance will only be achieved with the successful completion of a Building Permit for the construction of the covered attached patio structure or a Building Permit for demolition of the covered attached patio structure.

Regrettably, but in the interest of full public disclosure and as incentive to achieving voluntary compliance, I, as an Appointed Building Inspector, believe that the filing of Notice is appropriate in this instance and submit the above recommendation in accordance with Section 57 of the *Community Charter*.

5

Electoral Area Services Committee (EASC) approval and Regional District Board resolution is required to assess Section 57 notices.

The process of filing a Section 57 notice on property title is conducted in accordance with the *Community Charter* and the *Local Government Act*.

Regional District requirements for Building Permit works are being administered in accordance with related Fraser Valley Regional District Building Bylaw, Policies, and the *BC Building Code*.

Dear Mr. Dhanjal and Mr. Gill:

Re: SHOW CAUSE HEARING SCHEDULED - Section 57 Notice on Tile

Contraventions of Building Bylaw No. 1188, 2013 - Construction without a Building without a

Permit – 31260 Mary Street Yale BC

Further to our previous correspondence dated July 6, 2018 that was sent to you on the same day, please be advised you are hereby notified that your opportunity to be heard by the <u>Regional District Electoral Area Services Committee</u> is scheduled. The meeting is to show cause why the Regional District Board of Directors should not direct staff to file a Notice against the title of your property at 31260 Mary Street in relation to the outstanding contraventions of the *Fraser Valley Regional District Building Bylaw No. 1133, 2018*" and *BC Building Code* pursuant to Section 57 of the *Community Charter*.

The **show cause** hearing is scheduled for **February 12, 2019 at 1:30pm**, in the Boardroom on the fourth floor of the Regional District Office at 45950 Cheam Avenue, Chilliwack, British Columbia.

The Electoral Area Services Committee will consider registration of the Section 57 Notice on the title of your property at 31260 Mary Street whether <u>or not you are in attendance</u>. For your convenience, I have attached relevant extracts from the *Community Charter* and a copy of the staff report which will be considered by the Committee.

If you require further information or clarification on this matter please contact the Louise Hinton, with our Bylaw Enforcement Department at 604-702-5015 or lhinton@fvrd.ca in advance of this meeting.

Sincerely,

Paul Gipps Chief Administrative Officer

Dear Mr. Gill:

RE: CONTRAVENTION OF THE BUILDING BYLAW No. 1188, 2013 - CONSTRUCTION WITHOUT PERMIT

Further to our prior letter March 28, 2018; and our most recent site inspection of July 4, 2018 it has been brought to our attention that the attached unauthorized construction works to the covered patio on your property located at 31260 Mary Street (the "property") continues to remain on the property without the benefit of obtaining an issued building permit, despite our previous requests for compliance. (see enclosed photos).

During the initial site inspection of September 15, 2017, Regional District Building Inspection Staff posted Stop Work and No Occupancy Notices on your property because the attached covered patio didn't have an approved building permit as is required and detailed below in section section 6.1 of the Fraser Valley Regional District's Building Bylaw No. 1188, 2013.

Section 6 Prohibition

No person shall commence or continue any construction, alteration, reconstruction, demolition, removal, relocation or change the occupancy of any building or structure, including excavation or other work related to construction until a building official has issued a valid and subsisting permit for the work

B05584.000 Page 2 of 2

Our records indicated that you submitted a building permit application form to our office on January 17, 2018. Since that time you have failed to submit the required document to complete the permit application. Our Building Department cannot issue a Building Permit for the attached covered patio works on your property until the remaining outstanding item is submitted. For your convenience, I have enclosed a copy of the March 7, 2018 correspondence from the FVRD Building Department that outlines the outstanding item remaining to complete you Building Permit application.

In consideration of the above please find attached an additional Bylaw Offence Notice Ticket (No. 28620) in the amount of \$500 for the offence of building without a permit.

The Regional District wishes to work with you to enable you to bring your property into compliance with the *BC Building Code* and Regional District bylaws. However if there continues to be works of any kind on the property without an issued building permit you may be subject to continued enforcement measures which may include additional fines of \$500 per occurrence in accordance with the *Fraser Valley Regional District Bylaw Notice Enforcement Bylaw No. 1415, 2017* and or other means of enforcement action on behalf of the Regional District.

We want to convey that we believe your property in its current condition creates a safety concern for yourself, your neighbours and or visiting resident to your property. We encourage you to read the Occupiers Liability Act, regarding property safety and negligence, available online at: http://www.bclaws.ca/EPLibraries/bclaws_new/document/ID/freeside/00_96337_01

We look forward to your anticipated cooperation in the resolution of this matter. If you have any questions or wish to discuss this matter further, you may contact me by calling toll-free at 1-800-528-0061, directly at 604-702-5015 or by email at lhinton@fvrd.ca. Our office hours are Monday through Friday from 8:30am to 4:30pm.

Respectfully,

Thank you for submitting a building permit application on Jan 17, 2018 for the project referenced above. Building permits benefit you and your neighbours in many ways. They ensure buildings are safe for you, your family and visitors. They support higher market value for your property by increasing buyer confidence. They reduce your insurance costs because insurers know the building meets the BC Building Code, and building permits reduce lifecycle repair and maintenance costs by ensuring the building is efficient and well-built. Not only do building permits provide value to you, they also benefit your neighbours by enhancing the overall safety and quality of your neighbourhood.

Professional builders know the process inside and out, however, most people only experience building permitting a few times in their lives, so it can be challenging. We carefully reviewed your application and have prepared the checklist below to guide you. Whether you are a pro or a first-timer, this checklist will help you get your building permit quickly and efficiently.

BUILDING REQUIREMENTS

	and the control of th	
1.	<u>Construction Drawings</u> - Please provide three complete sets of construction drawings. Construction drawings are scaled drawings which provide sufficient information to show that the proposed work and proposed occupancy will conform to the <i>BC Building Code</i> , FVRD Bylaws, other relevant legislation or regulations. Drawings must show joists, beams, rafters, and supports to ensure Building Code compliance. Deck and porch must be independently supported from Mobile Home.	
BY 2.	LAW ENFORCEMENT REQUIREMENTS Open / Active Bylaw Enforcement File No. <#> - B055584.000	

Once you have submitted all of the items identified in the checklist above, we will review your building plans and move on to the next steps of the permitting process. This may require additional information or clarification. Our goal is to issue your permit within three weeks of receiving a complete application. If you provide complete and timely information we can often do it more quickly.

We know that the building permit process can be difficult and costly. The FVRD will help you through the process quickly and smoothly. Please contact me at 604-702-5020 or toll free 1-800-528-0061 if you need more information or clarification of any of the items in this checklist.

Yours truly,

MANUFACTURED HOME REG. #65751.

Dear Mr. Gill:

RE: CONTRAVENTION OF THE BUILDING BYLAW No. 1188, 2013 - CONSTRUCTION WITHOUT PERMIT

Further to our prior letter dated January 4, 2018; our most recent site inspection of March 14, 2018 it has come to our attention that there has been continued construction work on the attached covered patio on your property at 31260 Mary Street (the "property") without the benefit of obtaining a building permit (see enclosed photos).

Page 2 of 3

During the initial site inspection of September 15, 2017, Regional District Building Inspection Staff posted Stop Work and No Occupancy Notices on your property because the attached covered patio didn't have an approved building permit as is required and detailed below in section section 6.1 of the Fraser Valley Regional District's Building Bylaw No. 1188, 2013.

Section 6 Prohibition

No person shall commence or continue any construction, alteration, reconstruction, demolition, removal, relocation or change the occupancy of any building or structure, including excavation or other work related to construction until a building official has issued a valid and subsisting permit for the work

We appreciate that you took steps in an attempt to rectify the outstanding issues by making an application for a building permit for your attached covered patio structure (BP014211), however the building permit has not been issued as you have yet to submit the required outstanding items to complete the building permit application. In addition, it was discovered during the most recent site inspection of March 14, 2018 that construction works had continued on the covered patio, despite the Stop Work and No Occupancy Notices that were previously posted on the structure.

In consideration of the above please find attached two Bylaw Enforcement Offence Tickets (No. 28606, and No. 28606) for disobeying a stop work notice and for disobeying a no occupancy notice, both tickets totaling the amount of \$1000.

Please ensure that the outstanding item for the Building Permit application for the covered patio structure (BP014211) is submitted to the Regional District's Building Department no later than **April 19, 2018.** The completed application should include:

Detailed construction drawings for the structure;

The Regional District wishes to work with you to enable you to bring your property into compliance with the *BC Building Code* and Regional District bylaws. However, if you have not submitted the construction drawings for your building permit application by the above stated deadline of <u>April 29</u>, <u>2018</u> you may be subject to additional fines of \$500 per occurrence and or other means of enforcement action on behalf of the Regional District in accordance with the *Fraser Valley Regional District Bylaw Notice Enforcement Bylaw No. 1415, 2017.*

We want to convey that we believe your property in its current condition creates a safety concern for yourself, your neighbours and or visiting resident to your property. We encourage you to read the Occupiers Liability Act, regarding property safety and negligence, available online at: http://www.bclaws.ca/EPLibraries/bclaws_new/document/ID/freeside/00_96337_01

We look forward to your anticipated cooperation in the quick resolution of this matter, so please contact me by calling toll-free at 1-800-528-0061, directly at 604-702-5015 or by email at lhinton@fvrd.ca so that we may discuss your compliance options further. Our office hours are Monday through Friday from 8:30am to 4:30pm.

Respectfully,

Louise Hinton

PRIORITIES

Priority #3 Flood Protection & Management

BACKGROUND

Nov 8, 2007	Bylaw Complaint received by FVRD that a cottage, two new decks, and structural roof alterations have been built and fully completed within the last few years without a Building Permit. Complaint also indicates a fish bearing stream has been filled in.
Nov 9, 2007	Bylaw Officer completes site inspection – renovation in progress, two large decks are being added to dwelling, one on the front and one in the rear. Cabin at rear of property may not have had a permit.
Nov 13, 2007	One of the owners submits a Building Permit Application for the two attached decks (BP07230). Advises of specific engineer that he will use for the project.
Nov 14, 2007	Building Inspector completes site inspection. Stop Work and No Occupancy notices are posted on the site for the attached covered deck additions, and

covered front entrance to the single family dwelling.

Dec 14, 2007 Bylaw Letter to Owner that BPo7230 has been refused because of erosion hazards from the Chilliwack River on the property. Jan 8, 2008 Bylaw Officer spoke with Engineer on telephone – the following was discussed (1) Engineer wanted explanation as to why permit was being refused. (2) Officer explained that erosion setback from the Chilliwack River were unable to be met. Engineer states he will explain to the owner. Oct 21, 2011 One of the owners made a counter inquiry re: Bed and Breakfast within a dwelling. Planner & Bylaw Officer discussed open bylaw file with owner. Counter inquiry made by potential purchaser of property who explains to Dec 12, 2011 Planning & Bylaw staff that cabin was built within the last 7-10 years. Follow-up emails to the listing real estate agent advising her of outstanding Dec 14-17, 2012 bylaw enforcement file for construction without a permit. Second potential purchaser confirms to the bylaw officer that the accessory April 12, 2013 cabin structure was built within last 7-10 years and should have had a Building Permit for it. Bylaw Department receives zoning/land use complaint that the whole house May 22, 2013 is being rented out without the owner living on site. Rentals are for short terms (weekly, daily, monthly basis), and advertises as Riverfront Sanctuary B&B. All types of large events are held on this site – weddings etc. Bylaw Officer confirms advertising that lists the house as having a separate entrance, its own kitchen and living room, can be rented as two separate suites or as a whole plus the separate accessory cabin being rented out on its own or together with main house for large groups. May 28, 2013 Meeting with Owner and Agent - (1) Owner claims cabin is grandfathered evidence must be provided by the owner to the FVRD; (2) States home is B&B only and he lives there; and (3) Building Department to undertake site inspection to asses volume of unauthorized construction and renovations. The owner does not follow-up with FVRD to schedule a site inspection. Bylaw Officer receives a second complaint of unpermitted land use – July 11, 2013 property being rented out as a whole with owner not residing on site. Property hosting events with 50-100 people. States there is insufficient parking, noise issues, camping on property. Concerns regarding the ability of the 40 year old septic system (with 2 legal and 3 illegal bathrooms) being able to handle volume of people. The events are happening every day of the year when there is nice weather. July 11, 2013 Bylaw Officer receives a separate complaint of extensive major structural renovations to the dwelling (three new roof extensions, demolition, two

new balconies, new enlarged window openings, larger glass sliding door. An addition of a new bathroom, and renovated larger kitchen on the main floor increasing space by 300 square feet, new basement suite including kitchen, bathroom and a new bedroom. Complaint also of house being rented out all year round to very large groups under the name of Riverfront Sanctuary.

July 22, 2013

Bylaw Officer contacts Fraser Health Inspector regarding septic – who stated (1) they had received a complaint about an illegal cabin built on the property in 2010; (2) no record of a sewage system for the cabin; and (3) 1998 an addition to the home for 350 square feet (previous owner).

Sept. 5 2013

Call from a complainant – last week a noisy stag party occurred with 20+ guests with twelve vehicles.

May 22, 2014

Meeting with owner and agent: (1) owner claims cabin is grandfathered – evidence must be provided by the owners to the FVRD; (2) owner states home is B&B only; and (3) Building Department to undertake a site inspection to assess the volume of unauthorized renovations. The owner does not follow-up with the FVRD to schedule a site inspection.

Oct 2, 2014

Owners agent contacts FVRD and requests the possibility of a temporary use permit for additional resident uses, like an RV for caretaker etc. Until the property is brought into compliance, their request is not supported by FVRD staff citing the outstanding bylaw enforcement concerns and the continued complaints received by FVRD staff.

June 10, 2015

File Review completed.

March 31, 2017

Complainant came into FVRD to provide further information about the non-permitted vacation rental on property.

April 3, 2018

Contact from complainant regarding continued unpermitted land uses. Bylaw conducts file review (4/5 bedroom house with attached garage, detached accessory cabin on property). Online advertising documents house and cabin still being rented out for short term rentals. 2007 inspection photos also appear to show structural works and roof alterations at dwelling entrance. No Building Permit's on file since 1998 (addition to dwelling); and that permit expired without a final inspection.

April 16, 2018

New title Search pulled – ownership since 2003 remains the same.

April 19, 2018

Bylaw letter to owners requesting access for site inspection. Deadline for the owner to respond to FVRD is May 22, 2018.

May 3, 2018

Building Inspector and Bylaw Officer attend the property for a site inspection with owner. The following was identified on site during the

inspection: A large log home with attached garage is on the property – 3000+ square feet with 3 kitchens 4 bedrooms and 4.5 bathrooms, including a secondary suite. Extensive structural alterations appear to be completed to the original 1970's dwelling. (2) A 650 square foot separate 1 bedroom cabin with bath and full kitchen. (3) A Park Model Trailer has been placed at the front of the property on a gravel pad with full hook-ups.

May 15, 2018 Bylaw cease and desist letter sent to the owner.

By law letters sent to the listing realtor – notification of outstanding by law

infractions.

June 11, 2018 Joint meeting (Planning, Building, and Bylaw staff) with owner and his

builder/contractor – The following was discussed: (1) extensive bylaw file history; and (2) options, limitations and requirements of Building Permits;

and (3) non-permitted land uses.

Aug 27, 2018 Bylaw letter mailed to owner with two bylaw tickets (28630 & 28631)

attached for building without a permit and for non-permitted land use.

Sept 7, 2018 Payment received in full for both bylaw offence tickets.

Sept 28, 2018 Building Permit application is submitted to FVRD for bylaw compliance –

(removal of stove, wiring and venting from two illegal suites). Building Inspector spoke with builder on the telephone and explained that the permit application submitted was incomplete and required structural engineering

to address all the unauthorized construction that was done without permits.

Nov 11, 2018 Building Inspector sent a follow-up email to the owners builder/contractor

that outlined the following: (1) the permit application submitted was insufficient; (2) FVRD requires proof that the cabin existed prior to FVRD zoning or a Building Permit to convert the use back to storage; and (3) permits are required for construction to the dwelling, including additions

decks, and interior renovations.

