To whom it may concern,

I am aware that the owners of 10146 Royalwood Blvd, Rosedale, BC, V0X 1X1 have applied for a development variance permit. The shop they intend to build is 0.20 metres over the maximum allowable height and 140 sqft larger than the maximum allowable foot print as per the zoning bylaw. I would like to let you know that I have no issues with the variance being granted.
