To: Fraser Valley Regional District Board
From: David Bennett, Planner II
Subject: Zoning Bylaw No. 1594, 2020 Proposed rezoning of 52655 Yale Road, Electoral Area D to facilitate a future subdivision between 52655 Yale Road and 10159 Caryks Road with the potential for two (2) new lots to be created.

RECOMMENDATION

THAT the Fraser Valley Regional District Board consider giving second and third reading to the bylaw cited Fraser Valley Regional District Electoral Area D Zoning Amendment Bylaw No. 1594, 2020 for the rezoning of 52655 Yale Road, Electoral Area D to facilitate a future subdivision between 52655 Yale Road and 10159 Caryks Road with the potential for two (2) new lots to be created.

STRATEGIC AREA(S) OF FOCUS
Foster a Strong & Diverse Economy
Support Healthy & Sustainable Community
Provide Responsive & Effective Public Services

BACKGROUND

The purpose of Bylaw 1594 2020 is to rezone 52655 Yale Road from Country Residential (CR) to Suburban Residential 3 (SBR-3) to facilitate a subdivision between 52655 Yale Road and 10159 Caryks Road with the potential for two (2) new lots to be created.

## NEIGHBOURHOOD MAP

![Neighbourhood Map](image-url)
The proposed subdivision involves 10159 Caryks Road and 52655 Yale Road. There are two existing homes on two existing lots. The proposed three lot subdivision would add one (1) lot and one (1) new home next to Yale Road. The northern proposed lot is 2076m². This northern lot is large enough that it could also be subdivided in the future. Therefore, the proposal has the potential for a total of two (2) new lots and two (2) new homes. The developer has indicated that only one (1) of the new lots would be created by subdivision at this time. This proposal may be considered a minor infill subdivision.
DISCUSSION

Public Hearing Waiver.

The Local Government Act states:

A local government may waive the holding of a public hearing on a proposed zoning bylaw if
   (a) an official community plan is in effect for the area that is subject to the zoning bylaw, and
   (b) the bylaw is consistent with the official community plan.

This proposed zoning bylaw is consistent with the local government act’s conditions to waive the
holding of a public hearing.

The impact on the neighbourhood will be the construction of one (1) new home adjacent to Yale Road.
There is also the potential for a second new home to be constructed if the proposed oversized lot at
10159 Caryks road is subdivided in the future. The condition of Caryks Road and the sidewalk will be
improved as it is upgraded to an urban cross section on the western side of the road.

Public Hearing Waiver Notification

The Local Government Act states that if a public hearing is waived, the local government must provide
newspaper notification as well as mailed notification to neighbours.

The notification processes undertaken for this application was:

   A sign was posted on the property on May 14, 2020
   Notification was mailed to neighbours within 150m on June 29, 2020
   Newspaper ads were published in the July 16th and 23rd editions of the Chilliwack Progress.

The public notification informed neighbours that they may address comments or concerns to FVRD
staff.

FVRD staff did not receive any comments or concerns and are recommending proceeding with second
and third reading.

COST

Rezoning application fee - $5,000.00 Paid
CONCLUSION

In order to determine whether or not to recommend proceeding to Second and Third Reading; FVRD staff’s consideration included the following:

- Official Community Plan supports the development of Suburban Residential Lots
- The proposal is limited in scope and scale to a three-lot infill subdivision.
- Each proposed lot is larger than the 800m² minimum parcel size requirement of the SBR-3 Zone.
- This proposal may be considered a minor infill subdivision.
- The developer’s immediate plan is to only create one new lot at this time. The proposed subdivision would create one (1) new lot and facilitate the construction of one (1) new home next to Yale Road.
- One oversized lot is proposed, and this lot may be subdivided in the future resulting in the construction of a second new home.
- The public notification and referral did not generate neighbourhood comments or concerns.