Property Images and Inspection Photos

September 24, 2000 – Inspection Photo

DISCUSSION

Section 57 of the *Community Charter* allows a Building Inspector to recommend a resolution to place a Notice on the Title of a property if a contravention of a bylaw or another enactment that related to the construction or safety of a building is observed. A Notice on Title serves as notice to anyone searching the title that the property may be in breach of local government bylaws or other enactments; provide disclosure to future owners; and protects against potential claims with regard to the contraventions.

Staff requests that the Electoral Services Committee consider the following information:

Building Bylaw

Staff is authorized to regulate minimum construction standards within Electoral Areas via the *Fraser Valley Regional District Building Bylaw No.* 1188, 2013 (Building Bylaw) for health, safety and the protection of persons and property. The bylaw provides that no person shall commence any construction, alternation, reconstruction, demolition, removal, relocation or change the occupancy of any building.

The extensive interior renovation and structural alteration works to the single family dwelling and garage, the detached accessory structure (cabin), and the placement of the park model trailer on the property were all done without the required Building Permits.

The interior renovations and structural alterations to the dwelling house include the construction of an elevated new entrance way at the front of the house, roof line alterations at front and rear, two attached covered decks, the construction of a secondary suite in the lower floor of the dwelling, two additional kitchens, and several additional bathrooms.

There are only 3 building permits on record for this property since the initial construction of the 1970 era dwelling house – however all the permits on file have either expired or were denied.

- > 1977 permit (BP004486) Expired: FVRD records indicate that this is the attached garage, but are unable to verify very little about this non-completed permit due to the lapse in time.
- > 1988 Permit (BP000465 Addition to Dwelling) Expired
- 2007 Permit (BP011500 Two attached decks) Denied The current owner applied for a Building Permit for the two attached decks that were being constructed without permits the permit was denied due to the erosion hazard from the Chilliwack River.

There are no permits for the structural works to the entrance way, roof line, additional bathrooms, kitchens or any other works to the dwelling.

The detached cabin structure was initially used for accessory storage use. It was discovered in 2007 that the detached cabin had been converted into a residential structure and was being used for residential purposes. Any structure that has a change of use from its initial intended use is required to obtain a Building Permit to authorize the new use in order to comply with *Bylaw* and *BC Building Code* Regulations. The initial use of the detached cabin building was for storage use only, so a permit is required to change the use back to a storage use as a second residential use is not permitted on the property.

The Placement of the Park Model Mobile home also requires a Building Permit.

Achievement the Building Permit requirements on the subject property will likely be challenging due to the location in proximity to the Chilliwack River and the high risk of erosion.

Multiple Building Permits are required for the works undertaken by the property owner; or multiple demolition Building Permits are required to remove all construction completed without permits.

Zoning Bylaw

This property is in Electoral Area E, and is zoned *Country Residential* (CR) under the *Zoning Bylaw No. 66, 1979 of the Regional District of Fraser-Cheam* (Bylaw 66). The primary purpose of this zone is to identify land which by reason of adequate drainage, sufficient supply of potable water, adequate sewage disposal system, assurance from flooding or erosion and soil instability, and is best suited for rural living.

The subject property has a single family dwelling with a non-permitted secondary suite on the lower floor, a detached cabin structure, and a Park Model Trailer that are all being used for residential purposes. Only one residential use is permitted and the secondary suite use is not an authorized use in the CR Zone.

The single family dwelling and the detached cabin structures continue to be used to operate a short term tourist accommodation use on the property. A tourist accommodation use is not listed as a permitted use in the CR Zone.

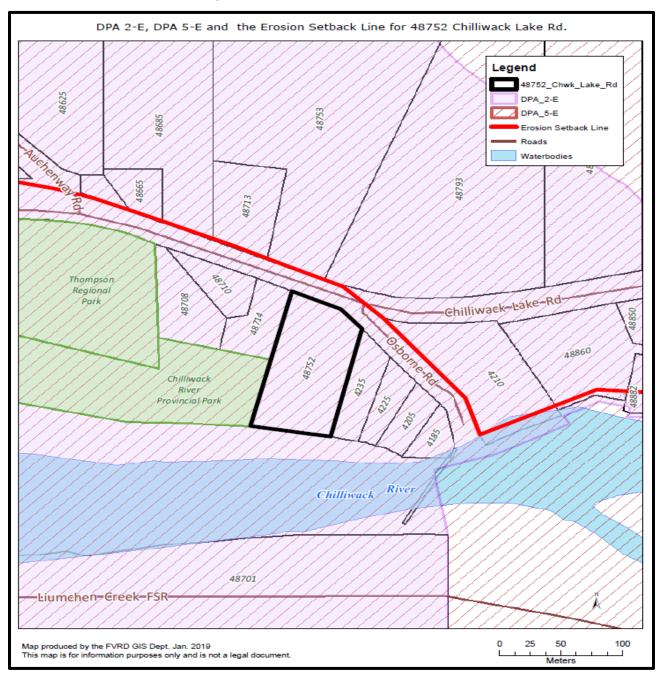

A successful re-zoning of the property would be required to authorize the unpermitted tourist Accommodation Use. A secondary residential use of the detached cabin on the property will not be permitted unless the property owner can provide documentation to prove that the cabin was constructed on the property for residential purposes prior to the adoption of Zoning Bylaw No. 66 in 1979.

Official Community Plan

- 1. The subject property is within the Chilliwack River Development Permit Area 2-E (DPA 2-E) under the Fraser Valley Regional District Official Community Plan for Electoral Area E Bylaw No. 1115, 2011 (Bylaw 1115). This Development Permit area is designated for the protection of the natural environment and protection of development from hazardous conditions such as flooding and erosion associated with the Chilliwack River. A Development Permit must be obtained prior to alteration of land or construction of, addition to, or alteration of a building or structure.
- 2. The subject property is within the *Riparian Areas Development Permit Area 5-E* (DPA 5-E) under the *Fraser Valley Regional District Official Community Plan for Electoral Area E Bylaw No. 1115, 2011* (Bylaw 1115). This Development Permit area is designated for the protection of the natural environment, its ecosystems and biological diversity. A Development Permit must be obtained prior to alteration of land or construction of, addition to, or alteration of a building or structure.
- 3. The subject property is located within the erosion set back line under the Fraser Valley Regional District Official Community Plan for Electoral Area E Bylaw No. 1115, 2011 (Bylaw 1115). Properties within the erosion set back line areas have significant hazardous risks to the safety of people and property due to the high likelihood of erosion during a single major event.

A Development Permit must be obtained prior to the alteration of land the disturbance of soil or vegetation; or construction of or addition to a building or structure within a Development Permit or riparian assessment area. To date there has been no completed application for a Development Permit for any of the construction or land alteration works that have occurred on the subject property.

A completed Development Permit is required for the construction and land alterations works that have taken place on the property.

DPA 2-E) DEVELOPMENT PERMIT AREA MAP

COST

Land Titles Office filing fee of approximately \$55.

The owner will be required to pay a removal fee of \$500 in accordance with the *Fraser Valley Regional Building Bylaw 1188, 2013,* after the unpermitted construction works to the single family dwelling and the detached cabin structure are either:

- Demolished with Building Permits issued by the FVRD with successful final inspections;
- 2. Multiple fully completed Building Permits for the extensive renovation works to the existing single family dwelling structure, and the detached cabin, and the placement of the park model trailer are issued by the FVRD and all receive successful final inspections. The applications require successful rezoning of the property and the application and issuance of a Development Permit for the alteration of land and construction works.

CONCLUSION

It is the opinion of the Bylaw Compliance and Enforcement Officer/Appointed Building Inspector that the extensive unauthorized renovation works to the Single Family Dwelling, the detached cabin, and the placement of the Park Model trailer, that were done without Building Permits and the construction and land alteration works that were done without a Development Permit violate multiple *Regional District Bylaws*, and the *British Columbia Building Code*. Staff further notes that full compliance will only be achieved with the successful completion of multiple fully completed Building Permits , successful rezoning of the property to permit the existing residential and tourist accommodation and the issuance of a Development Permit.

Regrettably, but in the interest of full public disclosure and as incentive to achieving voluntary compliance, I, as an Appointed Building Inspector, believe that the filing of Notice is appropriate in this instance and submit the above recommendation in accordance with Section 57 of the *Community Charter*.

Electoral Area Services Committee (EASC) approval and Regional District Board resolution is required to assess Section 57 notices.

The process of filing a Section 57 notice on property title is conducted in accordance with the *Community Charter* and the *Local Government Act*.

Regional District requirements for Building Permit works are being administered in accordance with related *Fraser Valley Regional District Bylaws*, Policies, and the *BC Building Code*.

COMMENTS BY:

Margaret Thornton, Director of Planning & Development

The ongoing review of all outstanding Bylaw Enforcement files identified this property as containing structures that are not authorized under the Zoning Bylaw and require Building Permits and a Development Permit for life safety. Reviewed and Supported.

Mike Veenbaas, Director of Financial Services: No further financial comments.

Paul Gipps, Chief Administrative Officer:

PLAN 34285

Dear Mr. Tabi and Mr. Tabi

Re: SHOW CAUSE HEARING SCHEDULED – Section 57 Notice on Tile
Contraventions of Building Bylaw No. 1188, 2013 - Construction without a Building Permit –
48752 Chilliwack Lake Road, Chilliwack BC (PID: 006-990-291)

Further to our previous correspondence dated August 27, 2018 that was sent to you on the same day, please be advised you are hereby notified that your opportunity to be heard by the <u>Regional District Electoral Area Services Committee</u> is scheduled. The meeting is to show cause why the Regional District Board of Directors should not direct staff to file a Notice against the title of your property at 48752 Chilliwack Lake Road in relation to the outstanding contraventions of the *Fraser Valley Regional District Building Bylaw No. 1133, 2018*" and other enactments pursuant to Section 57 of the *Community Charter*.

The **show cause** hearing is scheduled for **February 12, 2019 at 1:30pm**, in the Boardroom on the fourth floor of the Regional District Office at 45950 Cheam Avenue, Chilliwack, British Columbia.

The Electoral Area Services Committee will consider registration of the Section 57 Notice on the title of your property at 48752 Chilliwack Lake Road whether or not you are in attendance. For your convenience, I have attached relevant extracts from the *Community Charter* and a copy of the staff report which will be considered by the Committee.

If you require further information or clarification on this matter please contact the Louise Hinton, with our Eylaw Enforcement Department at 604-702-5015 or lhinton@fvrd.ca in advance of this meeting.

Sincerely,

Digitally signed by Paul
Gipps

Dear Sir:

RE: CONTRAVENTION OF THE BUILDING BYLAW No. 1188, 2013 – CONSTRUCTION WITHOUT PERMIT at 48752 Chilliwack Lake Road, Electoral Area E

Further to our previous letters dated October 16, 2017, March 7, 2018 and May 15, 2018; the Regional District has confirmed extensive structural alteration works to the cabin, the partially detached garage and the single family dwelling, all without obtaining building permits despite our repeated attempts for compliance.

The Regional District wishes to work with you to enable you to bring your property into compliance with the *BC Building Code* and Regional District bylaws. Please submit building permit applications along with detailed site plans and construction drawings for the cabin, partially detached garage and the single family dwelling to the Regional District Building Department no later than **September 30**, **2018** to avoid additional fines of \$500 per occurrence and/or other means of enforcement action on behalf of the Regional District in accordance with the *Fraser Valley Regional District Bylaw Notice Enforcement Bylaw No. 1415, 2017*.

In addition, the use of the property for tourist accommodation is not permitted under the existing Country Residential (CR) Zoning under Zoning Bylaw No. 66, 1979. A rezoning of the property to permit the existing tourist accommodation use is required. Please contact the Planning Department @ 604-702-5000 or planninginfo@fvrd.ca to discuss your options.

In consideration of the above described non-compliance, please find attached two Bylaw Offence Notice tickets (No. 28630, and No. 28631) for construction without a permit and non-permitted land use, both tickets totaling the amount of \$700.00.

We look forward to your anticipated cooperation in the quick resolution of this matter, so please contact me by calling toll-free at 1-800-528-0061, directly at 604-702-5015 or by email at lhinton@fvrd.ca so that we may discuss your compliance options further. Our office hours are Monday through Friday from 8:30am to 4:30pm.

Respectfully,

Digitally signed

adid-

CORPORATE REPORT

To: CAO for the Regional and Corporate Services Committee Date: 2019-02-12 From: Mike Veenbaas, Director of Financial Services File No: 1720-01

Subject: Board Remuneration – Impact of Municipal Officer's Expense Allowance Exemption

INTENT

This report is intended to advise the Regional and Corporate Services Committee of information pertaining to the estimated impact of the elimination of the Municipal Officer's Expense Allowance Exemption. Staff is not looking for a recommendation and has forwarded this information should members want more clarification to discuss the item further.

BACKGROUND

As part of the 2017 Federal Budget, the Federal Government announced that tax exemptions that apply for the non-accountable expense allowances paid to members of provincial and territorial legislative assemblies and to certain municipal office-holders would be eliminated. This change was effective January 1, 2019 and impacted the net remuneration received by FVRD Board and Alternate Directors. Information regarding this change was discussed as part of the Board remuneration review completed in mid-2017.

DISCUSSION

At the January 2019 EASC meeting a motion was passed asking Staff to report back on the impact of the elimination of the Municipal Officer's Expense Allowance Exemption (up to 1/3 tax exemption). While the impact can be estimated based on net remuneration received from FVRD, the actual impact

per Director will vary depending on the Director's total overall income level from all sources and any applicable income tax deductions/exemptions.

In order to understand the impact from the exemption elimination, Staff reviewed the net remuneration level by Director from the last pay period of 2018 to the first pay period of 2019. On average the net remuneration in 2019 is 93.2% of 2018 levels which also includes a 2.6% CPI adjustment for 2019. If no CPI adjustment had been applied, the net remuneration levels for 2019 would be 90.8% of what was received in 2018. The decrease is fully the result of the exemption elimination. The table bellows summarizes the impact on a bi-weekly basis for an average Electoral Area Director and Municipal Director:

	2018 Bi-weekly Net Pay	2019 Bi-weekly Net Pay	2019 over 2018	2019 over 2018 (excluding 2019 CPI adjustment)
Average Municipal Director	\$418	\$392	93.8%	91.4%
Average Electoral Area				
Director	\$1,101	\$1,019	92.5%	90.2%

When annualized, the reduction in average net remuneration would be \$680 for a Municipal Director and \$2,140 for an Electoral Area Director. The amount of impact varies for Board members that hold additional positions such as Committee or Board Chair/Vice-Chair.

To allow a Board Director's average 2019 net remuneration to be roughly equal with their 2018 net remuneration plus the 2.6% CPI adjustment, remuneration levels would need to increase an estimated 13-14%. The estimated increase also provides for the additional tax impact that would result in a remuneration increase.

COST

Board Director stipends are budgeted in the Regional Administration and Electoral Area Administration service areas. The table below can help the Committee understand the financial impact of a remuneration adjustment:

	2019	2019 Budget with	Requisition	Impact per \$100,000
	Budget	14% Increase	Increase	of Assessment
Regional Administration	\$259,800	\$296,200	\$36,400	\$0.04
Electoral Area Administration	\$214,170	\$244,170	\$30,000	\$0.62

CONCLUSION

As a result of changes made by the Federal Government to the Income Tax Act, the Municipal Officer's Expense Allowance Exemption was eliminated January 1, 2019. This had the result of removing a tax free allowance for up to 1/3 of a Board Director's stipend and effectively decreased the 2019 average net remuneration level to 90.8% of what was being received in 2018.

CORPORATE REPORT

To: CAO for the Electoral Area Services Committee Date: 2018-12-11 From: Katarina Duke, Engineering & Community Services Technologist File No: 3920-20

Subject: Fraser Valley Regional District Hatzic Prairie Water Supply and Distribution System Service Area Amendment Bylaw No. 1512, 2019 and Fraser Valley Regional District Hatzic Prairie Water System Capital Construction Service Area Amendment Bylaw No. 1513, 201

RECOMMENDATION

THAT the Fraser Valley Regional District Board consider giving first, second and third readings to the bylaw cited as *Fraser Valley Regional District Hatzic Prairie Water Supply and Distribution System Service Area Amendment Bylaw No. 1512, 2019;*

AND THAT the Fraser Valley Regional District Board consider giving first, second and third readings to the bylaw cited *Fraser Valley Regional District Hatzic Prairie Water System Capital Construction Service Area Amendment Bylaw No. 1513, 2019.*

STRATEGIC AREA(S) OF FOCUS

Provide Responsive & Effective Public Services

DISCUSSION

Staff have received requests from one property owner for the boundaries of the Hatzic Prairie Water System Service Area System be amended and extended to include their property. This property was not previously connected to the Hatzic Prairie Water System. Additionally, Staff were informed of two other properties which were connected to the Hatzic Prairie Water System but not within the service area. The property owners were contacted and request to have the boundaries of the Hatzic Prairie Water System Service Area System Service Area be amended and extended to include their properties.

