## GENERAL TERMS AND CONDITIONS

1. This Development Permit is issued Pursuant to Part 14 - Division 7 of the *Local Government Act*.
  2. A development permit shall not vary the permitted uses or densities of land use in the applicable zoning bylaw, except that permitted uses or densities may be varied where the land has been designated under the Official Community Plan for the protection of development from hazardous conditions pursuant to Section 488 of the *Local Government Act*.
  3. Nothing in this permit shall waive the owner's obligation to ensure that the development proposal complies in every way with the statutes, regulations, requirements, covenants and licences applicable to the undertaking.
  4. Nothing in this permit shall in any way relieve the owner's obligation to comply with all setback regulations for construction of structures or provision of on-site services pursuant to the *Public Health Act*, the *Fire Services Act*, the *Safety Standards Act*, and any other provincial statutes.
  5. The owner of the subject property shall provide the general contractor and all professionals associated with this project with copies of this permit as issued by the Regional Board.
  6. The owner of the subject property shall notify the Fraser Valley Regional District in writing of any intention to excavate, construct or alter the subject property or building site thereon.
  7. The Archaeology Branch of the Province of British Columbia must be contacted (phone 250-953-3334) if archaeological material is encountered on the subject property. Archaeological material may be indicated by dark-stained soils containing conspicuous amounts of fire-stained or fire-broken rock, artefacts such as arrowheads and other stone tools, or human remains. If such material is encountered during demolition or construction, a Heritage Conservation Act Permit may be needed before further development is undertaken. This may involve the need to hire a qualified Archaeologist to monitor the work.
-
