

Dear Carmelites,

The town voted 99-1 to not have road touched. We resent your society you have destroyed our small town atmosphere which was the reason why we bought here. There is nothing wrong with the road. I ~~can~~ ^{can only} ~~guess~~

guess now you obtained a permit. You people are just common bullies & if you think ur above the law because you have money you have picked on the ^{wrong} country, we ~~will~~ have no respect for a bunch of bullies. Once again there is nothing wrong with the road. please forward this to FVRD which u seem to have swayed ur way. Y Al Mander