The property being removed from the Hatzic Prairie Water System and Hatzic Prairie Water System Capital Construction service areas was added these service areas earlier this year by Bylaws 1433, 2017 and 1434, 2017 respectively. These bylaws were originally brought forth earlier this year for a project

to construct a watermain extension on Sylvester Rd and brought properties adjacent to the watermain installation into both service areas. The property being removed is a corner parcel which was already fronting watermain and had always had the option of joining the water system. Accordingly, this property should not have been included in the aforementioned service area bylaws.

COST

No costs to the FVRD.

Each property owner is to be responsible for the cost of installing a service connection to their property. Additionally each property owner must pay a one-time Capital Improvement Connection Fee of \$2,067.03 prior to connecting to the system.

FRASER VALLEY REGIONAL DISTRICT

BYLAW NO. 1512, 2019

A bylaw to amend the boundaries of the Hatzic Prairie Water Supply and Distribution System Service Area

WHEREAS the Fraser Valley Regional District Board of Directors ("the Board") has been petitioned to amend and extend the boundary of the Hatzic Prairie Water Supply and Distribution System Service Area established by Bylaw No. 0837, 2007;

AND WHEREAS the Board has also been petitioned to amend the boundary of the Hatzic Prairie Water Supply Hatzic Prairie Water Supply and Distribution System Service Area by excluding one property.

THEREFORE the Board of Directors of the Fraser Valley Regional District enacts as follows:

1) CITATION

This bylaw may be cited as Fraser Valley Regional District Hatzic Prairie Water Supply and Distribution System Service Area Amendment Bylaw No. 1512, 2019.

2) **ENACTMENTS**

- a) Fraser Valley Regional District Hatzic Prairie Water Supply and Distribution System Service Area Establishment Bylaw No. 0837, 2007, is hereby amended by extending the boundaries of the Service Area to include 3 properties and to exclude 1 property as shown on Schedule 1512-A attached to and forming an integral part of this bylaw.
- b) Schedule A to Bylaw No. 0837, 2007 is hereby replaced by Schedule 1512-B, attached to and forming an integral part of this bylaw. The amended boundaries of the service area shall be those portions of Electoral Area F as shown on Schedule 1512-B.
- c) That the provisions of all bylaws that are now in effect with regard to the establishment and amendment of the Hatzic Prairie Water Supply and Distribution System Service Area shall henceforth apply to those lands outlined on Schedule 1512-B of this bylaw.

3) **SEVERABILITY**

If a portion of this bylaw is found invalid by a court, it will be severed and the remainder of the bylaw will remain in effect.

BYLAW NO. 1513, 2019

A bylaw to amend the boundaries of the Hatzic Prairie Water System Capital Construction Service Area

WHEREAS the Fraser Valley Regional District Board of Directors ("the Board") has been petitioned to amend the boundary of the Hatzic Prairie Water System Capital Construction Service Area established by Bylaw No. 1434, 2017, by excluding one property;

THEREFORE the Board enacts as follows:

1) CITATION

This bylaw may be cited as Fraser Valley Regional District Hatzic Prairie Water System Capital Construction Service Area Amendment Bylaw No. 1513, 2019.

2) **ENACTMENTS**

- a) Fraser Valley Regional District Hatzic Prairie Water System Capital Construction Service Area Establishment Bylaw No. 1434, 2017 is hereby amended by reducing the boundaries of the Service Area to exclude the property shown on Schedule 1513-A attached to and forming an integral part of this bylaw.
- b) Schedule A to Bylaw No. 1434, 2017 is hereby replaced by Schedule 1513-B, attached to and forming an integral part of this bylaw. The amended boundaries of the service area shall be those portions of Electoral Area F as shown on Schedule 1513-B.
- c) That the provisions of all bylaws that are now in effect with regard to the establishment and amendment of the Hatzic Prairie Water System Capital Construction Service Area shall henceforth apply to those lands outlined on Schedule 1513-B of this bylaw.

3) **SEVERABILITY**

If a portion of this bylaw is found invalid by a court, it will be severed and the remainder of the bylaw will remain in effect.

CORPORATE REPORT

To: CAO for the Fraser Valley Regional District Board Date: 2019-02-26

From: David Bennett, Planner II File No: 3360-26-2018-01

Subject: Rezoning and Official Community Plan amendment applications for 38447 Bell Road, Electoral Area 'G' to facilitate a 2.0 ha (5 acre) truck parking and storage yard.

RECOMMENDATION

THAT the Fraser Valley Regional District Board consider the following options for the bylaws cited as Fraser Valley Regional District Official Community Plan for Electoral Area G Amendment Bylaw No. 1487, 2018 and Fraser Valley Regional District Electoral Area G Zoning Amendment Bylaw No. 1488, 2018 as outlined in the corporate report dated February 26, 2019.

OPTION 1 Adopt

THAT proposed Fraser Valley Regional District Official Community Plan for Electoral Area G Amendment Bylaw No. 1487, 2018 and Fraser Valley Regional District Electoral Area G Zoning Amendment Bylaw No. 1488, 2018 be adopted.

OPTION 2 Refer to EASC

THAT proposed Fraser Valley Regional District Official Community Plan for Electoral Area G Amendment Bylaw No. 1487, 2018 and Fraser Valley Regional District Electoral Area G Zoning Amendment Bylaw No. 1488, 2018 be referred to the Electoral Area Services Committee for further consideration.

OPTION 3 Defer

THAT a decision with respect to proposed Fraser Valley Regional District Official Community Plan for Electoral Area G Amendment Bylaw No. 1487, 2018 and Fraser Valley Regional District Electoral Area G Zoning Amendment Bylaw No. 1488, 2018 be deferred to the next regular meeting of the Fraser Valley Regional District Board [or other date]; or

OPTION 4 Refuse

THAT proposed Fraser Valley Regional District Official Community Plan for Electoral Area G Amendment Bylaw No. 1487, 2018 and Fraser Valley Regional District Electoral Area G Zoning Amendment Bylaw No. 1488, 2018 not be given any further readings and that the applications be refused.

STRATEGIC AREA(S) OF FOCUS

Foster a Strong & Diverse Economy
Support Healthy & Sustainable Community
Provide Responsive & Effective Public Services

BACKGROUND

Proposal Description

The purpose of Bylaw No. 1487, 2018 and Bylaw No. 1488, 2018 is to facilitate the development of a 5 acre (2.0ha) storage facility at 38447 Bell Road. The facility would allow the storage of boats, RVs, bikes, trucks, and cars, commercial vehicles, heavy equipment and storage containers.

A Public Hearing was held on November 29, 2018.

The developer completed the required technical and administrative works including installation of a geo-hazard protection berm, screening and covenant registration.

The Fraser Valley Regional District Board may consider the following options:

OPTION 1 Adopt

THAT proposed Fraser Valley Regional District Official Community Plan for Electoral Area G Amendment Bylaw No. 1487, 2018 and Fraser Valley Regional District Electoral Area G Zoning Amendment Bylaw No. 1488, 2018 be adopted.

OPTION 2 Refer to EASC

THAT proposed Fraser Valley Regional District Official Community Plan for Electoral Area G Amendment Bylaw No. 1487, 2018 and Fraser Valley Regional District Electoral Area G Zoning Amendment Bylaw No. 1488, 2018 be referred to the Electoral Area Services Committee for further consideration.

OPTION 3 Defer

THAT a decision with respect to proposed Fraser Valley Regional District Official Community Plan for Electoral Area G Amendment Bylaw No. 1487, 2018 and Fraser Valley Regional District Electoral Area G Zoning Amendment Bylaw No. 1488, 2018 be deferred to the next regular meeting of the Fraser Valley Regional District Board [or other date]; or

OPTION 4 Refuse

THAT proposed Fraser Valley Regional District Official Community Plan for Electoral Area G Amendment Bylaw No. 1487, 2018 and Fraser Valley Regional District Electoral Area G Zoning Amendment Bylaw No. 1488, 2018 not be given any further readings and that the applications be refused.

Attached for information:

Fraser Valley Regional District Official Community Plan for Electoral Area G Amendment Bylaw No. 1487, 2018

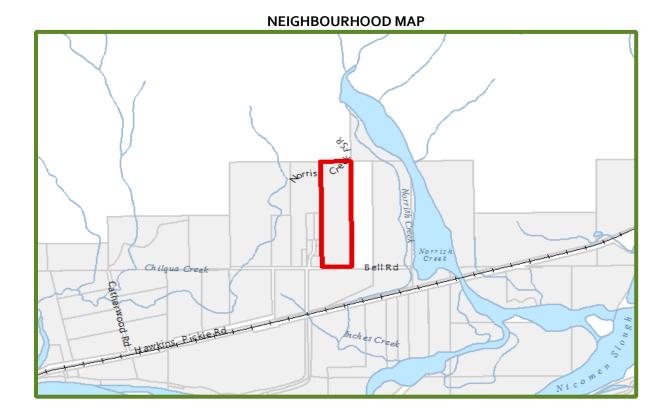

Fraser Valley Regional District Electoral Area G Zoning Amendment Bylaw No. 1488, 2018

The Public Hearing has now closed. To avoid the requirement to hold another public hearing, the Regional Board may not receive any new information with respect to these bylaws. This report is a summary of the rezoning files and does not constitute new information.

		PROPERTY DETAIL	.S

West	<	Rural 2 (R-2), Residential
South	V	Rural 3 (R-3), Residential

DISCUSSION

A resolution by the Regional Board regarding how to proceed is required. This report outlines four optional motions for consideration by the Regional Board.

OPTIONS FOR CONSIDERATION:

OPTION (1)

Purpose:

To adopt with the bylaws as drafted based upon the information received.

The applicant has completed the required development agreements including geo-hazard berm installation and fencing. Staff recommend proceeding with Option 1.

Implications:

Timeline	This option provides for the bylaws to be adopted.
Additional Process	No additional process or public consultation is provided for the review of the application.

Considerations	The bylaw will be adopted.
----------------	----------------------------

Resolution for consideration:

THAT proposed "Fraser Valley Regional District Official Community Plan for Electoral Area G Amendment Bylaw No. 1487, 2018 and Fraser Valley Regional District Electoral Area G Zoning Amendment Bylaw No. 1488, 2018" be adopted.

OPTION (2)

Purpose:

To refer the bylaws back to EASC for further discussion and to a new public hearing.

Implications:

Timeline	This option provides for further review by the EASC. This discussion may result in new information being discussed and as such a new public hearing would be required.
Additional Process	Further consideration by the EASC will add to the approval timeline. A new public hearing will add time to the approval timeline.
Considerations	Possible changes to the application are possible with new readings of revised bylaws.

Resolution for consideration:

THAT proposed "Fraser Valley Regional District Official Community Plan for Electoral Area G Amendment Bylaw No. 1487, 2018 and Fraser Valley Regional District Electoral Area G Zoning Amendment Bylaw No. 1488, 2018" be referred to the Electoral Area Services Committee for further consideration.

OPTION (3)

Purpose:

To defer a decision to a future Board meeting.

Implications:

Timeline	This option provides for further time to review the application by Board
	members prior to consideration.

Additional Process	Additional time is added to the development process timeline.
Considerations	In the interim, no new information may be received by Board members.

Resolution for consideration:

THAT a decision with respect to proposed Fraser Valley Regional District Official Community Plan for Electoral Area G Amendment Bylaw No. 1487, 2018 and Fraser Valley Regional District Electoral Area G Zoning Amendment Bylaw No. 1488, 2018 be deferred to the next regular meeting of the Fraser Valley Regional District Board [or other date];

OPTION (4)

Purpose:

To refuse the proposal.

Implications:

Timeline	This option stops the rezoning and Official Community Plan application.
Additional Process	If the applicants wish to proceed without amending the proposal, they must wait six (6) months to reapply with the same application.
Considerations	The applicant will have to reapply or amend the development plans. A new bylaw process will be triggered.

Resolution for consideration:

THAT proposed Fraser Valley Regional District Official Community Plan for Electoral Area G Amendment Bylaw No. 1487, 2018 and Fraser Valley Regional District Electoral Area G Zoning Amendment Bylaw No. 1488, 2018 not be given any further readings and that the applications be refused.

COST

Zoning Amendment fee of \$5000.00 paid by the applicant

Official Community Plan Amendment fee of \$2000.00 paid by the applicant

The proposed development will not add new FVRD owned and operated infrastructure.

CONCLUSION

The developer completed the required technical and administrative works including installation of a geo-hazard protection berm, screening and covenant registration. Staff recommend that the Fraser Valley Regional District consider Option 1 and adopt the propped bylaws.

FRASER VALLEY REGIONAL DISTRICT

BYLAW NO. 1487, 2018

A Bylaw to Amend the Official Community Plan for Electoral Area G

WHEREAS the Fraser Valley Regional District Board of Directors ("the Board") has deemed it advisable to amend *Fraser Valley Regional District Official Community Plan for Electoral Area G Bylaw No. 0866, 2008:*

THEREFORE the Board enacts as follows:

1) <u>CITATION</u>

This bylaw may be cited as Fraser Valley Regional District Official Community Plan for Electoral Area G Amendment Bylaw No. 1487, 2018.

2) <u>MAP AMENDMENT</u>

A. That Schedule o866-A – "Official Community Plan Boundary" of Fraser Valley Regional District Official Community Plan for Electoral Area G Bylaw No. o866, 2008 be amended by redesignating that approximately 2.0 ha portion of the lands legally described as:

EAST HALF OF THE SOUTH EAST QUARTER SECTION 4 TOWNSHIP 21 EXCEPT: PARCEL "A" (REFERENCE PLAN 5133); NEW WESTMINSTER DISTRICT

and as outlined in heavy black and hatched on OCP Amendment Map Schedule 1487-A, from LIMITED USE to INDUSTRIAL as shown on Schedule 1487-A.

B. That the map appended hereto as OCP Amendment Map Schedule 1487-A showing such amendments is an integral part of this bylaw.

3) **SEVERABILITY**

If a portion of this bylaw is found invalid by a court, it will be severed and the remainder of the bylaw will remain in effect.

CORPORATE REPORT

To: CAO for the Electoral Area Services Committee Date: 2019-02-12

From: Julie Mundy, Planning Technician File No: 3090-20 2019-02

Subject: Application for Development Variance Permit 2019-02 to vary the rear setback requirement for an accessory structure at 47052 Snowmist Place, Electoral Area C

RECOMMENDATION

THAT the Fraser Valley Regional District issue Development Variance Permit 2019-02 to vary the rear setback for an accessory building at 47502 Snowmist Place in Electoral Area C from 5.0 metres to 1.5 metres, subject to consideration of any comments or concerns raised by the public.

STRATEGIC AREA(S) OF FOCUS

Provide Responsive & Effective Public Services

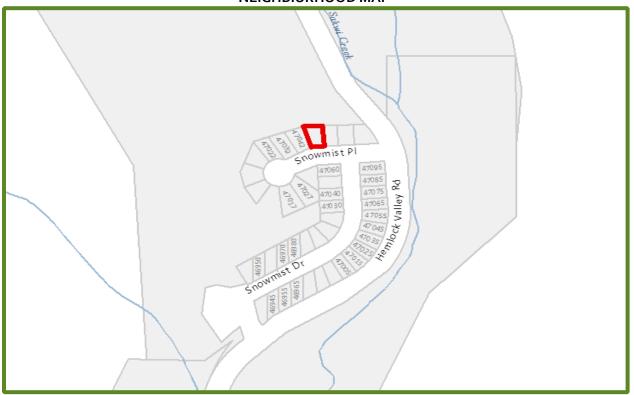

BACKGROUND

The property owners have made an application for a Development Variance Permit (DVP) to reduce the rear lot line setback for an accessory building (garage) as outlined in *Zoning By-law for Electoral Area "F"*, 1978, of the Regional District of Fraser Cheam.

