

Squamish-Lillooet Regional District Update

May 2018

Updates from the Squamish-Lillooet Regional District Board and Committee meetings of May 2018

Note from Chair Crompton: I am very excited to report that P'egp'ig'lha Council (T'it'q'et), District of Lillooet and the SLRD have signed a protocol agreement. The SLRD has been focused on building relationships with the First Nations communities where we operate and this is a big step. Thanks to the P'egp'ig'lha Council for their partnership and leadership. We continue to work toward stronger relationships in the region.

Many of you have heard there is a fire burning on Anderson Lake. It is not currently a direct threat to any communities but its a reminder to be careful. A voice from my childhood reminds me of Smoky the Bear... "only you can prevent forest fires". Thanks for your love for this place!

Protocol Agreement for Communication and Cooperation Signing Ceremony

Officials from the District of Lillooet, P'egp'ig'lha Council (T'it'q'et) and the Squamish-Lillooet Regional District signed a Protocol Agreement for Communication and Cooperation on Thursday, May 24, 2018. The Protocol Agreement provides a framework to establish stronger relationships between the parties through improved communication and enhanced collaboration. Check out the [news release](#) on the SLRD website.
