**Subject: Grant-In-Aid Request – Sts’ailes Christmas Committee, Electoral Area “C”**

---

### RECOMMENDATION

**THAT** the Fraser Valley Regional District Board authorize a grant-in-aid in the amount of \$350 to the Sts’ailes Christmas Committee, funded from the Electoral Area “C” grant-in-aid budget to support their annual Christmas celebration, with the students in the community school.

### STRATEGIC AREA(S) OF FOCUS

Support Healthy & Sustainable Community

### BACKGROUND

The request for funding is eligible under the “Activities/ programs which are accessible to a large portion of the electoral area” option.

### DISCUSSION

Sts’ailes Christmas Committee raises funds to provide a gift to each of the children who live in their community and attend their community school. Annually, the community shares a turkey dinner bringing together infants to elders and a gift is provided to each child in the spirit of Christmas.

The Sts’ailes Christmas Committee is asking for support to help provide for this Christmas event. Sts’ailes has offered the option to post the FVRD logo at the event, on their website and in their community newsletter, “The Beating Heart” with this contribution.

### COST

The \$350 cost will be funded from the Electoral Area “C” grant-in-aid budget which has sufficient funds to support this request.

## **CONCLUSION**

A grant-in-aid application has been received from Sts'ailes Christmas Committee seeking support for their annual Christmas event.
