BACKGROUND

The Chief Election Officer for the Fraser Valley Regional District (FVRD) conducts the elections for the office of Electoral Area Director for all eight FVRD Electoral Areas. Additionally, the CEO conducts elections for rural School Trustees in our Electoral Areas under agreements with School District 33 (Chilliwack), School District 75 (Mission) and School District 78 (Fraser-Cascade).

The Chief Election Officer, amongst other items, is responsible for receiving nomination documents, declaring candidates, and administering voting opportunities within the FVRD Electoral Areas.

Elections BC is an independent and non-partisan Office of the Legislature that is responsible for administering provincial electoral finance and local elections campaign financing, disclosure rules and advertising laws under the *Local Elections Campaign Financing Act* ("LECFA").

As the 2018 General Local Elections cycle is now underway, it is important to keep pertinent information and dates in mind.

DISCUSSION

Under LECFA, Elections BC is responsible for establishing limits on election expenses and third party advertising. These limits are both based on the office and population of the individual FVRD Electoral Area.

Election expenses

The election expense limit that applies to each individual FVRD Electoral Area is \$5,000. Election expense limits apply during the campaign period of September 22 to October 20, 2018.

Third Party Advertising

Under LECFA, the Third Party Advertising Limit that applies to each individual FVRD Electoral Area is \$750. Again, this limit applies during the campaign period of September 22 to October 20, 2018.

As election expenses and third party advertising limits are administered by Elections BC, all inquiries should be directed to Elections BC by phone at 250-387-5305 or at www.elections.bc.ca.

Please note that it is important to be aware of the following dates:
