Provide Comment on Temporary Extension of Licensed Area (LP) Application

 If you leave this page, the information you input will be saved. You can continue later from the dashboard.

BEFORE STARTING THE APPLICATION

Your complete application, including any necessary supporting documents, must be submitted at least three weeks in advance of your event to allow sufficient processing time. Late applications will not be processed.

Licensees may apply for a temporary extension of their licensed areas for a limited period, subject to any restrictions within the Liquor Control and Licensing Act, Regulations, branch policies and /or original terms and conditions of licensing. Approval of this temporary change request permits the licensee to operate at the capacity on the face of their current licence plus the capacity of the extension area.

If in doubt, consult with licensing staff at LCRB, toll-free at: 1 866 209-2111.

If an LG/IN is the applicant, the Branch will gather community input and consider the regulatory criteria; the LG/IN is not permitted to conduct public input or provide comments on their own application. This is to prevent conflicts of interest. The applicant must pay any costs incurred to obtain the views of residents.

☑ If you have any questions about this application, contact the Liquor and Cannabis Regulation Branch (LCRB) at LCRBLiquor@gov.bc.ca
