

ZONING AMENDMENT NOTICE OF FIRST READING

Fraser Valley Regional District Zoning Bylaw No. 1807, 2025

NOTICE is hereby given under section 467 of the Local Government Act that the Fraser Valley Regional District Board will consider giving first reading to Fraser Valley Regional District Zoning Amendment Bylaw No. 1807, 2025 on December 11, 2025.

- The purpose of Zoning Bylaw No. 1807 is to restore farming uses that were unintentionally reduced in some zones during the consolidation of the nine FVRD Electoral Area zoning bylaws. To achieve this, the amendment establishes three categories of Farm: Farm, Intensive Farm, and Intensive Swine Operation.
- This amendment applies to all lands within the Fraser Valley Regional District Electoral Areas where “Farm” is listed as a permitted use under Zoning Bylaw No. 1638, and updates those zones to reflect the full range of farming uses recognized in the original bylaws.

Bylaw 1807, 2025 can be viewed at the FVRD Office, 45950 Cheam Avenue, Chilliwack, BC V2P 1N6 (8:30 am - 4:30 pm, Monday to Friday) from November 27th, 2025 - December 11th, 2025 or on our website at www.fvrd.ca.
