Attn: Director Wendy Bales

Dear Ms. Bales

On behalf of the Hemlock Valley Home Owners Association (HVHA) I would like to apply for a Grant-in-Aid in the amount of \$3000.00.

HVHA represents all recreational, residential, home and property owners in the community of Hemlock Valley. As you are aware with the approved major expansion plans at Hemlock Resort, the Executive Board is aware of the importance to collaborate with the community so that they are always informed. In addition, we strive to ensure that the owners along with their families feel that they continue to be part of the community. We are working hard to serve the community and secure improvements in the interest of all parties.

As such, we have several Community events/projects (Annual BBQ, Seasonal Fireworks Celebrations, Elegant Affair, Family Day events, Annual Spring Clean Up, Night Snow Shoe Hikes, 'Do you want to build a Snow Man?' etc.) planned throughout the year which will encourage family participation to increase community awareness. Each year our Executive will seek out new ideas and events to ensure our community stays connected. In addition, we are considering to use funds with this new request going towards the purchase of a storage locker for our equipment. This is something that we urgently need to ensure our new equipment and supplies are safe and protected at all times.

We trust our Grant-in-aid application will be presented at your next meeting and that it meets with the Board's favorable approval.

Thank you.

Regards,
