

FVRD Special Event Licence – Class 1
Arrangement Statement
Run for Water Trail Race
Sumas Mountain Regional Park

- TRAIL RACE -

Run for Water Trail Race is a charity event raising money for clean water projects in Ethiopia and around the world.

- The start/finish area will be set up in the main Sumas Mountain lower parking area (RSTBC) at 37777 Taggart Rd.
- Sumas Mountain Forest Service Road will be closed to all traffic on race day (with temporary road closure permit approval).
- Runners will follow the designated race routes (see attached route maps).
- Garbage and site clean-up will be managed according to our Waste Management Strategy (see attached).
- No cooking will be done on site – all food served will be pre-packaged.
- Power will be provided through portable generators.
- First Aid will be provided by Central Fraser Valley Search and Rescue and will be available both at the start/finish area and on course (See locations marked on attached route maps).
- No large crowds are expected.
- Traffic and parking will be managed according to our Parking/Traffic Management Plan (See attached).
- Emergencies will be dealt with according to our Emergency Response Plan (see attached).