NEIGHBIURHOOD MAP

PROPERTY MAP

DISCUSSION

The owners of the subject property are proposing to construct a single family dwelling and detached garage at 47052 Snowmist Place. The lot is currently bare land and is located at the base of Sasquatch Mountain Resort. The property backs on to Crown land and has undeveloped residential lots on either side. The property owners have applied for a Development Variance Permit to reduce the rear lot line setback for the proposed garage.

Variance Request – DVP 2019-02

Application rationale

The applicant advises the reason for the variance is to allow for a house design with a side entrance. A garage meeting the rear property line setback would interfere with the house deck and entrance stairs. While the placement of an entrance/exit is largely a design consideration, creating an efficient house layout on a small lot (0.165 acres / 7187 square feet) poses some challenges.

The reduced setback will additionally create a greater area for snow to accumulate on the property.

Rear Lot Line Setback Variance

The owners are seeking a variance of 3.5 metres (11.5 feet) to reduce the required rear lot line setback from 5.0 metres (16.4 feet) to 1.5 metres (5 feet) measured clear to sky.

Rear Lot Line Setback		
Permitted (zoning)	5.0 metres (16.4 feet)	
Proposed	1.5 metres (5 feet)	
Requested Variance	3.5metres (11.5 feet)	

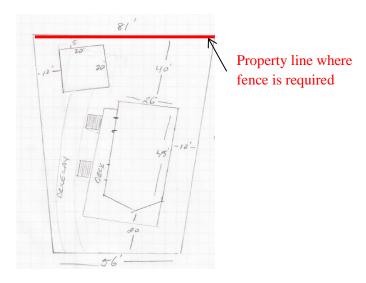

Snow Shedding Impacts

Buildings in Hemlock are prone to accumulating large amounts of snow which results in snow shedding from roofs. Setback requirements within the zoning bylaw are designed to account for snow accumulation and aim to accommodate snow shedding. The relaxation of the rear property line is not anticipated to increase snow shedding impacts to adjacent properties provided the roof is angled towards interior property lines. Interior setbacks are proposed to be in compliance with zoning bylaw requirements. To further control snow shedding impacts, the garage will be limited to a single storey.

Condition of Development Variance Permit

A condition of the Development Variance Permit will be for the owner to install a permanent fence along the rear property line which is behind the proposed garage. The installation of a fence will prevent any encroachment onto adjacent Crown land. Additional conditions relating to garage design include:

- The rear wall of the garage is to meet at BC Building Code requirements, and
- The garage will be limited to a single storey and the roof will be designed to avoid shedding snow towards the rear lot line

Building Permits

Two building permit applications (for the garage and house) were submitted on October 12, 2018 and are currently on hold pending the receipt of revised construction drawings. A detailed review of the drawings and other legal requirements will be conducted during the building permit process. At the

Building Permit review stage, it will be determined if additional fire rating will be required for the rear wall of the garage if the rear lot line variance is approved. The building inspector will determine an appropriate fire rating based on the BC Building Code as part of the building permit file review.

Neighbourhood Notification and Input

All property owners within 30 metres of the property will be notified by FVRD of the Development Variance Permit application and will be given the opportunity to provide written comments or attend the Board meeting to state their comments. FVRD staff encourage the applicant to advise neighbouring property owners and residents of the requested variance in advance of the mail-out notification. To date no letters of support or objection have been submitted.

COST

The application fee of \$350 has been paid by the applicant.

CONCLUSION

The property owners have applied for a Development Variance Permit to reduce the rear lot line setback for a detached garage. Staff recommend the FVRD Board issue the permit. The variance is not anticipated to negatively impact the neighbours as the land to the rear of the property is Crown land.

Option 1 - Issue (Staff Recommendation)

Staff recommend that the FVRD Board issue Development Variance Permit 2019-01 for the property located at 47052 Snowmist Place, Electoral Area C to vary the rear lot line setback from 5 metres to 1.5 metres, subject to consideration of any comments or concerns raised by the public.

Option 2 - Refuse

If the Board wishes to refuse the application, the following motion would be appropriate:

MOTION: THAT the Fraser Valley Regional District Board refuse Development Variance Permit 2019-02 for the property located at 47052 Snowmist Place, Electoral Area C.

Option 3 - Refer to Staff

If the Board wishes to refer the application back to staff to address outstanding issues, the following motion would be appropriate:

MOTION: THAT the Fraser Valley Regional District Board refer the application for Development Variance Permit 2019-02 for the property located at 47052 Snowmist Place, Electoral Area C to FVRD Staff.

Applicant: Neil & Maria Wotherspoon

Site Address: 47052 Snowmist Place, Electoral Area C

The lands affected by and subject to this permit are shown on Schedule "A", Location Map, attached hereto, which forms an integral part of this permit, and are legally described as:

LOT 2 DISTRICT LOT 5671 GROUP 1 NEW WESTMINSTER LAND DISTRICT PLAN 65552 003-631-842

LIST OF ATTACHMENTS

Schedule "A": Location Map Schedule "B": Site Plan

AUTHORITY TO ISSUE

1. This Development Variance Permit is issued under Part 14 – Division 9 of the Local Government Act.

BYLAWS SUPPLEMENTED OR VARIED

Zoning By-law for Electoral Area "F", 1978 of the Regional District of Fraser Cheam is **varied** as follows: Division 19, Section 1904 (c) the rear setback requirement is reduced from 5.0 metres to 1.5 metres, clear to sky, to permit the construction of a detached garage.

SPECIAL TERMS AND CONDITIONS

- 1. No variances other than those specifically set out in this permit are implied or to be construed.
- 2. If the holder of this permit does not commence the construction with respect to which the Permit was issued within two (2) years after the date of the permit, this permit shall lapse.
- 3. Development of the site shall be undertaken in accordance with the Site Plan attached hereto as Schedule "B".
- 4. All new construction shall be generally in compliance with Building Permit No. 014496. The garage shall be no more than a single storey, and the roof shall be designed to avoid

- shedding snow towards the rear lot line. The rear garage wall shall not have any openings or windows.
- 5. The holder of this permit must construct a permanent fence along the rear property line as identified in Schedule C prior to the issuance of Building Permit No. 014496. The fence shall be a minimum of 4 feet in height and shall be maintained for the life of the garage authorized under Building Permit No. 014496.

GENERAL TERMS AND CONDITIONS

- 1. This Development Variance Permit is issued Pursuant to Part 14 Division 9 of the *Local Government Act*.
- 2. This Development Variance Permit shall not vary the permitted uses or densities of land use in the applicable zoning bylaw nor a flood plain specification designated under Section 524 of the *Local Government Act*.
- 3. Nothing in this permit shall in any way relieve the developer's obligation to ensure that the development proposal complies in every way with the statutes, regulations, requirements, covenants and licences applicable to the undertaking.
- 4. Nothing in this permit shall in any way relieve the developers obligation to comply with all setback regulations for construction of structures or provision of on-site services pursuant to the *Public Health Act*, the *Fire Services Act*, the *Safety Standards Act*, and any other provincial statutes.

SECURITY DEPOSIT

As a condition of the issuance of this Permit, and pursuant to Section 502 of the *Local Government Act*, the Regional Board is holding the security set out below to ensure that development is carried out in accordance with the terms and conditions of this Permit

Should the holder of this permit:

- a. fail to complete the works required to satisfy the landscaping conditions contained herein,
- b. contravene a condition of the permit in such a way as to create an unsafe condition,

The Regional Board may undertake and complete the works required to satisfy the landscaping conditions, or carry out any construction required to correct an unsafe condition at the cost of the holder of the permit and may apply the security in payment of the costs of the works, with any excess to be returned to the holder of the permit.

Security Posted: (a) an irrevocable letter of credit in the amount of: $\frac{1}{2} < \frac{N}{A} > 1$

(b) the deposit of the following specified security: $\frac{$ < N/A > .}{}$

Note: The Regional District shall file a notice of this permit in the Land Title Office stating that the land described in the notice is subject to Development Variance Permit Number 2019-02. The notice shall take the form of Appendix I attached hereto.

Notice of Property Owners application for Development Variance Permit DVP

2019-02FILE DVP01416

Hello, I received the document advising that this owner, when commencing cabin build wishes to have a separate detached garage placed within 5 Ft of the rear of his property. I was assured bu Julie Mundy - Planning technician, of your offices, that this does not affect the site line / ft from our property line in any way.

As an Aside: We were very disappointed this past fall to see that when these owners cleared their property / prepped for build - that they neatly stacked salvageable logs on their property but ours - which had one very large stump we know we have to deal with, now had the addition of two more very large ones, and I mean HUGE - as well as a bunch of branch debris.

We don't feel this was neighbourly or ok but we can't prove as we weren't there. We can only assume this came from them.

I know this has nothing to do with their application, however, I don't see why they cant have their garage directly behind their house where there is more square footage, and not have to be close to the back of the property where spring run off occurs.

Regardless, thanks for listening,

Best regards,
Owner of Lot adjacent to this applicants,

CORPORATE REPORT

To: CAO for the Electoral Area Services Committee Date: 2019-02-12

From: Julie Mundy, Planning Technician File No: 3090-20 2019-01

Subject: Application for Development Variance Permit 2019-01 to vary the maximum height requirement for a garage at 45703 Elizabeth Drive, Electoral Area H

RECOMMENDATION

THAT the Fraser Valley Regional District issue Development Variance Permit 2019-01 to increase the maximum permitted height of an accessory building from 5.0 metres to 6.4 metres, for 45703 Elizabeth Drive in Electoral Area H, subject to consideration of any comment or concerns raised by the public.

STRATEGIC AREA(S) OF FOCUS

Provide Responsive & Effective Public Services

BACKGROUND

The property owners have made an application for a Development Variance Permit (DVP) to increase the maximum permitted height of an accessory building (garage) as outlined in *Zoning Bylaw for Electoral Area* "E", 1976 of Regional District of the Fraser Cheam.

	PROPERTY DET	AILS

NEIGHBOURHOOD MAP

PROPERTY MAP

DISCUSSION

The applicants are proposing to construct a detached garage which exceeds the maximum allowable height for an accessory building under the *Zoning Bylaw for Electoral Area* "E", 1976 of Regional District of the Fraser Cheam. The garage will be approximately 940 square feet in size (87.3 square meters) and will be located behind the existing house. There is currently a smaller garage on site (approximately 524 square feet) that will be removed.

The applicant advises the reason for the variance is to provide extra space for storage as the house does not have a basement. The proposed drawings show the structure will have a first floor height of approximately 9.5 feet (2.89 metres) and a second floor height of approximately 8 feet (2.4 metres). Refer to Appendix A. The additional height enables the accessory building to be constructed with a full height second storey.

The owners are seeking a variance of 1.4 metres (4.6 feet) to allow the garage to have a total height of 6.4 metres (21.0 feet).

Height of Accessory Buildings		
Permitted (zoning)	5.0 metres (16.4 feet)	
Proposed	6.4 metres (21.0 feet)	
Requested Variance 1.4 metres (4.6 feet)		

The applicant has not yet submitted a building permit application. The provided conceptual sketches appear to meet all other zoning setbacks. A detailed review of setbacks, proposed uses, and other legal requirements will be conducted during the building permit process. This will include ensuring no residential use and no cooking facilities are present within the accessory building. It will also include ensuring the structure does not encroach onto a covenanted area at the back of the property where construction is prohibited.

Neighbourhood Notification and Input

All property owners within 30 metres of the property will be notified by FVRD of the Development Variance Permit application and will be given the opportunity to provide written comments or attend the Board meeting to state their comments. FVRD staff have encouraged the applicant to advise neighbouring property owners and residents of the requested variance in advance of the mail-out notification. To date no letters of support or objection have been submitted.

COST

The application fee of \$350 has been paid by the applicant.

CONCLUSION

Staff recommend Development Variance Permit 2019-01 be issued by the Fraser Valley Regional District Board, subject to any comments or concerns raised by the public.

Option 1 - Issue (Staff Recommendation)

Staff recommend that the FVRD Board issue Development Variance Permit 2019-01 for the property located at 45703 Elizabeth Drive, Electoral Area H to increase the maximum building height from 5.0 metres to 6.4 metres, subject to consideration of any comments or concerns raised by the public.

Option 2 – Refuse

If the Board wishes to refuse the application, the following motion would be appropriate:

MOTION: THAT the Fraser Valley Regional District Board refuse Development Variance Permit 2019-01 for the property located at 45703 Elizabeth Drive, Electoral Area H.

Option 3 – Refer to Staff

If the Board wishes to refer the application back to staff to address outstanding issues, the following motion would be appropriate:

MOTION: THAT the Fraser Valley Regional District Board refer the application for Development Variance Permit 2019-01 for the property located at 45703 Elizabeth Drive, Electoral Area H to FVRD Staff.

FRASER VALLEY REGIONAL DISTRICT **DEVELOPMENT VARIANCE PERMIT**

Permit No. Development Variance Permit 2019-01

Folio No. 733.03802.120

Issued to: Sam Watkins & Tracey Kirkby

Address: 45703 Elizabeth Drive, Electoral Area H

Applicant: Sam Watkins & Tracey Kirkby

Site Address: 45703 Elizabeth Drive, Electoral Area H

The lands affected by and subject to this permit are shown on Schedule "A", Location Map, attached hereto, which forms an integral part of this permit, and are legally described as:

LOT 62 SECTION 30 TOWNSHIP 25 NEW WESTMINSTER LAND DISTRICT PLAN NWP62825 003-198-880

LIST OF ATTACHMENTS

Schedule "A": Location Map Schedule "B": Site Plan

AUTHORITY TO ISSUE

1. This Development Variance Permit is issued under Part 14 – Division 9 of the Local Government Act.

BYLAWS SUPPLEMENTED OR VARIED

Zoning Bylaw for Electoral Area "E", 1976 of the Regional District of Fraser Cheam is varied as follows:

Section 8.3.3 (c) is varied by increasing the maximum height of an accessory building from 5.0 metres (16.4 feet) to 6.4 metres (21.0 feet)

SPECIAL TERMS AND CONDITIONS

- 1. No variances other than those specifically set out in this permit are implied or to be construed.
- 2. If the holder of this permit does not commence the construction with respect to which the Permit was issued within two (2) years after the date of the permit, this permit shall lapse.
- 3. Development of the site shall be undertaken in accordance with the Site Plan attached hereto as Schedule "B".
- 4. A building permit shall be issued by the Fraser Valley Regional District prior to any construction on the property. No residential use and no cooking facilities shall be permitted within the accessory building.

GENERAL TERMS AND CONDITIONS

- 1. This Development Variance Permit is issued Pursuant to Part 14 Division 9 of the *Local Government Act*.
- 2. This Development Variance Permit shall not vary the permitted uses or densities of land use in the applicable zoning bylaw nor a flood plain specification designated under Section 524 of the Local Government Act.
- 3. Nothing in this permit shall in any way relieve the developer's obligation to ensure that the development proposal complies in every way with the statutes, regulations, requirements, covenants and licences applicable to the undertaking.
- 4. Nothing in this permit shall in any way relieve the developers obligation to comply with all setback regulations for construction of structures or provision of on-site services pursuant to the *Public Health Act*, the *Fire Services Act*, the *Safety Standards Act*, and any other provincial statutes.

SECURITY DEPOSIT

As a condition of the issuance of this Permit, and pursuant to Section 502 of the *Local Government Act*, the Regional Board is holding the security set out below to ensure that development is carried out in accordance with the terms and conditions of this Permit

Should the holder of this permit:

- a. fail to complete the works required to satisfy the landscaping conditions contained herein,
- b. contravene a condition of the permit in such a way as to create an unsafe condition,

The Regional Board may undertake and complete the works required to satisfy the landscaping conditions, or carry out any construction required to correct an unsafe condition at the cost of the holder of the permit and may apply the security in payment of the costs of the works, with any excess to be returned to the holder of the permit.

Security Posted: (a) an irrevocable letter of credit in the amount of: $\frac{\langle N/A \rangle}{\langle N/A \rangle}$.

Note: The Regional District shall file a notice of this permit in the Land Title Office stating that the land described in the notice is subject to Development Variance Permit Number <u>2019-31</u>. The notice shall take the form of Appendix I attached hereto.

CORPORATE REPORT

To: CAO for the Fraser Valley Regional District Board Date: 2019-02-26

From: Carolynn Lane, Engineering and Community Services Technologist File No: 3021-55

Subject: Crown Land Tenure Application for Harrison Mills Transfer Station Relocation

RECOMMENDATION

THAT the Fraser Valley Regional District Board direct staff to apply for crown land tenure on a parcel of land for the new Harrison Mills Transfer Station.

