We are a Parents Advisory Council, established under the School Act to act a charity to

support the staff and students of Deroche Elementary School. Our school is a rural school

and we have many families who benefit from some support for school activities not covered the School District

Project or purpose for which you require assistance (Please attach a separate sheet if required):

Due to our distance out of the school it is more expensive to rent buses for field trips. We expect to be able to support field trips (including bussing to our the swimming pool) when COVID restrictions are lifted or relaxed hopefully in 2021. Also our school is doing assemblies on line and our fine arts program has been a great thing in our school for the last few years and we need some funding for our risers

Statement as to how these funds will benefit the community or an aspect of the community (Please attach a separate sheet if required):

Field trips are a huge help to our community. So are food hampers. Our Outdoor Program is unusual and but our children really learn how to take care of our community and our environment.

Finally, our fine assemblies and fine arts performances really unite our community as we get most of families at them!

Amount of Grant Requested: \$ 3000.00 (1500 for risers, 500 for Christmas Food hampers, 500 for bussing, 500 for Outdoor Program Measuring Instruments).
