BYLAWS SUPPLEMENTED OR VARIED BY THIS PERMIT:

None

SPECIAL TERMS AND CONDITIONS OF THIS PERMIT

1. This permit pertains specifically to the form and character of PHASE II ONLY of development at 1885 Columbia Valley Road (Aquadel Crossing) of a single family dwelling bare land strata resort residential subdivision.
2. No approval of any further Development Permits, Zoning Amendments, Development Variance Permits, Building Permits, or FVRD Bylaw Amendments on the subject property are implied, or construed by issuance of this Development Permit.
3. If the holder of this permit is issued any Development Permits, Zoning Amendments, Development Variance Permits, Building Permits or any other FVRD Regulatory Bylaw approvals, for the subject property, that require any change to the form and character of the proposed development described in this permit, this permit shall become null and void and the applicant shall obtain a new or amended permit.
4. Development of the site shall be undertaken strictly in accordance with the Site Plan attached hereto as Schedule B.
5. No alteration to the natural drainage, construction or excavation shall be undertaken which might cause or contribute to hazardous conditions on the site or on adjacent lands.

6. No alteration to the natural drainage, construction or excavation shall be undertaken on any portion of the subject property except areas identified on the Site Plan attached hereto as Schedule "B".

Surfacing

1. External Surfacing materials shall be constructed substantially in accordance with Schedules "C", "D" and "E" attached hereto.

Signs and Lighting

1. Site lighting shall be constructed substantially in accordance with Schedule "E" attached hereto and shall be designed to minimize "light spill" onto adjacent lands and 'light pollution' in the night sky. Site lighting shall be designed to emit no light above horizontal through the use of shielding, 'full-cutoff' lights, or other means to direct light towards the ground or surface requiring illumination.

Siting, Design and Finishing of Buildings

1. All buildings shall be constructed substantially in accordance with Schedules "C", "D", and "E" attached hereto.

Future Building Construction including Single Family Dwellings

1. No additional development permits will be required for the construction of structures within resort, provided that such construction is in accordance with the requirements of this permit, and provided that the conditions present at the time of development do not change from the time of issuance of this permit. However, notwithstanding the foregoing, the Regional District reserves the right to require an updated reports and a development permit for any construction subject to its applicable bylaws.

GENERAL TERMS AND CONDITIONS

1. This Development Permit is issued Pursuant to Part 14 – Division 7 of the *Local Government Act*.
2. A development permit shall not vary the permitted uses or densities of land use in the applicable zoning bylaw, except that permitted uses or densities may be varied where the land has been designated under the Official Community Plan for the protection of development from hazardous conditions pursuant to Section 488 of the *Local Government Act*.
3. Nothing in this permit shall waive the owner's obligation to ensure that the development proposal complies in every way with the statutes, regulations, requirements, covenants and licences applicable to the undertaking.
4. Nothing in this permit shall in any way relieve the owner's obligation to comply with all setback regulations for construction of structures or provision of on-site services pursuant to the *Public Health Act*, the *Fire Services Act*, the *Safety Standards Act*, and any other provincial statutes.

5. The owner of the subject property shall provide the general contractor and all professionals associated with this project with copies of this permit as issued by the Regional Board.
6. The owner of the subject property shall notify the Fraser Valley Regional District in writing of any intention to excavate, construct or alter the subject property or building site thereon.
7. If the holder of the permit does not commence the construction with respect to which the permit was issued within two (2) years of the date of the permit, this permit shall lapse.

SECURITY DEPOSIT

1. As a condition of the issuance of this Permit, and pursuant to Section 502 of the *Local Government Act*, the Regional Board is holding the security set out below to ensure that development is carried out in accordance with the terms and conditions of this Permit.
2. Should the holder of this permit:
 - a) Fail to complete the works required to satisfy the landscaping conditions contained herein;
 - b) Contravene a condition of the permit in such a way as to create an unsafe condition;
3. The Regional Board may undertake and complete the works required to satisfy the landscaping conditions, or carry out any construction required to correct an unsafe condition at the cost of any excess to be returned to the holder of the permit.
4. Security Posted:
 - (a) an irrevocable letter of credit in the amount of: \$ n/a.
 - (b) the deposit of the following specified security: \$ n/a.

Note: The Regional District shall file a notice of this permit in the Land Title Office stating that the land described in the notice is subject to Development Permit Number 2018-10. The notice shall take the form of Appendix I attached hereto.
