Hi Catherine,

Thank you very much for your help with our request.

I'm forwarding your response to the FVRD technician assisting with our application.

Much appreciated,

Paul Enns

Hi Paul,

Thank you for your note. As discussed, the review of your application for a Licence of Occupation on Crown Land is not likely to be completed in time for the event due to our current backlog situation; however, based on my preliminary review of the subject application we do not have any initial concerns with the 2018 event under the general guidance of the Permissions Policy. That being said, there is still more work to be done before we can finalize this approach. Specifically, I have asked an Authorizations Specialist in Crown lands, Francisca Olava, to review the proposal in more detail and liaise with the Forest District and Rec Sites and Trails branch. Francisca initiated this work last week but unfortunately she is not in the office today, so FLNRORD will need an extension until (I anticipate) the end of this week. Please let me know if you have any questions in the meantime.

Kind regards,

Hi Catherine,

Can you share any updates to our process?

I'm aware that the FVRD has requested we forward a "letter of acknowledgement from MFLNRO (approval of use of forest service roads and recreation sites)" by Monday, Mar 26 at noon.

A response by then would be greatly appreciated, if possible.

Thx for considering,

Paul Enns

Hi Catherine,

Here are maps and urls for both of our trail race routes being used on Sat, May 26. All trails are within what is known as Sumas Mountain Inter-regional Park.

The url will allow you to zoom into the Forest Access Road and trail name detail.

10K TRAIL RACE ROUTE: <https://www.trailforks.com/route/run-for-water-10k-trail-route/>
<image002.png>

25/50K TRAIL RACE ROUTE

<https://www.trailforks.com/route/run-for-water-25-50k-route-2017/>
<image003.png>

As we discussed, the FVRD is requesting written confirmation by noon Mar 26 that MFLNRO is aware of and allowing our event on May 26.

Thx for you help with this process,

Paul Enns