STRATEGIC AREA(S) OF FOCUS

Support Environmental Stewardship Support Healthy & Sustainable Community Provide Responsive & Effective Public Services

PRIORITIES

Priority #1 Waste Mangement

BACKGROUND

The Harrison Mills Transfer Station is currently situated at 14050 Chehalis Forest Service Road, just off of Highway #7 near Morris Valley. The existing license of occupation will be coming to an end in 2020, and as such, the FVRD must relocate the transfer station elsewhere. A new parcel of land has been selected, a 0.78 acre area, on the northwest corner of Morris Valley Road and Chehalis Forest Service Road. To obtain this parcel for a new transfer station, the FVRD must apply for Crown Land Tenure.

Staff applied for a grant under the Rural and Northern Communities Program in January, which will cover any capital construction costs if granted.

DISCUSSION

Staff have determined that the proposed site, on the northwest corner of Morris Valley Road and Chehalis Forest Service Road, will be the most suitable location for moving the Harrison Mills Transfer Station. Due to the site's close proximity to other significant archaeological findings, it is anticipated that archaeological investigations will be required. Any archaeological work will be coordinated with local Sts'ailes First Nation representatives.

A map showing the location of the proposed site has been attached.

COST

The cost to apply for crown land tenure is \$250.

CONCLUSION

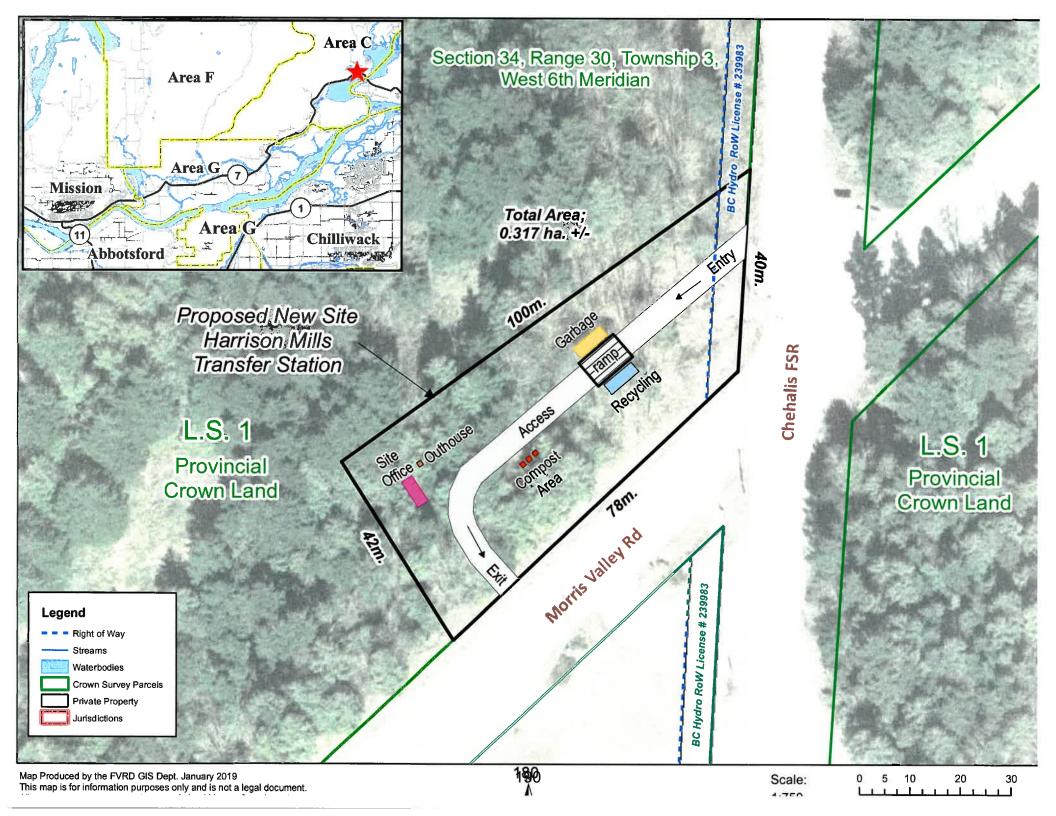

With Board approval, Staff will apply for Crown Land Tenure on a parcel of land on the northwest corner of Morris Valley Road and Chehalis Forest Service Road. This step is a component of the relocation of the Harrison Mills Transfer Station project.

CORPORATE REPORT

To: CAO for the Regional and Corporate Services Committee Date: 2019-02-12 From: Micha Gutmanis, Environmental Services Coordinator File No: 1010-95

Subject: Electric Vehicle Chargers at the FVRD Main Office Building

INTENT

This report is intended to advise the Board of an expansion to the electric vehicle charging infrastructure in the parking lot of the main Fraser Valley Regional District office building. Staff is not looking for a recommendation and has forwarded this information should members want more clarification to discuss the item further.

STRATEGIC AREA(S) OF FOCUS

PRIORITIES

Support Environmental Stewardship Support Healthy & Sustainable Community Priority #2 Air & Water Quality

BACKGROUND

Recent Electric Vehicle (EV) trends show that their popularity has grown rapidly, as nearly 35,000 plugin electric vehicles were sold in Canada through the first 9 months of 2018, an increase of 158% compared to a year prior. Governments at all levels have had a large impact on EV adoption through policy and infrastructure investments. In late 2018, the Province announced that proposed legislation will phase in targets for the sale of zero-emission vehicles: 10% of new light-duty passenger vehicle sales in B.C. will be zero-emission vehicles by 2015; 30% by 2030; and 100% by 2040. This will put additional pressures on EV charging infrastructure, including on the public charging network.

EV owners who will be most reliant on the public charging network will be the next generation of EV buyers, the Early Mainstream. Studies show that the EV Pioneers, those who already own EVs, tend to live in detached homes with access to home-based charging. However, the Early Mainstream buyers will have a higher percentage living in multi-family dwellings without access to home charging, therefore being much more reliant on public chargers. Level 2 charging, adequate for most plug-in hybrid vehicles, will need to be expanded rapidly to keep up with this future demand.

DISCUSSION

BC Hydro, in partnership with the Province, is initiating an innovative High Voltage Utility Connected (HVUC) demonstration project in the Lower Mainland, and local governments have been invited to participate. The primary objective of the HVUC project is to demonstrate a new type of Level 2 charger which addresses the challenges associated with EV infrastructure deployment in multi-unit residential buildings and commercial buildings. The chargers are designed to have low installation costs, low

operating costs due to their ability to turn off when not in use, and utility connectivity for metering and communications capabilities. BC Hydro would like to install four of the HVUC dual port chargers in the FVRD's main office parking lot, which can charge up to eight cars at once.

The chargers will be located in the parking stalls directly adjacent to the existing DC Fast Charger. Clustering the electric vehicle chargers together in a cohesive row will decrease electrical wiring costs and will allow for proper EV charging signage. Allocating eight parking stalls will allow for the next generation of EV adoption by the public, staff, and the FVRD's fleet. On days with Committee or Board meetings and other busy events, certain electric vehicle charging stations parking spaces may be opened up for general parking.

The existing Level 2 charger by the front doors will be removed and installed elsewhere in the Region, and the parking stall will be replaced with Director parking. For every Director parking stall that is removed for a Level 2 charger, it will be replaced with a new parking stall- in most cases closer to the main building. Appendix 1 displays the proposed parking arrangement with the new Level 2 chargers.

COST

The Level 2 chargers will be provided for free, with FVRD covering the one-time installation costs. The cost to install all four dual head chargers is quoted at \$24,130 which includes creating a new service from an existing transformer, running underground wiring to the charger locations and pouring concrete bases for the chargers. The funding for the FVRD contribution will come from the building maintenance budget under FVRD's General Buildings Area (Budget 114), generated as part of the Administration Support Recovery allocated to all FVRD service areas (regional and electoral area).

By setting up the Level 2 chargers with their own electrical service, it will allow the FVRD to analyze and separate usage data from the existing fast charger. The charger infrastructure will have the ability to provide for a cost recovery structure that would allow the chargers to cover the cost of the electrical supply, similar to how the DC Fast Charger operates.

CONCLUSION

Electric vehicles represent a technology advancement with significant potential to reduce harmful air pollutants and community GHG emissions while providing related social and economic sustainability benefits. In order to support this transition, charging infrastructure is needed in various forms and locations. The four new dual port HVUC chargers will assist in the development of new charging technology, while providing access to charging for the public, staff, and fleet vehicles.

December 27, 2018

Dear Kristy

The Boston Bar North Bend Enhancement Society would like to thank you for your funding of \$2000.00 towards the operations of our Newsletter called the Update.

Our purpose is to operate a Society for the development and establishment of activities or endeavors in the fields of education, culture and physical and social betterment of those living within the area served by the Society. We feel that the Update aids us in being able to fulfill this purpose.

The Update is delivered to the mailboxes every month and is also found on line at our website www.bostonbarbc.net. It covers events in the community and surrounding areas and provides information on services in the area. We feel that the Update is an essential service to our community and its success is an endeavor that we strive to continue. To see the content of the Update please visit our website and click on the Newsletter link.

Sincerely

Lori Walters
Treasurer BBNBES

B.B./N.B. Maydays Committee, Box 251, Boston Bar,B.C., V0K-1C0 December 15.2018

Re: Grant in Aid (\$2000.00) for May Days – April 2018

Fraser Valley Regional District:

Please allow me the opportunity to apologize for not taking care of this matter at an earlier date. No excuses.

The full amount of the Grant was used to offset the costs of our annual May Day celebration. This year was our 91st annual community family gathering where we provide entertainment, games, great food, craft fair and best of all community fellowship to be enjoyed by all. We make every effort to put on this great function with no cost to our children and youth.

The only way this is possible is with the financial support of others. The annual cost of this great day is usually in the amount of \$4/5000.00. With your substantial contribution as well those of local business and through the sales of raffle tickets and 50/50 draws we were able to cover the costs incurred for this event.

Acknowledgement of your generous support has been made on our Boston Bar web page as well as in the June 2018 issue of our local newsletter.

Thank you for your community support.

Sincerely,

R.A. Dufresne Robert A. Dufresne Vice-chair Boston Bar/North Bend Mayday Committee

Subject: RE: 2018 Grant-In-Aid Financial Reporting

Mary,

Thank you very much for your report, no worries!

What a great bunch it looks like you had – I think the Board will be super happy to see the faces of those benefitting from this program.

Camp Skylark 2018

Annual Report and Survey Results

Ken Hurley Camp Director October 2, 2018

<u>Preamble</u>

Some 14 years ago, when Camp Skylark was first conceived, the premise of the Camp was based on recognition that children are often overlooked during the grieving process, despite them becoming aware of death.

That being said, Camp Skylark has been supported over the years by the generous donations from individuals, local businesses, corporations, organizations and the many hospice volunteers who raise funds for this valuable community program throughout the year at a variety of community events.

We want to acknowledge our many corporate and individual sponsors; Fraser Valley Regional District B, Emil Anderson Construction Inc. & Emil Anderson Maintenance Co. Ltd., Nestle Canada Inc., - Nestle Waters Canada, Kent – Harrison Foundation, Envirowest Consultants Inc., District of Hope – Grant in Aid, Hope Lions Club, Eagles FOE #2690 - Men's, Eagles FOE #2690 - Women's, Legion Branch #228, Macdonalds – Hope BC, Beta Sigma Phi – Alpha RHO Chapter, Hope Foresters Holding Society, David Chaulk/Cloverdale Paint, Envision Financial – Hope BC, Columbia Kitchen Cabinets Ltd.,; and to those who gave donations, time and expertise; Ted Soucie (Hopesicle), BC Govt. Liquor Store (Hope), Dr. Michael MC Lee – DDS, Shanon Fischer – Pixelmountainstudio.com, Jason Dickie – Videographer, Dr. Dave Singleton, Dollar Store #198, Salli Rice, Erica Publishing Inc., Hope Medical Centre, Hope Recreation Centre and Buy-Low Foods; not to forget, the many volunteers who help with hot dog sales, meat draws and other fund raising activities. Thank you, together your volunteerism and donations allowed 25 deserving children come to Camp Skylark in 2018.

2

<u>Camp Skylarks Program – short summary</u>

The program design is focused on three stages of grief; Acknowledgement of Loss, Expressions of Reverence and Remembrance/Memorial.

The first day, Friday, focuses on 'Acknowledgement of Loss', it starts with the first memory circle, designed to give those children who are ready an opportunity to acknowledge their loss by placing the memory item of their loved one that they brought to camp into the memory circle. Optionally, they may choose to tell their peers something about the significance of this item. This memory circle is a powerful bonding experience, often it is the first opportunity some of these campers will have had, to share with their peers, their grief story.

We then introduce the camper to the Skylark, a symbolic token of remebrance, and ask them to decorate it in memory of their loved one (if they wish). We will also have given to their caregiver, a Skylark to take home, thereby bridging the caregiver with the child's grief journey. When the caregiver comes to pick their camper up at the end of camp they are bonded by the shared expression of reverence, and together hang their Skylarks on the Skylark tree.

Saturday's program elements builds on "the acknowledgement of loss stage" to "expressions of reverence" of the loved ones lost, by employing peer bonding within a combination of activites; cabin decorating, cabin flag decorating, yearly chosen inspirational song practicing, interactive music therapy, art activities lanterns, memory boxes, healing/spirit stones and a variety of physical activities.

This culminates in the lantern ceremony, which closes the experience of reverence in a moving memory circle displaying collectively the shared revernce.

We will engage in the music video production practice intended to bring the whole camp together as a group. We end this night with a mix of fireside story telling, music and optional activities of the campers choosing.

Sunday further builds on the acknowledgement of loss and expressions of reverence by strengthening the personal memories they have shared and built.

This expression of remembrance, through peer bonding, art and music becomes the foundation of their new coping skills. Some of these remembrances will have been built and shared with their peers through a final memory circle, others through normal peer interactions.

The camper will then take their memory item back from the memory circle and we then bridge the camper back with their Caregiver/Parent/Guardian at the Skylark tree, where together they hang their Skylarks. (this generally happens by individual family groups).

The Closing ceremony is intended to further bridge the caregiver/guardian with their campers experience. We will do a final performance of the music video song we recorded and our camp song and say goodbye.

The Skylark ceremony continues for the volunteers whom we encourage to also hang their Skylark on the Skylark Tree in memory of their loved one. (we mail the skylarks back to all campers/caregivers and volunteers). Throughout the camp experience we encourage volunteers to participate actively in all activities so as to model their own coping skills for their campers.

What follows is a brief demographic of the campers who came to camp this year followed by a description of the four different surveys with links to view them online.

4

Sponsored Campers – *92% from our primary catchment area.*

This year we sponsored 25 Children from a pool of 39 referrals, aged 7 - 12. The demand is apparent, especially in our primary catchment area, given the number of total referrals (39). The majority (32) of those coming from our primary catchment area representing 82% of the total referrals. As mentioned we sponsored 25 children, 13 boys and 12 girls, with 23 of those from our primary catchment area representing 92%. This year we saw an increase in the number of 1^{st} year or new referral campers representing 60% of the overall children sponsored, and 6 of the 25 being second year campers or 24%, and 4 campers coming for their 3^{rd} and final year, or 16%.

Camp Skylark 2018 Surveys

Overview of Camp Skylark Parent/Guardian Survey

Each year we provide the Parent/Guardians of Campers a Survey to fill out.

Some of what we measure in this survey is:

- The childs level of anxiety before and after camp to better understand the benefit to the child.
- What the childs favorite part of the camp was, so that we can track the cost effectiveness of the program elements we deploy.
- How likely the parent/guardian would recommend our camp to a friend or colleague to assess the value from the parent/guardians perspective.
- And, and overall rating of the camp to understand the quality of our service.

Click on Link: <u>2018 Camp Skylark Parent/Guardian Survey</u> Or type this into your browsers address window: <u>https://www.surveymonkey.com/results/SM-JLVS3TPPL/</u>

2018 Camp Skylark Volunteer Survey - Friday, Saturday and Sunday

This year we had a total # of 31 volunteers working on the camp along with the Director and Music Therapist who are paid volunteers. Twenty Five of the volunteers were mostly In Camp each day for all or part of the 21/2 days performing a variety of roles; Cabin Leader (Counsellors), Floaters, Logistics, Art and Music Therapist/Floaters, Logistics, Nurse, Youth Floaters and Video/Photography Floaters.

