Dear Jason,

On behalf of the Board of Directors of the Chilliwack Hospital Foundation, I would sincerely like to thank the Fraser Valley Regional District for its generous donation to purchase medical equipment for the Chilliwack General Hospital.

The Chilliwack Hospital Foundation, led by a local volunteer Board of Directors, is an independent charitable organization whose primary goal is improving the health of residents from Chilliwack to Boston Bar by raising funds for new and improved equipment for the Chilliwack General Hospital.

Our website at www.chilliwackhospitalfoundation.org provides more information about the Foundation and its work, and accepts online donations. If you would like to meet with me or any of our Board Members to learn more, or would like to be actively involved as a volunteer, please feel free to call me 604-316-3629.

Thank you again for your generous gift.

Sincerely,

John Jansen, FCPA, FCGA
President
