

# THE BUSINESS SUMMIT WITH GLOBAL IMPACT

---

FEB 10 Exchange  
FEB 11-12 Innovation Showcase  
FEB 10-13 Forum

## You're Invited to a GLOBE 2020 Special Event:

### Opportunities in BC'S Clean Economy: A Spotlight on the Fraser Valley

The Fraser Valley Regional District (FVRD) and local economic development partners would like to invite you to a special "clean economy" event at **GLOBE 2020**, North America's largest international business summit on sustainability, taking place in Vancouver from February 11-13, 2020.

The **special session** will put a spotlight on the project and investment opportunities in the Fraser Valley's clean economy in areas that include: green building and low-impact development, renewable power and RNG project development, water technology / infrastructure, smart mobility / low-carbon transportation, agri-tech, and circular / bioeconomy innovation. The session will also include time for networking with international cleantech companies, investors, and partners from around the world who will be in Vancouver for GLOBE 2020.

**Date:** Tuesday, February 11th, 2020

**Time:** 9:30 am-11:45 am (including coffee networking reception)

**Location:** Vancouver Convention Centre West Building

#### Cost:

- There is no cost to attend the Spotlight on the Fraser Valley session (see RSVP information below)
- To participate in the broader GLOBE 2020 event as a full conference delegate or exhibitor, [see here](#).

Mark your calendars and join us for this special event! Please RSVP before January 31, 2020, to confirm a spot by emailing **Deanne Bozek** at [dbozek@fvrld.ca](mailto:dbozek@fvrld.ca).

***GLOBE Series is the largest and longest-running sustainable business summit and innovation showcase in North America, bringing together thousands of delegates from around the world. GLOBE Forum 2020 will mark the 30th anniversary, designed to once again showcase innovation, forge new partnerships, and make a global impact.***