We ask each volunteer to fill out three surveys, one each for Friday, Saturday and Sunday. These measure various program aspects along with value assessment of the Camp Skylark program and the volunteers experience.

<u>Friday</u> we measure: this is a very fast moving day, a lot happens in a short period of time.

- the roles assigned to each volunteer,
- the effectiveness of the orientation for volunteers
- how effective the bridging process with parents was,
- how prepared the volunteer was to work with the campers assigned to them
- Effectiveness of registration/intake.
- the volunteers satisfaction level with their assignment and support
- what activities/support were effective for their campers in respect of peer bonding, facilitation of opening of the child and sharing facilitation.
- the effectiveness of the memory circle elements (an integral part of the program).

Click on Link: 2018 Camp Skylark Friday Volunteers Survey or copy this into your browsers address window: https://www.surveymonkey.com/results/SM-V7JCCRPPL/

7

Saturday is the busiest, consisting of a full day of activities, we measure:

- The effectiveness of activities for bonding, sharing and collaboration with campers and volunteers.
- Key program elements, including timing and preparedness of volunteers.
- Elements of the Lantern Ceremony, in respect of effectiveness to affect opening of campers to their grief
- Feedback what was good, what was not?
- Satisfaction in respect of the volunteer's role during this very busy day.
- Usefulness of the program elements in supporting the Cabin Leaders facilitation efforts.
- Quality of food, facilities and services from Camp Squeah

Click on Link: 2018 Camp Skylark Saturday Volunteers Survey or copy this into your browsers address window: https://www.surveymonkey.com/results/SM-TZ9JDMPPL/

<u>Sunday's</u> program elements are very compressed, the parents will be coming to pick the campers up at Noon, and we have to prepare them for this. They are usually quite excited so we have a relaxed Pyjama Breakfast and give them the opportunity to continue their peer bonding activities by recording the chosen theme song for the camp, this year's song was ("I Can See Clearly Now"). Finally to burn off the camper's energy after breakfast they cleanup their cabins and then some campers will participate in swimming, nature hikes, continued art therapies or interactive dance/music therapy.

This is also the day where they take back their memory items at the final intimate memory circle that reinforces what they have experienced during the acknowledgement/reverence and memory building events at camp. They then collect the art they have created in reverence of their loved one (Lanterns, Skylarks, Memory Boxes, Healing/Spirit Stones and other items).

We complete the transition back to their parent/guardian ending the camp with a performance of the Camp theme song for the year, and our Camp Skylark Song for the parent/guardians. They along with their parent/guardian will then leave and hang their Skylarks on the Skylark tree in memory of their loved one.

Sunday we measure:

- effectiveness of de-registration/sign out of campers
- effectiveness of facilitative events, activities and ceremonies
- Final memory circle
- Overall rating of camp to meet our objective of helping campers develop effective coping skills for grief.
- Overall volunteer satisfaction
- Parent bridging & Skylark Ceremony

9

Summary of Results for Camp Skylark 2018

The parent/guardian survey results while a small sampling indicate that 100% of those who responded would recommend our camp to a friend or colleague and all of those who responded rated the camp as Excellent and highly effective for their children.

The results from this year's volunteer surveys indicate an overwhelming majority of the volunteers who came to camp this year were 'Very Satisfied' with their role on all three days. There were numerous comments indicating that the many structural changes made this year created a much more positive and effective environment for volunteers and campers, to bond and build more effective coping skills for grief.

This year more than any other year, my fifth year, the mix of volunteers (especially the first timers) made this camp most enjoyable and highly effective. Special shout outs go to Emily Brown our Music Therapist for bringing her beautiful voice, collaborative partnership and patience to the proceedings, to Jason Dickie who always shows up with a smile, you rock, to Shanon Fisher quietly capturing us in the background every year, to Sue Hurley who puts up with me and just keeps on giving, to Mary Norman for infectious smile and kind spirit, to Pat Besse who quietly steers the ship in the background each year and to the other committee members, Kathy, Judy and Carol for their emotional support, great advice and good humor. Thank you one and all. If I forgot anyone, please forgive me... to All Volunteers this year, thank you for making memories in my heart to last a lifetime.

Camp Skylark Director Ken Hurley

FRASER CANYON HOSPICE SOCIETY - CAMP SKYLARK PROJECT STATEMENT OF FUNDING SOURCES AND PROJECT COSTS SIX MONTH PERIOD ENDED SEPTEMBER 30, 2018

P.O. Box 819 228 Wallace St. Hope, B.C. vox 1L0 CPA CHARTERED PROFESSIONAL ACCOUNTANTS

Office 604-869-5634 Fax 604-869-2381

INDEPENDENT AUDITOR'S REPORT

To the Executive of the FRASER CANYON HOSPICE SOCIETY:

We have audited the following Statement of Funding Sources and Project Costs of the FRASER CANYON HOSPICE SOCIETY - CAMP SKYLARK PROJECT for the six month period ended SEPTEMBER 30, 2018. The purpose of the project was to to provide a camp for children whom require bereavement support and counseling.

Management is responsible for the preparation and fair presentation of this Statement of Funding Sources and Project Costs in accordance with Canadian accounting standards applicable to not-for-profit organizations, and for such internal controls as management determines is necessary to enable the preparation of the statement that is free from material misstatement, whether due to fraud or error.

Our audit was made in accordance with Canadian generally accepted standards for audit engagements. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statement is free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. Our audit procedures consisted primarily of inquiry, examining, on a test basis, evidence supporting the amounts and disclosures in this financial statement, and discussions related to the information supplied to us by the society.

In our opinion, the Statement of Funding Sources and Project Costs of the FRASER CANYON HOSPICE SOCIETY - CAMP SKYLARK PROJECT for the six month period ended SEPTEMBER 30, 2018, in all material respects, fully discloses the funding sources for the project and the costs incurred to complete the project.

Attention: To whom it may concern

Re: Report requested

On behalf of the Hope & District Arts Council and community members, I would like to express our appreciation for your ongoing support. In past years the FVRD has come to our aid with grants of between \$2,000.00 - \$4,000.00 depending on the need at the time. More importantly, it shows funders that local government values and supports our programming in this community. Last year in 2018 the FVRD awarded the Hope & District Arts Council \$3,000.00 towards community programming we provide in Hope and surrounding areas.

The Hope & District Arts Council (HDAC) continues to provide arts and cultural programming to the communities of Hope, Yale, Sunshine Valley, Laidlaw and surrounding areas. Residents from all of these communities travel to Hope to attend HDAC programs and events on a regular basis. In 2018 your funding helped support the following local programs which included the Hope Arts Gallery (open 11 months/year, free of charge to all), The Art Machine (year round art classes, most supplies included for children and adults at minimal cost) offering visual arts and pottery, Concerts in the Park (series of free concerts in July and August), WinterFest and other special events/projects. The Art Machine (AM) continues to provide weekly art classes (not on schedule) to TREC students (local alternative school)at subsidised costs and special art workshops for local school children. The Hope Arts Gallery and Concerts in the Park have seen a marked increase in attendance. The Art Machine continues to thrive, especially the pottery studio.

In 2016, private local funding enabled HDAC to purchase a used modular building to renovate into our new Art Machine community arts program facility. In 2017 HDAC was awarded \$40,000.00 in funding from BC Collaborative Spaces and \$50,000.00 from BC/Canada 150 and we raised over \$21,200.00 in donations towards the Art Machine project. New Horizons for Seniors also contributed funding to our project. The modular was moved onto its site n ext to the Hope Arts Gallery, in November 2017 after some unanticipated delays. The renovation began in January 2018 and was completed in September. HDAC held an opening reception on September 27 with over 120 guests in attendance and began classes on October. I have included photos of the renovation and of the completed new facility. It is amazing!!!

A total of 4,823 volunteer hours were donated to HDAC last year which is an increase of over 300 hours (see attached Volunteer Records 2018). Overall, approximately 7,804 participants attended HDAC events and programming in 2018, which is a slight decrease in attendance over 2017 but still an increase over 2016 (see attached). Taking into consideration that the Art Machine was closed from August through to October our numbers were still up over 2017. Since we opened the new facility, participation has increased and we are looking at hiring new instructors and increasing the programming for children and adults in 2019 starting this April.

Please contact me if you have any questions or require more information.

Best regards,
Diane Ferguson

The Art Machine is a community arts program presented by the Hope & District Arts Council. The Art Machine offers community members of Hope and the surrounding area the opportunity to participate in the arts on a social and individual level and to share in the joy of creation. We believe that participation in the arts promotes positive self esteem and is essential to health and wellness in individuals and to the community as a whole.

The Art Machine is:

- now in its 10th year
- partially funded by the Government of Canada, Province of BC, District of Hope, Fraser Valley Regional District, BC Arts Council, Farm Credit Canada and the Kinder Morgan Foundation as well as with revenue from drop-in fees, arts council fundraisers and donations
- centrally located at 779 5th Avenue, just across from Buy & Save Foods Studio B –Pottery Studio A classes – visual arts are temporarily located in other locations
- location is large, on one level, has windows providing natural lighting and is wheelchair accessible.

It's a wonderful space with a comfortable atmosphere promoting creativity and participation in the arts experience.

Traditional portrait painting workshop

The Art Machine offers:

- weekly drop-in classes for children, youth and adults
- a variety of mediums such as drawing, painting in acrylics and watercolours, Chinese Brush painting, collage, paper crafts, altered art, wheel thrown and hand built pottery, crafts, etc. and much more
- special events held during Arts & Culture Week, Culture Days and WinterFest
- all day Saturday and/or weekend workshops featuring a variety of artists/teachers from the lower mainland and elsewhere in British Columbia. These workshops are a fabulous way to expand your horizons by learning new art forms, techniques and to share ideas.

"Retrospect" Exhibit:

The Art Machine features works created by participants each year in a month long exhibit called "Retrospect". This exhibit and opening reception takes place in the Backroom of the Hope Arts Gallery every spring and is open to the public.

Children applying "paper mache" in special Culture Days workshop at The Art Machine

Adult drop-ins:

\$7.00/drop-in or \$60.00/10 drop-ins **Youth drop-ins:**\$5.00/drop-in or \$40.00/10 drop-ins **Children's drop-ins:**

\$2.50/drop-in or \$20.00/10 drop-ins (all ages–parents must stay with those under 6)

Go to <u>www.hopedistrictartscouncil.com</u> for the Art Machine monthly schedule or email hopearts@telus.net

Instruction and materials supplied for most drop-in classes unless otherwise stated.

Participants attending wheel thrown pottery classes must buy their clay at \$25.00/bag Cost includes glazing and firing.

Workshops are individually priced and may or may not include materials.

779 5th Avenue Hope, BC Phone: 604-869-3407

Please Note

Watch for our new Art Machine facility coming in Spring of 2018.

It will be located next to the Hope Arts Gallery at 357 Fort Street and again offer two separate art studios.

Studio A – visual arts

Studio B – pottery.

In anticipation of the new facility we have closed Studio A and have moved those classes to other locations in the community.

Please contact HDAC for information

Thursday, June 7, 2018 Page A11

A wide-ranging mix of music is coming to the Memorial Park stage this summer including six-piece latin band Mazacote.

Summer sure sounds good Eclectic Concerts in the Park line-up announced

Emelie Peacock Hope Standard

Concerts in the Park is back for another summer of free performances in Memorial Park and the unique mix of genres is sure to be music to the ears of Hope residents and visitors alike.

The nine shows have something for most music lovers, with a smattering of blues, surf rock, jazz, latin, folk and R&B happening every Friday throughout the summer months of July and August.

Local artists will take the stage, including Sunshine Valley's Ashley

Pater with her band Destination Unknown July 20 and local blues machine Throwback Blues Band August 10. Chilliwack surf rockers and creators of their own music fes-tival, Maystock, The May Eyes will be inviting listeners to throw on their rose-coloured glasses and groove it out July 13.

From further afield, musical duo BF/C bring their indie electro groove all the way from Gothenburg, Sweden to the Memorial Park stage August 24. The six-piece band Mazacote, whose musical influences hail from

Nicaragua, Mozambique and Colombia, are sure to get people to their feet with their summery latin sound

Get your calendars and calendar apps out because you don't want to miss the eclectic talent coming to Hope this summer. Shows take place every Friday night in July and August, between 6:30 and 8:15 p.m. at the bandshell in Memorial Park.

A new food truck run by local entrepreneur Mark Petryk, Canned Ham Coffee & Canteen, will be at the shows for hungry and thirsty concertgoers.

Concerts in the Park summer line-up

July 6: Band of Rascals

Victoria rockers "mix vintage southern blues sensibilities with screeching and electrifying guitar riffs, thundering drums and heart/vibe lyrics.

July 13: The May Eyes

A five-piece surf rock band hailing from Chilliwack, this band draws on "some of the deepest influences of rock and roll."

July 20: Destination Unknown

Pater, this band "refuses to be pigeon-holed into one genre but have been described as a mix of folk, pop, country

and jazz."

July 27: Sophia Danai

A Vancouver-based singer, Danai "delivers honest and passionate lyrics over a sonic field that ranges from alternative R&B to sultry electro-pop."

August 3: Jen Hodge All-Stars

Jen Hodge does it all — she's a bass player, vocalist, arranger and bandleader who plays traditional jazz and swing music with "hard-swinging grooves, boisterous New Orleans style horns, checky lyries, intriguing arrangements

and plenty of spontaneous fun."

August 10: The Throwback Blues Band

A local blues band who you may have heard playing at the Silver Chalice or other venerable Hope establishments August 17: Mazacote

A six-piece latin band from Vancouver, Mazacote are "inspired by Afro-Caribbean percussion and tropical party sounds, they play brass-heavy latin dance beats with a socially conscious message.

August 24: BF/C

This duo is described as an "interesting and groovy electro-indie group hailing from Gothenburg, Sweden."

August 31: Love Problems

Love Problems is the folk duo Parker Bossley and Maddy Shean, whose "voices harmonize together in wondrous

Hi Kristy and Happy New Year.

I apologize for the delay in responding to your email.

The Hemlock Valley Homeowers Association Directors have met and established a budget for the 2018 Grant which will be used within our community over the next several months. Below is the budget approved and we already have spent a few things so far. Our NYE fireworks celebration proved to be another huge success. We had close to 300 people (families of all ages) watching the fireworks and they were amazed by what they saw. So many positive comments generated from everyone and they are still shouting out praises for those involved in preparing the show for the community.

Please let me know if you would still like to see a few photos of our future events.

Thanks and let me know if you have any questions.

Re: Grant In Aide Final Report

Thank you for your support of our school program this past term. It is through generous opportunities such as this that our students are able to challenge themselves and achieve on levels that are not always available to them.

The Sts'ailes Athletics Program provided a unique opportunity for secondary students who met the criteria academically, personally and socially. Successful students were provided a challenging and rewarding program that included personal fitness training, diet monitoring, sports specific skill training and personal health. Another part of the program that students truly enjoy is the purchase of clothing and footwear. The students receive all their gear so that they can train in comfort and with safe shoes and outerwear.

The results of this program are truly impressive. There are reductions in absenteeism, unwanted behaviors and increases in grades and positive behaviors. They are the ones running at lunch hour, choosing salad and low fat lunch options and achieving academic success. The students are role models and assist with a number of activities that benefit the younger grades.

Every contribution and commitment makes a difference to these students and sets the foundation for future program participants. Your contribution is greatly appreciated.

Sincerely:

W.F. (Bill) Dietrich, Director/Principal education for all ages

Fraser Valley Bald Eagle Festival

23rd Annual Festival Nov 17/18, 2018

"To celebrate the beauty & biodiversity of the Fraser River Valley by honouring the majestic Bald Eagle & the Cycle of the Salmon."

> c/o Mission Chamber of Commerce 34033 Lougheed Hwy Mission BC V2V 5X8

2018 Report from the Fraser Valley Bald Eagle Festival Society (FVBEFS)

The 2018 Fraser Valley Bald Eagle Festival smashed all records for the number of participants. Approximately 5000 people "flocked" to the area over the two-day event. The factors that we attribute to this record number of people, was a combination of a large number of eagles arriving in at the right time (over 3000), a lot of local coverage by all forms of media and very favourable weather predictions a few days out of the event which proved to be accurate when the weekend approached. The event is now no longer the secret eagle festival.

