Support Your Neighbor

In regard to the property at 121-14500 Morris Valley Rd. Many people need a Shed sometime in their life and many people have placed their shed where it is most practical on their lot. Most sheds in our neighborhood don't comply with zoning setbacks, these dimensions have not been adjusted for our small lot sizes.

I would support your choice of where you place your shed and I appreciate your signature below in support of where I have placed my shed. I have applied for a variance to setbacks, sign if you agree
