## APPLICATION SUMMARY:

Project or purpose for which you require assistance (Please attach a separate sheet if required):

The Derby provides the community an opportunity to assist with the rehabilitation of the SARA-listed Cultus Lake sockeye by removing predatory Pike Minnow and invasive Smallmouth Bass from the lake. The event is held on the Saturday of the Fathers Day weekend during the BC Free Family Fishing Days to promote participation in sport fishing without the need for fishing licenses. 3-400 people of all ages often take part. In order for us to host this annual, fun and safe family event we must raise \$8-10k for advertising, website updates, ticket and poster printing, Park permitting, equipment rentals, prizes, emergency medical attendants and misc. supplies.

Statement as to how these funds will benefit the community or an aspect of the community (Please attach a separate sheet if required):

The Lions restored the Derby in 2016 and will again host this family event for the community on Saturday, June 14th at Main Beach at Cultus Lake. This is an opportunity for everyone to have an enjoyable day at the beach, on the dock or on the water while developing an understanding of best practices related to lake health, environmental sustainability and the Cultus Sockeye through expert discussion and information sharing in a recreational atmosphere.

Amount of Grant Requested: \$ 3,000

\*\*Please note: grants over \$4,000 require a financial statement and/or report on the applicant to be provided with the application.