The increase in visitors did apply pressure to the local sites, as all land viewing sites are private lands which open for the festival weekend. The Festival society will be working on two major issues as we plan for 2019. First we are going to look at changing some of the elements of the festival as we do not want to cause any harm or extra pressure on the area, We also do not want to stop shining a light on the importance of the area as without the festival the WMA most likely would not have been established. A couple of changes that are in discussion now are adding more parking areas combined with a shuttle service and inviting more boat tour operators to ease land-viewing sites. The second area that the society is focusing on is creating a stronger traffic control plan. With funds from 2018 we have already purchased some traffic control items that will calm traffic and create more awareness there is an "event in progress"

The changes made in 2017, which included the location of the Exhibitors Fair and using a tear-map in lieu of a full booklet, continued to be very well received by both the visitors and exhibitors over the event weekend.

There is also an educational element as we involve the local schools in both our annual colouring contest as well as we invite them to the eagle release which typically occurs a few days prior to the festival.

The Fraser Valley Bald Eagle Festival is planned by a small group of dedicated volunteers and delivers an incredible free event on a very small budget. This could not happen without the support and partnerships with the District of Mission, the Fraser Valley Regional District, and Harrison Mills and many local businesses and organizations. The Festival Society consists of 10 directors, but volunteer number grows to 50 over the weekend. A true labour of love and dedication to the environment, the Fraser Valley and of course the wildlife and culture of the area.

The Festival would like to recognize and thank the Fraser Valley Regional District, District of Mission, Mission Community Foundations Department of Fisheries & Oceans, Inch Creek Hatchery, Nature Trust of BC, Kilby Historic Site, Tapadera Estates, Pretty Estates Resort, Eagle Point Community, River's Reach, Fraser River Safari Eco Tours, Hancock Wildlife Foundations, O.W.L., Tourism Harrison, Conroy & Co, FVRD, Celestron and Destination BC. The Scouts and Pathfinders. Media Sponsors include the Mission City Record, Agassiz Observer, Shaw Media, and What's On Magazine.

Respectfully, Jo-Anne Chadwick on behalf of the Fraser Valley Bald Eagle Festival Society

Cultus Lake Pikeminnow Fishing Derby

December 16, 2018

To: Taryn Dixon, Director FVRD Area H

CC: Kristy Hodson, Manager of Financial Operations, FVRD

Mike Veenbaas, Director of Financial Services, FVRD

From: Lions Cultus Lake Pike Minnow Derby Committee

Re: Report on the \$2,500 FVRD Area H GIA to the 2018 Pike Minnow Derby

Dear Ms. Dixon,

Since 2001, the DFO Cultus Lake Sockeye Recovery Program has continued its efforts to restore this unique stock of sockeye salmon. The Lions Pike Minnow Derby aids the recovery of the Cultus Lake sockeye population by reducing pike minnow predation. The derby also provides information to lake residents of the ecosystem and the best practices which will ensure long-term viability of the lake environment and the Cultus Lake sockeye!

Following a year's hiatus, the five Eastern Fraser Valley Lions Clubs successfully reinstated the derby in 2016 as a Lions Clubs Service Project using the substantial volunteer resources at their disposal. The GIA funding support you have provided in each of the past 3 years allows us to continue in our role as hosts of this fun and worthwhile community family event.

244 1

In 2018 we once again partnered with several financial sponsors which included the Fraser River Salmon Table (\$5,000), Fisheries and Oceans Canada (\$1,000), BC's Family Fishing Weekend (\$300), and of course, Area H of the FVRD with your \$2,500 Grant in Aid.

Weigh in equipment was generously provided by 3 DFO facilities (Chilliwack River Hatchery, Inch Creek Hatchery in Dewdney and Chehalis River Hatchery in Harrison Mills). The PA system was provided by **Hatzic Prairie Community Hall**, Barbeques and Grills were loaned from the **North Fraser Fire Dept**.

CLASS, DFO, Fraser Basin Council, Cultus Lake Parks Board, St. Johns Ambulance and others graciously assisted during the day and/or had displays on hand to inform and educate the public. All donors and corporate sponsors were publicly thanked in a newspaper ad in the Chilliwack Progress

245

The sunny day was a bonus and the 2018 edition of the derby attracted more than 300 anglers with a new record 972 fish caught (485 by kids and 487 by adults) with \$2,400 in cash prizes evenly split between the two groups along with numerous other prizes.

As Lions, we strive to serve for the betterment of our communities and we are committed to the more than 1,000 hours of volunteer time it takes to ensure a successful derby. This is an area-wide event of some significance and we thank you and the FVRD for the financial support in each of the past three years which has helped to make the derby a reality and a fun family day for so many!

Again Ms. Dixon, we thank you and the FVRD for your support and ask you to mark June 15, 2019 in your calendar and come fishing once again!

Sincerely,

Robert Prins

RE: 2018 Grant-In-Aid Financial Reporting

Dear Kristy,

The Columbia Valley Ratepayers' Association wishes to express our sincere gratitude to the Fraser Valley Regional District for their continued support of our community centre. This support is truly helping us keep this valuable community facility open.

The \$4000 grant-in-aid that was issued to us in 2018 was utilized for the following improvements.

- Commercial dishwasher \$2176.69 (this is a portion of the cost)
 This allows us to utilized the facility for events that serve food, including booking the hall for weddings which assist us in keeping the facility financially viable.
- Foyer upgrade \$281.17
 The foyer was dated and shabby. The old panelling was removed, walls were painted and repairs made.
- Floor resurfacing \$1300 The hall floor was resurfaced which helps to maintain the life of the floor and adds improvements for wedding rentals.
- Concrete blocks \$285.60
 Large concrete blocks were purchased to surround the propane tank (our heat source) to prevent it from being stolen and/or hit by a vehicle.

If you require any more information, please feel free to contact us. We certainly appreciate your continued financial support, which allows us to keep this community facility available for a multitude of uses and community events.

Regards,

Fran Teitge

December 11, 2018

Attn: Taryn Dixon, Area H Electoral Area Director Fraser Valley Regional District

Dear Ms. Dixon,

Thank you for the funding provided by Electoral Area H, Fraser Valley Regional District (FVRD) for our recent Cultus Lake Christmas event (November 30 and December 1, 2018).

The annual event has become popular with locals and visitors alike. This year, we had record-breaking attendance, estimated to be in the thousands – which we believe was far more than double the attendance of previous years.

The grant of \$2,000 that Electoral Area H, FVRD provided supported marketing efforts for the event. This includes the development and distribution of:

- A promotional poster which was shared online via the Cultus Lake Park website and social media channels;
- A news release which was distributed to Chilliwack and Lower Mainland media;
- A photo opportunity notice which was distributed to Chilliwack and Lower Mainland media;
- A photo release which was sent to media on Saturday, December 1st to continue to promote the event;
- Information to event sites and bloggers throughout the Lower Mainland;
- A public service announcement sent to Chilliwack radio stations;
- · Social media content; and
- A thank you advertisement (set to run December 14, 2018 in the Chilliwack Progress) for funders and local business sponsors of the event.

Thank you again for helping to make this event such an exceptional success.

Yours truly.

Subject: Grant In Aid Report and Moving Forward in 2019

Dear Mike,

As per our EA Grant in Aid Financial Reporting requirement I am emailing you with regards to the recent Chilliwack Vedder River Cleanup Society BC Rivers Day Event. I apologize for not doing this sooner. My work schedule and a paddling trip that had me out of the office for most of October prevented me from getting this to you sooner.

Date – Sunday, September 23rd at the Chilliwack Fish and Game Club (Chilliwack Lake Road)
Attendance – 264 people
Garbage Collected - 2.97MT
Metal Collected – .50 tonnes

With the cool and at times, wet weather we were very pleased with our turnout and the amount of garbage collected. Thanks to our venue hosts and some outside tents, we were able to escape the weather and enjoy our BBQ lunch and our always anticipated volunteer prize raffle. We had the following organizations exhibiting this year:

City of Chilliwack (partner)
Waterwealth Project
Chilliwack River Hatchery – DFO (partner)

Freshwater Fisheries Society of BC
Chilliwack River Valley Ratepayers Association
Fraser Valley Conservancy/Fraser Valley Watersheds Coalition
Chilliwack Park Society
Friends of Camp-Hope Slough/Watershed Watch Salmon Society
Nature Kids

We did extend an invitation to the Fraser Valley Regional District via email on August 24, 2018 but I don't believe we heard back.

Like in previous years, local Fraser Valley businesses have been supporting our volunteer prize raffle with donations for many years. A complete list of our 2018 donors can be found on our website at www.cleanrivers.ca

Monies from our Grant in Aid were used as follows:

- Purchasing of appropriate liability insurance for the event (proof of insurance was sent early in the year but can be provided again)
- Disposal Services provided by First Class Waste (see attached invoice)
- Purchasing of some of the food supplies from Clancy's etc. for the volunteer BBQ (proof of purchase can be provided)

Photos can be viewed on our Facebook page at - https://www.facebook.com/cvrcs

Should you require additional information for us to comply with our Grant in Aid Financial Reporting requirements please contact me at 604-824-2988.

Additionally, we would like to set up a meeting with the FVRD to discuss the challenges moving forward into 2019 because of liability insurance costs. Our AGM is typically the 2nd or 3rd week in January so if it was possible to meet before then that would be very much appreciated.

Thank you again for your generous support of the Chilliwack Vedder River Cleanup Society and I look forward to hearing from you.

Kindly,

Nikki

Hi Kristy,

Attached are the two invoices for dry brush removal, from residents property's waiting to be burned in the annual burn pile. These monies were granted to us with a GIA from FVRD.

For approximately the last 10 years the spring time burn has been approved and permits given.

In 2018 we were informed that we could no longer burn level 3 fires there, at that location. There was a large amount dumped in late 2017 and early 2018, and it needed to be dealt with in a safe and legal manor. 2018 was a Particularly hot season it had turned into a very hazardous situation.

We received 3 quotes for removal of all of the material. The best price given was received was from LifeSoils Products out of Abbottsford .The total removal was \$1417.50 for a large bin and a smaller bin at a cost of \$551.25 totalling \$1968.75 .That leaves us with \$1031.35 to be use in the spring of 2019 for further disbursement of flammable yard refuse.

Thank you

Ron Hudson

Subject: 2018 Grant-In-Aid Financial Reporting

Good afternoon,

We hope that you have been able to utilize the grant-in-aid that was issued to you in 2018!

This is a follow up to our previous letter regarding the reporting requirements as per the *Financial Accountability & Reporting* section from our Grant-In-Aid Policy:

Grants over \$1,000 require follow up with the Fraser Valley Regional District upon completion of the project or event. Follow up should include a letter to FVRD regarding usage of funds and their success, including pictures of the project/ event and any other supporting information.

Under the *eligibility criteria* section, one of the requirements is that the applicant may be excluded from applying due to not meeting the above reporting requirements for a previously awarded grant.

CORPORATE REPORT

To: CAO for the Electoral Area Services Committee Date: 2019-02-12 From: Margaret-Ann Thornton, Director of Planning & Development File No: 3360-01

Subject: Comprehensive Zoning Bylaw Consolidation for the Electoral Areas

INTENT

This report is intended to advise the Electoral Area Services Committee of information pertaining to the project to consolidate the nine (9) existing Electoral Area Zoning Bylaws into one (1) comprehensive and streamlined Zoning Bylaw. Staff is not looking for a recommendation and has forwarded this information should members want more clarification to discuss the item further.

STRATEGIC AREA(S) OF FOCUS

Provide Responsive & Effective Public Services

SUMMARY

To provide an update on the status of the Comprehensive Zoning Bylaw consolidation for the Electoral Areas, and outline the next steps and work plan for 2019.

DISCUSSION

FVRD staff and Urban Systems consultants are working on the consolidation of the nine (9) existing Zoning Bylaws for the Electoral Areas into one comprehensive and streamlined Zoning Bylaw with a total budget of \$76,000. The consultant, Urban Systems was retained in 2016, and to date the following has been undertaken:

- meeting with Home Designers and Fraser Valley Canadian Home Builders Association;
- preparation of 3 drafts for FVRD staff review;
- meetings with Urban Systems and FVRD staff to review drafts; and
- preparation of sketches to illustrate Zoning Bylaw details (setbacks, height, etc).

Due to current workloads, and FVRD staff vacancies this project is delayed. The complexity of the nine (9) existing Zoning Bylaws has made the consolidation difficult requiring a detailed review and comparison of all Zone requirements and definitions. The primary focus of the Zoning Bylaw consolidation is to provide consistency, clarity and ease of use by the general public, and supports the EASC's objective of providing excellent customer service and to eliminate red tape. The consolidated Zoning Bylaw is to permit all existing uses and Zoning Bylaw requirements, and ensuring that no additional restrictions will be imposed on properties.

The Zoning Bylaw consolidation will provide the following benefits to the Electoral Areas and the general public:

- provide one comprehensive document for ease of reference and consistent interpretation;
- update and modernize the existing Zoning Bylaws;
- create a user-friendly document with illustrations and graphics;
- address minor historical interpretation issues;
- align the Zoning Bylaw with the Official Community Plans for the Electoral Areas;
- utilizes current regulatory language and is consistent Provincial legislation; and
- provide updated mapping and ease of web-access for the public.

The nine (9) Zoning Bylaws in effect for the Electoral Areas are summarized below:

Zoning Bylaw Citation	Date of Adoption	Electoral Areas
Zoning Bylaw No. 0823	March 29, 1990	Rural Portions of EA "A"
Zoning Bylaw No. 0085	November 15, 1977	South Portion of EA "B" (Laidlaw)
Zoning Bylaw No. 0090	April 18, 1978	Community Plan Areas of EA "B"
Zoning Bylaw No. 0801	December 19, 1989	Rural Portions of EA "B"
Zoning Bylaw No. 0100	August 15, 1979	EA "C"
Zoning Bylaw No. 0559	July 28, 1993	EAs "C", "F", and "G"
Zoning Bylaw No. 75	September 28, 1976	EA "D"
Zoning Bylaw No. 66	June 22, 1976	EAs "E" and "H"
Rural Land Use Bylaw No. 500	June 26, 1986	EA "G" (former EA "H" – Sumas Mountain)

The intended process for the Zoning Bylaw Consolidation project is summarized below:

Timeline	Work Item
2016	Urban Systems Limited (USL) retained
2016-2018	Work to date:
	- Review of Drafts of the Zoning Bylaw
	- Meeting with Construction Industry representatives
Spring 2019	Finalize First Draft of Zoning Bylaw and accompanying documents (Zone
	comparison table)
Spring 2019	FVRD staff review of Draft Zoning Bylaw (Planning; Building and Bylaw
	Enforcement staff review)
Spring 2019	Preparation of Zoning Bylaw maps and comparison table of Zones
Summer 2019	Presentation and workshop with EASC of Draft Zoning Bylaw and public
	consultation strategy

Summer 2019	Meeting with Construction Industry Representatives
Fall 2019	Public Consultation
Fall 2019	Presentation of Final Draft of Zoning Bylaw to EASC for consideration of First
	Reading
Fall 2019	Referrals to agencies for comment
Fall 2019	Legal review of Draft Zoning Bylaw
Fall/Winter 2019	Public Hearing
Winter 2019	Consideration of 2 nd & 3 rd reading of Zoning Bylaw
Winter 2019	Ministry of Transportation (MOTI) for approval
Winter 2019/January	Consideration of Adoption
2020	

COST

The total cost is estimated at \$76,000 which is included in the base level Electoral Area Planning Service budget under consultant services and existing FVRD staffing resources.

CORPORATE REPORT

To: CAO for the Electoral Area Services Committee Date: 2019-02-12

From: Andrea Antifaeff, Planner I and

Margaret-Ann Thornton, Director of Planning & Development File No: 6970-20-040

Subject: Development Permits Issued in 2018 by the Director of Planning & Development

INTENT

This report is intended to advise the Electoral Area Services Committee of information pertaining to Development Permits issued in 2018 by the Director of Planning & Development. Staff are not looking for a recommendation and have forwarded this information should members want more clarification to discuss the item further.

STRATEGIC AREA(S) OF FOCUS

Support Environmental Stewardship

Foster a Strong & Diverse Economy

Support Healthy & Sustainable Community

Provide Responsive & Effective Public Services

BACKGROUND

To streamline the development approval process, the consideration and issuance of Development Permits, with the exception of Development Permits for Form and Character, was delegated to the Director of Planning & Development in 2007 by Bylaw No. 0831, 2007. The delegation of Environmental and Hazardous Conditions Development Permits to the Director of Planning & Development has streamlined and fast-tracked the development approval process.

The FVRD Development Procedures Bylaw No. 0831, 2007 requires that the Director of Planning & Development report to EASC advising of the Development Permits issued or refused by the Director of Planning & Development. In accordance with the Development Procedures Bylaw, all Development Permit applications were referred to the appropriate Electoral Area Director for comment prior to consideration of issuance.

DISCUSSION

The following fourteen (14) Development Permits were issued by the Director of Planning and Development in 2018.

- Development Permit 2018-01 was issued January 15, 2018 for the construction of temporary staff
 accommodation at 20955 Hemlock Valley Road, Electoral Area C. The property is located in DPA 5HV (Riparian Area) for the protection of the natural environment, its ecosystems and biological
 diversity.
- 2. Development Permit 2018-04 was issued February 21, 2018 for the construction of a single family dwelling addition at 35218 Sward Road, Electoral Area F. The property is located in DPA 2-F (Riparian Area) for the protection of the natural environment, its ecosystems and biological diversity.
- 3. Development Permit 2018-06 was issued March 2, 2018 for the installation of a box culvert and construction of roadway at PID 030-179-122, Electoral Area H. The property is located in DPA 5-E (Riparian Area) for the protection of the natural environment, its ecosystems and biological diversity.
- 4. Development Permit 2017-03 was issued March 7, 2018 for the construction of a powerhouse and all components of a hydroelectric project (CDC-Laidlaw Power Corporation) at 58050 Laidlaw Road and PIDs: 002-027-011, 013-110-446 and 013-110-373, Electoral Area B. The property is located in DPA 4-BC (Geologic al Hazard) for the protection of development from hazardous conditions.
- 5. Development Permit 2017-13 was issued March 16, 2018 for the construction of a single family dwelling at 1886 Vera Road, Electoral Area H. The property is located in DPA 1-E (Frosst Creek) and 6-E (Lindell Beach) for the protection of development from hazardous conditions and for the protection of the natural environment, its ecosystems and biological diversity.
- 6. Development Permit 2017-10 was issued April 16, 2018 for the construction of mitigation works including a new retaining wall to address drainage and localized slope hazards at 50505 O'Byrne Road, Electoral Area E. The property is located in DPA 3-E (Chilliwack River Valley Slope Hazard) for the protection of development from hazardous conditions.
- 7. Development Permit 2018-03 was issued April 27, 2018 for the construction of an accessory employee residence at 11290 Sylvester Road, Electoral Area F. The property is located in DPA 1-F (Geologic & Stream Hazard) for the protection of development from hazardous conditions.
- 8. Development Permit 2018-07 was issued July 26, 2018 for the construction of a single family dwelling at 35188 Sward Road, Electoral Area F. The property is located in DPA 2-F (Riparian Area) for the protection of the natural environment, its ecosystems and biological diversity.

- 9. Development Permit 2018-14 was issued September 24, 2018 for the construction of a detached garage at 35300 Riverside Road, Electoral Area F. The property is located in DPA 2-F (Riparian Area) for the protection of the natural environment, its ecosystems and biological diversity.
- 10. Development Permit 2018-12 was issued October 20, 2018 for temporary storage and related storage for the Trans Mountain pipeline project construction at 57951 Laidlaw Road, Electoral Area B. The property is located in DPA 4-BC (Geological Hazard) for the protection of development from hazardous conditions.
- 11. Development Permit 2018-15 was issued October 22, 2018 for the construction of a single family dwelling at 15090 Sylvester Road, Electoral Area F. The property is located in DPA 1-F (Geologic & Stream Hazard) for the protection of development from hazardous conditions.
- 12. Development Permit 2018-13 was issued November 16, 2018 for the construction of a single family dwelling at 65356 Wotten Road, Electoral Area B. The property is located in DPA 1-B (Geological Hazard) for the protection of development from hazardous conditions.
- 13. Development Permit 2018-18 was issued November 27, 2018 for the construction of a storage shed, deck and placement of a mobile home at 42095 Lougheed Highway, Electoral Area G. The property is located within DPA 1-G (Geologic & Stream Hazard) for the protection of development from hazardous conditions.
- 14. Development Permit 2018-20 was issued December 5, 2018 for the construction of a single family dwelling at 44276 Bayview Road, Electoral Area C. The property is located within DPA 1-C (Geological Hazard) & 3-C (Riparian Area) for the protection of development from hazardous conditions and the protection of the natural environment, its ecosystems and biological diversity.

The reduced number of Development Permits over the last few years is the result of updated Official Community Plan policies and a streamlined approach for Development Permit exemptions for Riparian Areas to provide better customer service.

COST

There were no direct costs with the preparation of this report. All required Development Permit application fees were collected.

SUMMARY

Of the fourteen (14) Development Permits issued in 2018:

- 5 related to riparian area requirements
 - 3 for Single Family Dwellings;
 - o 1 for a Detached Garage; and,
 - o 1 for a Box Culvert.

- 7 related to geotechnical hazards
 - 4 for Single Family Dwellings;
 - o 1 for a Retaining Wall;
 - o 1 for a Power House; and,
 - 1 for a Storage Building.
- 2 related to both riparian areas and geotechnical hazards (in a single combined permit)
 - o 2 for Single Family Dwellings.

The average number of Development Permits issued annually in the last five (5) years is fourteen (14). In 2018, the FVRD issued only fourteen (14) development permits despite a strong real estate and development market. Since 2012, the number of development permits issued each year is generally declining or remaining the same.

In 2018 there were 228 building permits issued:

- Only 6% of the issued building permits required a Development Permit because:
 - 34% of the building permits were issued a Development Permit at subdivision;
 - 4%of the building permits had been issued a Development Permit in the previous two years; and,
 - 56% of the building permits either met the Development Permit Area exemptions or were located outside of the Development Permit Area.

The reduced number of Development Permits issued is an indication of the success of the FVRD's efforts to:

- reduce requirements at the building permit stage while still protecting public safety and the
 environment; specifically, the FVRD has streamlined development permit area exemptions,
 implemented 'secondary' geotechnical reports that reduce the need for site-specific
 geotechnical studies, and the update of related Official Community Plan policies; and,
- 2. address hazards and riparian areas comprehensively at the time of subdivision (so that no additional development permits are required during construction).

CORPORATE REPORT

To: CAO for the Electoral Area Services Committee Date: 2019-02-12

From: Andrea Antifaeff, Planner I and

Margaret-Ann Thornton, Director of Planning & Development File No: 6970-20-040

Subject: Electoral Area Planning and Development: 2018 Year End Report

INTENT

This report is intended to advise the Electoral Area Services Committee of information pertaining to Electoral Area Planning and Development applications and activities for 2018. Staff are not looking for a recommendation and have forwarded this information should members want more clarification to discuss the item further.

STRATEGIC AREA(S) OF FOCUS

Provide Responsive & Effective Public Services

BACKGROUND

The Planning and Development section provides the following services to the Electoral Areas:

- Building Permits and Inspections;
- Bylaw Enforcement;
- Current Planning (Development Application Processing); and,
- Long Range/Policy Planning.

DISCUSSION

Building Section:

The yearly building permit statistical summary for 2018 and a comparison with previous years is attached. Building permit activity increased significantly in 2018 which reflects strong real estate market trends, especially for new single family dwellings. Construction in new subdivisions made up a large number of the new residential permits, including Creekside and Aquadel Crossing, EA "H"; the

Eagle Point / Rivers Reach subdivisions in EA "C"; and, Royalwood Boulevard and Stonewood Place and remaining lots in Rosegarden Estates, Woodland Heights (Phase 3) in EA "D".

2018 Highlights

Work duties and major projects undertaken in 2018 include:

Project	Status
Building Permit Processing: Plan Checking, Inspections.	Ongoing/Core Service
Public Enquiries (counter, phone, email).	Ongoing/Core Service
Building Inspection Service: Skowkale, Spuzzum, Seabird Island,	Ongoing/Core Service
Aitchelitz and Yakweakwioose First Nations.	
Building Inspections Service Expansion: Cutlus Lake Park and	Ongoing/Core Service
Village of Harrison Hot Springs.	
Relief Building Inspection: District of Hope.	Completed

Bylaw Enforcement Section:

The Bylaw Enforcement statistical summary for 2018 and comparison of previous years is attached.

Bylaw Enforcement maintains a high level of complaints and enforcement activities.

2018 Highlights

There are currently 417 Open Bylaw Enforcement files:

- 64.5% of the Open Files are Active Files that are consistently being managed; and,
- 36.5% of the Open Files have been placed "On Hold" (Inactive/historical).

There were 62 New Bylaw Files opened in 2018. Of these, 35% were also closed in 2018. Accordingly, the bylaw department has satisfied and fully completed 35% of the complaints received in 2018 while also working to resolve files opened in previous years.

Bylaw Enforcement staff issued 41 tickets in 2018:

- 4 tickets were disputed (outcome To Be Determined); and,
- 5 tickets were cancelled in favor of achieving voluntary compliance from the property owner.

Work duties and major projects undertaken in 2018 include:

Project	Status
Bylaw Complaints Processing – File set-up, Investigation,	Ongoing/Core Service
Compliance Strategy Review and Implementation.	
Public Enquiries (Counter, Phone, Email).	Ongoing/Core Service
Bylaw Enforcement: Historical File Review and Closures.	Ongoing

Notice on Title Initiative.	12 Notices on Title Registered

Planning Section:

The yearly Electoral Area Planning statistical summary for 2018 and comparison of previous years is attached. Development activity and applications have increased reflecting the strong real estate market trends.

The Planning Section is responsible for both current development application processing, and long-range planning policy initiatives. In addition to handling the day-to-day development applications and general development enquiries, a number of major long-range and policy planning initiatives were undertaken.

Work duties and major projects undertaken in 2018 include:

EA	Project	Status
All	Development Application Processing.	Ongoing/Core Service
All	Public Enquiries (Counter, Phone, Email).	Ongoing/Core Service
All	Building Permit Review (Schedule A).	Ongoing
All	Streamlining and standardization of development procedures.	Ongoing
All	Cannabis – Health Canada application review.	Ongoing
All	Zoning Bylaw Consolidation.	Ongoing
All	Hazard Development Permit Streamlining – in cooperation with APEGBC.	Implemented
All	Secondary Residences (Coach Housing) Policy Development.	Ongoing
All	Implementation of new Commercial Gravel Operations Bylaw.	Ongoing
Α	North Bend Geo-Hazard Report.	Completed
В	Trans Mountain Pipeline. Review and coordination of approvals.	Completed
&		
D		
С	Hemlock Resort – Major Project Review.	Ongoing
C	Hemlock – OCP Development	Ongoing
D	Electoral Area "D" OCP Update	Ongoing
D	Popkum-Bridal Falls Secondary Geotechnical Report.	Completed March 2018
D	Minter Gardens Redevelopment Applications.	Adopted October 2018
E &	Division of OCP for EA's "E" and "H".	Ongoing
Н		
Н	Cultus Lake Zoning Bylaw	Adopted February 2018
Н	Planning Services and Support for Building Permits for Cultus Lake Park.	Ongoing
Н	Cultus Lake Park APC meetings for DVP applications.	Ongoing

COST

Staff time allocated within the 2018 Electoral Areas Planning and Development budget.

Fraser Basin Council

FBC Fraser Valley Update Fraser Valley Regional District Board of Directors February 2019

The following is a brief update of the work Fraser Basin Council is undertaking in the Fraser Valley this year.

Salmon-Safe Society

FBC and the Pacific Salmon Foundation teamed up in 2011 to deliver Salmon-Safe BC — a third-party ecocertification program that recognizes land management practices that enhance and protect Pacific salmon habitat and water quality. The Salmon-Safe BC program is managed by FBC's Theresa Fresco.

 Theresa will be one of the speakers at the International Erosion Control Association symposium on green infrastructure, sustainable design and storm water management in Vancouver on April 8. For details, see salmonsafe.ca or contact Theresa at tfresco@fraserbasin.bc.ca

Other details about Salmon-Safe BC:

- Salmon-Safe certification is available to B.C. municipalities and regional districts, developers and private and public landowners. It is compatible with other certification programs.
- Certification can apply to parks and natural areas, college or university campuses, business sites and residential developments in urban, suburban and rural settings. Standards are verified by an independent group for certification.
- Salmon-Safe BC Agriculture program began in 2011, with 22 farms and ranches achieving certification. That number rose to 45 by the end of 2014.
- Management of agricultural land is a key focus for Salmon-Safe. In the past decade, US Salmon-Safe has
 certified 300 American farms and 200 vineyards; in B.C. there are now 45 certified farms. They include:
 Klipper Organic Acres, Nk'mip Vineyards and Glen Valley Organic Farm.

2020 Adaptation Canada Conference in Vancouver

FBC's Corporate Development, GVSS and Climate Program staff are working together to host this high-profile national conference in Vancouver on February 19-21, 2020 at the Sheraton Wall Centre, the first time it is being held in Vancouver. The event is sponsored by Adaptation Canada 2020 and Natural Resources Canada.

- Directors interested in the conference can receive regular updates on the event by signing up on this site, at www.fraserbasin.bc.ca/AdaptationCanada2020.html
- The ACC will assemble experts and leaders from diverse sectors, regions and jurisdictions to work on one of the most urgent issues of our time how to build climate change resilience in our communities, ecosystems and economy. This conference is a must-attend for people in all orders of government (federal, provincial, municipal and Indigenous), industry, academia and non-government organizations.

Lower Mainland Flood Management Strategy – LMFMS

- Interim flood strategy report A Flood Forum is scheduled for May 21-22, 2019. A backgrounder on Flood Risk Reduction Options is in draft form and nearing completion. An Interim Flood Strategy Report and a Flood Forum for partners are planned for the spring.
- **Flood Strategy team** Natalie Elster was recently hired to join the FBC flood team to develop a website for flood-related information and educational materials, and to assist with other aspects of the Flood Strategy.
- Online Atlas FBC flood team has made the final edits and revisions, and the team expects to launch the atlas this month.
- **BC Storm Surge Forecast Model** This tool has been used since mid-October and will continue to mid-March. Bulletins are being issued on a regular basis for Vancouver, Victoria, Campbell River and Tofino. Integration of additional tide gauges is being considered to extend the geographic area of the model.
- Flood Education Website and Videos: Assistant program manager Natalie Elster was recently hired to develop a website for flood-related information and educational materials. The flood education website will provide flood strategy details and data to Lower Mainland communities about flood risk reduction.
- **Flood Strategy info to public:** Once LMFMS partner organizations have provided input into a draft regional strategy, that information will go to the public, possibly in the fall.

FBC Fraser Valley Update Fraser Valley Regional District Board of Directors February 2019

Fraser Valley Illegal Dumping Alliance - FVIDA

- Kevin Raffle, a dedicate member of FVIDA, has recruited a planning committee at his workplace Woodtone Industries of Chilliwack to prepare for the first big clean up of the year for FVIDA members. The 12th annual Fraser River Cleanup takes place on Gill Road in March 2019. In the past the event has drawn more than 600 volunteers. (See http://www.fraserriverkeeper.ca/FVIDA_events for past year's info and for updates.
- Another FVIDA member organization, the Chilliwack Vedder River Cleanup Society, will hold its spring clean up event on Saturday, April 13, 2019 from 8:30 a.m. 1 p.m., staging at the Great Blue Heron Nature Reserve, at 5200 Sumas Prairie Rd, Chilliwack, B.C.

Re: Caribou Recovery Update to UBCM resolution B116 from the Peace River Regional District

On November 28, 2018, UBCM published an update from provincial officials in regards to Southern Mountain Caribou. The statement provided to UBCM responding to the Peace River Regional District's (PRRD) concerns on the caribou recovery process is very misleading. While it is true that the Province has met with the Regional District several times in person or on conference calls, it is not accurate that the PRRD has been provided with all information requested. The provincial caribou recovery and planning process is still on-going with no local government participation. This lack of participation was a deliberate and planned process by the Province even though the Regional Board was promised ongoing and robust consultation and participation. None of the Regional District's concerns have been addressed. As per the PRRD press release of November 22nd, the Board **demands** this process be halted until complete socio-economic impacts are identified and a process is designed that is transparent and inclusive of **all** stakeholders including local government.

Yours Truly,

Brad Sperling

Chair, Peace River Regional District.

c. Marie Crawford, General Manager, UBCM
